

APPROACHING THE SEVENTH SEAL

Brother Joseph Coleman

**Local Christian Assembly
41 West 35th Street
New York City, New York**

January 3, 1965

Shall we remain standing? Let us bow our heads. Almighty God, we come this morning with reverence and awe and fear of the Almighty. And Father, we are so happy this morning to know that Thou has given us the Words of Eternal Life. Lord God, these Words are down in our souls, in our hearts Lord. And now Father Your Word as that Anointing is coming upon this earth Lord, beginning to spring out unto Eternal Life bearing its own fruit oh God.

And Lord, this morning as we're right in the shadows of judgment Lord, and Father, as we see many people laying around in sin, not knowing where they're walking in this dark hour, Lord God, we know that this is the very time in Your Word when it says, "Rise and shine for thy light has come."

Lord God, Thy Light is the Word of God, the Son of Man being revealed from Heaven. And Lord God, this has given us the Light, oh God, to walk in this darkness upon this earth Lord.

And Father, how thankful we are for the Word of God. Thy Word is Blood, Water, Spirit, healing, comfort, everything that we need Lord. All is in Thy Eternal Word. And Lord God, we thank Thee Father, for the strangers and the pilgrims in our gates this morning.

Lord God, may You open up ears and sanctify hearts this morning, Lord God, where Your Words may sink deep down into sanctified hearts that it might bring forth fruit unto repentance this morning.

And now Heavenly Father, we pray for our dear Brother Henry's grandmother, who she in her own, by her own testimony she said that she belongs to this little humble group here. Lord, how thankful we are for that dear soul. Lord God, may the Power of God just now Lord, rest upon her Father, upon her old bones Lord God. May the Son of the Word of God prophesy Lord and may those bones be filled with the balm, the Oil of God. And may they stand up Lord.

Now Father, we pray Thou would strengthen her. Strengthen every soul that come in this morning. Heal our sick bodies, our minds, our souls Lord this morning. Bring us into the unity of the faith Lord. Bless our friends who have come from afar this morning on this cold morning and these slick roads. Bless them Lord.

And now Father, the Word of God, which is in Thy servant, Lord God, may You anoint it Lord and bring it out to Your people and give me strength in my tired body that the Word of God might go forth unhindered. We pray in Jesus' Name. Amen. You may be seated.

I just wanted to use the blackboard this morning. First of all, I want to greet everyone in the Name of the Lord Jesus and all our friends who are here this morning. Greetings in the Name of the Lord. A nice, warm morning in here and cold outside. Amen.

And the Word of God is fire stored up in our bones. That's what the Bible tells us. I wanted to say that...we just wanted to announce that Brother Branham's meeting...he's to have a meeting, a meeting, his own meetings out in Phoenix, Arizona at the Westward Ho Hotel, January the 17th, the 18th and the 19th. He's sponsoring these meetings himself.

And on January 20th and 21st, he's to be at the Ramada Inn, that's the Full Gospel Businessmen. He's to speak there for two days, Phoenix, Arizona. And February the 6th, he's to be at Flagstaff, Arizona, that was canceled out in December because they had a blizzard up there. So that's why he is to make up that meeting on February 6th.

And now he's also to be, we're happy to say at the Tabernacle February the 18th, the 19th, the 20th and the 21st. And God's Prophet and servant is to be at the Tabernacle. So therefore we are happy this morning to know that even right now you're beginning, your minds begin to whirl around now and think how you're gonna make it down to the Tabernacle. That's all right, praise God. That shows that you want to be in the Presence of the Son of Man. That's all right.

So we thank God that we know even as we have spoke that this year things were gonna take place, it's going to be tremendous and it's going to be quick. And we know that. So therefore you may as well get ready for it. It's going to happen very fast.

So I want to say I myself, even my plans were changed. I was to go down to Jamaica, Sister Coleman and myself for two weeks there. But however Brother Brown wrote us and told us that some brother in Missouri is gonna pay his way to Arizona.

So therefore the Lord wants him to be in Arizona. So therefore I

had to change my plans and I'll have...I'll be going to Arizona myself for about two weeks. Praise the Lord. I want to get that rest and I can't think of a better place to go to take a vacation than to go to Arizona to hear the Son of Man. Amen.

And also we know that whatever...later on we'll speak about the meetings at the Tabernacle. So therefore that's our plans up to right now. But God, He changes your plans. So therefore the only thing that you can do is to take what you feel, just how you're led to do it, then just wait on God. And when He changes it, move in that direction and just keep on moving.

So therefore that's the plans...that is the latest, which we've heard from Brother Billy Paul and he also sent us a card yesterday stating these dates. So now this morning, my thought is found...we were speaking last week on the...we were trying to approach the Day of Christ.

And it's such a tremendous thing, we got right up there but we still can't get there yet. There's so many different things to be said about this tremendous Day of Jesus Christ.

So therefore many of you didn't get the notes and so forth, so therefore I felt led to come back and come back over the Day of Christ again. Even as I speak now, you can take down some of these Scriptures here, if you feel led to.

So now my thought this morning is found in Amos the 3rd chapter...I've got so many notes here. I want to call this, "Approaching the Seventh Seal." Before you can even speak about it you have to speak about how you are to approach the Seventh Seal. See, many people are waiting for a tent to open up, not even knowing anything about God at all.

But how thankful we are here in this place here that God has given us a wonderful teacher in our dear Brother Kurt to let us know how it is to approach a Prophet of the Lord. And all of us, I believe, we have all benefited from those wonderful teachings. Those...I believe that those teachings should go to the whole Bride for that was, "Thus saith the Lord."

He brought those messages right straight through here by the Holy Ghost. And every member of the Bride of Jesus Christ should know how to approach a Prophet of God with reverence and with humility and not

with any iniquity in their hearts. That's the way to approach the Almighty God.

“Approaching The Seventh Seal.” Amos the 3rd chapter, I want to read from Amos. We'll take our time this morning for we have the Lord's Supper tonight. So you have to understand who the Son of Man is.

See, when that Seventh Seal breaks you won't know anything. So therefore the Holy Spirit has been laboring in here to give you understanding as to who is the Son of Man. And that's why we feel led to come back and to go over and to come back and also to recap what was said. For the Lord brought some tremendous messages in this humble place here this past year, we all know that.

Now we want to come back over and say these things again by the Anointing of God. Now I want to read from the 3rd verse in the Book of Amos, the 3rd chapter.

Can two walk together, except they be agreed?

Will a lion roar in the forest, when he hath no prey? Will a young lion cry out of his den, if he have taken nothing.

Can a bird fall in a snare upon the earth, where no gin is for him? Shall one take up a snare from the earth, and have taken nothing at all?

Shall a trumpet be blown in the city, and the people not be afraid? Shall there be evil in a city, and the LORD hath not done it?

Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets.

The lion hath roared, who will not fear? the Lord GOD hath spoken, who can but prophesy?

I Corinthians the 1st chapter.

PAUL, called to be an apostle of Jesus Christ through the will of God, and Sosthenes our brother,

Unto the church of God which is at Corinth, to them that are sanctified in Christ Jesus, called to be saints, with all that in every place call upon the name of Jesus Christ our Lord, both

theirs and ours:

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ.

I thank my God always on your behalf, for the grace of God which is given you by Jesus Christ;

That in every thing ye are enriched by him, in all utterance, and in all knowledge;

Even as the testimony of Christ was confirmed in you;

Now here's where my thought is laying here:

So that ye come behind in no gift;* (Now notice here) ***waiting for the coming of our Lord Jesus Christ;**

Now let me stop here now. This means waiting for the revelation, for the unveiling of the Word. That's what it means here, see, in the Greek. Waiting for the coming: the coming is the visibility of the Word, which was hidden by these denominations. Are we beginning to understand that now?

Now when this Word is unveiled, revealed, this is what will happen when this happens. When this Word is unveiled, revealed, when it comes, who, this is the Word...

Who shall also confirm you* (It means to strengthen you, see?) ***unto the end, (Notice now unto the ends of the day of Christ, he's speaking about)**

...that ye may be blameless in the day of our Lord Jesus Christ.

Are you beginning to understand now? The revelation of the Son of Man will uncover the Word. Then when that Word is uncovered, that Word will confirm you, will strengthen you till the Rapture of the Bride of Jesus Christ. Can we understand that now? Well amen. Let the Spirit of God sink it into your heart because you have got to know that, it's got to be in there.

Revelation 10:

AND I saw another mighty angel come down from heaven, clothed with a cloud; and a rainbow was upon his head, and his

face was as it were the sun, and his feet as pillars of fire:

This is Jesus Christ.

And he had in his hand a little book open: ...

Now notice now, when Christ, this mighty angel with the rainbow over his head and so forth, when he comes down, the Book is open. This is the Book of Redemption

...and he set his right foot upon the sea, and his left foot on the earth.

And cried with a loud voice,...

Notice how he cries now when he comes down. He cries as what?

...as when a lion roareth:...

This is the lamb now. But when that Lamb now...when the whole sanctuary is smoky, see? The Seventh Seal breaks on the earth, he comes down and he cries, that Lamb cries as a lion. A lion is judgment, see? The lion has roared, who can but prophesy? Now notice this.

And cried with a loud voice, as when a lion roareth: and when he had cried, (When he begins to speak in judgment, see?)

...seven thunders uttered their voices.

And when the seven thunders had uttered their voices...

(This is John. He saw the whole thing in a vision)

...I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.

And also by the way right here, many Trinitarians, they can't understand, how can Christ be upon the earth and also they can also hear a voice from Heaven? It's right here. Christ is upon the earth, and so as a Voice from Heaven. Amen. And seal up not those things...

And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.

And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven,

And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer:

No longer a delay for everything to take place upon this earth, that's what it means. Now notice:

But in the days of the voice (The Trumpet, the Word) of the seventh angel, when he shall begin to sound,...

When he's about to sound, when he begins his ministry, that's what it means.

...the mystery of God should be finished, as he hath declared to his servants the prophets.

May the Lord add a blessing to the reading of His Word. Now notice here, when the seventh angel, when he is about to sound. We want to find out this morning when he sounded, see? Therefore when he begins to sound, all the mysteries in this Book should be finished, the mysteries of the Kingdom of Heaven, such as the serpent's seed and the Baptism and women preachers and so forth: all these things, they'll be finished when he begins to sound.

But at the end of his Message, see, that's a little difference there. At the end of his very Message, then the mighty Angel comes down and utters out the Seven Thunders: at the end of his Message.

And we know right now, we're just at the end of his ministry rather, his ministry is getting ready to go into the final Third Pull. Is that right? Therefore that is the end of his ministry. Well at the end of the seventh angel's ministry, a mighty Angel comes down and utters the Seven Thunders. And then that's the end of everything.

That's what we're trying to approach this morning and also last week. And you just can't walk in and then speak about it. You've got so many avenues which leads into it because it is the consummation of everything.

Now we notice that reading from Amos, that he's speaking here, God always warns the world. Nothing can happen unless there's a reason for it. And therefore there can be no judgment unless God has warned the people for what they are doing and are doing right now. Is that right? That's what it means in Amos the 3rd chapter there.

Nothing can happen unless God will first warn you through His mercy, and through mercy we have a Prophet. Is that right? We want to take our time and to prove this out God warned Noah of the flood. We all know that. Is that right? God warned Abraham and Lot of the destruction of Sodom.

And God warned Joseph of the seven years famine. He also warned Moses of the ten plagues. He warned Jonah of Nineveh. Is that right? Then the Old Testament from Genesis up to the Book of Malachi, all the Jews were warned that the Christ, the Anointed One, was coming. It runs from Genesis 3:15 all the way through the Bible. Is that right? It's a Blood Cord running straight through the Bible right up to Malachi. And therefore everybody was warned, "I'll send my messenger before my face," John the Baptist.

Everybody was warned. Now in our time, in what is called grace, God has warned us by these same books and He's added the New Testament, Peter and Paul and James and John, to warn us of the time when He's coming upon this earth as a thief in the night. Is that right?

And then He even, to cap this off, He took His servant John out on the isle of Patmos and there He...let's read from Revelation the 1st chapter there to find out what He did there. He took John in the Spirit on the Lord's Day, in the Spirit. He was in the Spirit on the Lord's Day.

And this is what happened, this Book of Revelation. It's a tremendous Book. The revelation: this means the unveiling, the uncovering of Jesus Christ. See what I mean now? This is this Word right here. Right here. That's what it means. So when you understand that this Word right here, unveiling,

...revelation (then the unveiling, or the uncovering) ***of Jesus Christ, which God gave unto him*** (God have it to him) ***to show unto his servants things which must shortly come to pass; and he***

sent and signified by his angel unto his servant John:

The Angel of the Lord. Now John was taken out on the Isle of Patmos. This whole Book was written by God. I mean, God Himself through John. He just picked up the pen and wrote in the Spirit. Therefore this whole Book is the Revelation of Jesus Christ. See what I mean now?

Therefore in the Greek, that's what this word means here. Now the Day of Christ is broken down into three words. This word and this one and I have another one. I can't even pronounce it. It's in 1st... I had it last week there, it's E-P-I-P-H-A-N-E-I-A, which means appearing.

So therefore it's three words associated with the Day of Christ. Now in I Corinthians, the 7th verse, as I read to you before, waiting for the - this, see? - waiting for the Coming of our Lord Jesus.

When this comes, this Book of Revelation comes, in other words, to break it down to you, when the Book of Revelation is revealed to you, see, the things that are in there will keep you steadfast and confirm you to the end when the Christ Himself will come with a Shout! Do you understand what I'm saying now?

In other words, the Son of Man is the Word of God: the Book of Revelation is the Word of God. Is that right? Therefore at a certain time, see, an appointed season, He would reveal the Book of Revelation to His servants.

And when the sheep, the Bride of Jesus would see what's in those Six Seals, Seven Church Ages, and all those different things in there, they would know that that is the Word of God. They would know it beyond a shadow of a doubt. Denominations could not receive that, only the sheep can receive that for it's the Word, bringing a witness to the Word.

Then therefore the Book of Revelation is the unveiling, is the revelation, is the Coming of the Lord. Can you understand that now? Amen. Praise the Lord. If you can only get that, then everything will open up to you and you'll understand the Son of Man.

Therefore this revelation, this uncovering will be in a little humble man, a Prophet. For if that is the Word, the Word come to a Prophet. See it now? In other words, there was Seven mysterious Seals. Just try to picture something behind a curtain. Pull that curtain back and the mystery

is solved. Is that right?

Well, two years ago, God pulled back the curtain on the First Seal, it was solved. Is that right? It was unveiled by the Word. Is that right? And the Word come to a Prophet. Is that right? Amen. Praise the Lord. Amen.

Now we can begin to understand what we've...see why you must approach the Seventh Seal with understanding and with reverence? Now there's gonna be many spirits running out to Arizona, running to a tent, not even knowing what that is. Not even knowing that it's the end of the whole world, the end of everything, the Third Pull. Souls that cannot be saved will be preached to by a little humble man and that is the absolute end of the world. Can you understand that now?

That's why you heard Brother Kurt, Brother Hunte and myself, we...I don't want to run into God's Prophet's face. I want to get myself ready to stand in the Presence of the Son of Man.

I don't want to be in a snare or trap. No siree. I want the...listen... God sends His Prophet with the Word of God to reveal Jesus Christ in this hour. Well if He revealed it on tape, I have it or if He revealed it through a minister, I've got it. Well then what He came to reveal, receive that! That's what He come for. But they don't want that, they want to follow after him. Do you follow me now?

If He revealed the Word right here, the Word's being revealed. Well that's what He sent His Prophet to do, to reveal the Word here, there, there, and over there. Stay there! And let that Word, wherever It's at wash you out right there. But they cannot do that. They want to follow after the Son of Man. He didn't tell you to do that there.

Other words, he restored all of the Word. The Word is...look, there's so much Word on these tapes that you can't even receive it. Is that right? You can't receive it. What is even preached right here, you can't receive that. Well then why keep skipping and hopping and jumping and don't even wash yourselves out by the Word. For the Bible says, "The Bride has made Herself ready." Is that right?

Wherever She's at, Africa, Europe, Australia, wherever She's at, She's making Herself ready by the Word, which was uncovered, unveiled by God's Prophet. That is the Coming of the Lord. That's the Coming of

the Lord in this Phase right here. Do you see what I mean now?

For when this Phase come, that is His personal Presence in the air with a Shout. There ain't no time to get ready then because His work is before Him, washed, holy, blameless without spot or wrinkle. It's without spot or wrinkle by this right here.

This here makes you without spot or wrinkle, the Word! So when He comes in this form here, you're already ready to go in the Rapture. I hope you understand that now. So therefore it doesn't matter where you run to or what you're doing, it's whether you receive the Word.

Everybody want to do the works of God. The works of God is to believe the Word, of course, St. John. Is that right? Believe the Word that is being unveiled, uncovered. Is that right? Amen.

Now I want to hurry. I can never get to that point. Amen. Praise the Lord. Now the Seventh Seal is the end of time. It's the end of the Church Age; it's the end of nature, end of the world, end of the vials and judgments. It's the end of everything. It ushers in the Millennial Kingdom.

The Seventh Seal, listen, when that Prophet comes in that tent, can you understand that that's the end of the world? So don't be trying to run up there and...that's the end of the world. Are you ready to stand in the Presence of the Son of Man? Are you ready?

That's why the Holy Spirit has us here; Brother Kurt; he's just speaking right through him and telling you all these different things, wonderful teachings back in the Old Testament. Brother Hunte trying to get you ready for your blood won't be on our hands when that tent comes here.

For every person here will know what they're supposed to do when that tent strikes this earth, which is the Seventh Seal. And we'll show you by the Word of God this morning.

Therefore the breaking of this Seal is so great, it's so tremendous, for when the Seventh Seal breaks according to the Book of Revelation the 8th chapter, that there's silence in Heaven for the space of a half an hour.

Now we know according to the Word of God that there is never silence in Heaven for the angels and seraphims and cherubims around

the Throne of God cry out, “Holy, holy Lord God Almighty,” continually praising Him.

So therefore what happens when there’s silence in Heaven for the space of a half an hour? Everything shut up. Nothing is said. For it’s so holy and what happens is that tremendous Anointing comes down here on the earth. Can you understand this now?

A half an hour is so short; it’s so short a period of time, that’s how it will be down here. And remember it’s time no longer. No longer time. There’s no delay. Things happen, bam bam bam just like that.

Therefore get ready now through this here, the unveiling of the Word of God. And you won’t have time. He that is filthy, be filthy. He that is holy, be holy! He that is righteous, be righteous! It can’t change. You cannot change your nature when He comes upon this earth. We’re trying to prepare you to get ready.

Now this is a mystery. This...other words, we’ve had unveiled by the Coming of the Lord, Son of Man, we’ve had Six Seals revealed. When the Son of Man, when He was revealing Himself, He revealed Six Seals. Is that right? They all are mysteries sealed on the backside of the Book of Redemption.

Now notice, and the Seven Thunders are not even written in the Book. You cannot know them. Only when Christ Himself comes upon the earth and utters them. That’s for His Bride. Nobody else can hear it. And here is the test, why.

Right now who can receive the Word in this Phase right here? How many people are here receiving the Word, out of millions? See what I mean now? Out of millions who are sitting right here, you are the only few and also a few others receiving the Word.

Therefore when he changed it up over here and utters the Seven Thunders, it’s still the Word, so therefore how can they receive the Seven Thunders when they can’t receive what’s going on right now? Only the Bride can hear it. That’s all, you see?

So therefore we know that when this mystery is to be made known, it’ll be right around the time when Jesus appears on the earth for His Bride. Now He comes down here, not in body, His corporal body is still up there.

But the Anointing comes down. See what I mean now? And we're gonna prove it this morning. The Anointing, the Anointed One, Holy Ghost and Fire comes upon the earth, see? And hides Itself behind human skin. See?

Other words, if we have the Holy Ghost in us, that's God. Well then God can certainly put the full Anointing into a Prophet. It's God in you that's anointing. And there, and it'll be so humble, they'll say, "Oh that's only Brother Branham." It certainly is. But God is hid behind that human skin in a tent, that's all.

Now we want to approach this Seventh Seal with understanding and with reverence. Now quickly I want to speak about the Prophet. Now, now I want to speak about the Day of the Lord. The Day of the Lord, you find it in Isaiah 2:12, 13:6 and 11. Revelation 6:12, the Day of the Lord. Now let me explain what this is here. From the Cross when Jesus Christ died, the Day of Pentecost, Acts 2:38 up to here, up to here, that is the Seven Church Ages.

Now I have it broken down for the Seven Church Ages are broken down into three parts, into the martyr age, reformers and called out. We're now in the called out space. So if you can see and understand where we are... I put it on the board. Now the reformers age started with Martin Luther.

We all know how the millions, that they were martyred back in this period of time up to Martin Luther. Then came the spirit of man to the reformers. And we're living right in the spirit of man right now. But the spirit of man age is lapping over into the spirit of the eagle. This is now the eagle age.

And God has called some eagles to reveal the Word. Only the eagles can reveal the Word. See what I mean now? And then the eagles, they won't be who you think that they should be. Because when He sent John the Baptist, who was an eagle, he had on some strange clothes, eating strange food. Is that right?

The Pharisees had on a long beautiful black robe. Is that right? So therefore if you're looking for an eagle, don't look for him in some of these churches out there because you won't find him there. See what I

mean now? They'll be truly dedicated to the Word of God.

You won't like the way it sounds though, but it'll be the Word of God. Amen. Now from Luther up to 1906, when the Holy Spirit was poured out in Azusa Street, California, here's this line right here from there up to here, I have another long line right here. That is what we call the Laodicean Church Age. See?

And you find it in Revelation 3:14 through 22, this is also called a cloudy day. Last week we went to Ezekiel to find out that in this day God's sheep would be in the hands of ruthless Pastors and men with the spirit of Baal upon them, see? And the sheep would be in their hands.

But he said in this cloudy and dark day, see, that in the evening time it shall be Light. He sent Light, the Word; He'd send some eagles, ravens with the Message. And they'd come and blast these men. No matter whether these men are saved or not, they'd come with the Word, the Word only, just the Word. They'd be truly dedicated to the Word of God.

And then they'll begin to call out the sheep from here and there and so forth. Meanwhile the Anointed One, He comes with the full Word of God. Now from here up to there is the Laodicean Church Age. This period here is also called the called out period. Called out from what? You were called out from this. Is that right?

For in there you were spiritually dead. Is that right? You were blind, wretched, miserable, poor and naked and you did not know it until a little humble Prophet with the Word of God came on the scene calling you out by the Word of God. And that Prophet was Malachi 4:5 and 6, St. Luke 17:30, and Revelation 10:7. That was him.

Not fully being manifested yet, see? So therefore he came with a sign. Now he has three ministries. He has the ministry of Moses, the ministry of Elijah and the ministry of Christ.

Now when he first came he had a sign in his wrist here, left hand. He'd take your hand and if there was something, it would be a red blotch; it would show up here according to a certain disease. That was the ministry of Moses, the Prophet, the sign.

And therefore he'd pray for you in the Name of the Lord and you'd be healed. That happened between 1947, eight and nine, '50, '51,

right through there. Then the ministry changed into the ministry of Elijah. Then he began to rebuke Jezebel type women, false prophets. Is that right?

He began to preach Jesus' Name. He began to bring out all these mysteries of these hidden things. He was beginning to sound. Is that right? As he began to sound, he gathered up all the mysteries and made them known to God's servants, you and all around the earth. Is that right?

Now he still has another ministry left and this is his last Pull. That is the ministry of Christ, the Word, upon the earth. We're approaching, that is the Seventh Seal. That's what we're trying to approach with reverence.

Now when he called out, we found out this summer, last summer that the Bride is called. Is that right? On a tape called, "The Masterpiece," he said that the Bride is called and a few of them are out of step but he's getting them in step. She's already called, the Bride is.

And how you'll know it, She's making Herself ready right now while the others are running around trying to understand what's going on. The Bride is making Herself ready right now. Now when that happens, She's called - God opened up the Seven Seals. Six of them were opened. Therefore I put it in this gap right in here so we can understand.

Now we have...there is the called out period. The Bride is called. When She's called, He opens up the Seven Seals, see? The Seven Seals open up, Six Seals opened. Now God sent down every day the Spirit of the Lord came into the room, the Anointing, and revealed to him...the Word came to His Prophet every day and revealed each Seal day by day.

Therefore that...if the Spirit of God is rain, is that right, it's water, is that right, therefore that could not have been the former rain on the Day of Pentecost, for that was a teaching rain, Acts 2:38 and so forth and so on.

But that was something different. That was the latter rain, a little different rain, see? That was the rain, the inspiration, and also eloquence, in the Greek, it's called. That rain came down and opened up everything. And there from that time when that Six Seals opened up, then everybody was wondering, was the Blood on the seat or off the seat? They wasn't sure.

Therefore here was the Lamb opening up each Seal up there, see? Sent it down, down comes the Anointing, opens it up. He stopped on a

Saturday after Six Seals. Had he opened the Seventh Seal on that Sunday, it'd all be over. See? He'd open it up though.

He held it back till this space of time in here. Investigation judgment by the Word. Now from the Seventh Seal in 1962, I think it was, whenever it was, up to now, you are being, whether you know it or not, you are being investigated by the Word of God.

Now during this time also, a lot of our dear sisters, they just can't get this. The Word of God... especially those without the Holy Ghost. The Word of God tells you, if you don't have the Holy Ghost, the Prophet of God said don't do nothing. Then the Son of Man told you on a tape called, "The Token," don't do nothing. Is that right?

Now he said that now. The same Son of Man opened up the Seven Seals also told you sisters especially, don't do nothing. But yet, many are right now trying to teach and trying to preach.

Now God will draw souls through you, sure He will. But is that His perfect will? Or is that His permissive will? See what I mean now? You are being investigated, you yourself. It's up to you because the Bride makes Herself ready by the washing of the water by the Word.

Therefore it's up to you yourself to make yourself ready. See what I mean now? Because every place, they don't have ministers. The people, they don't have no confidence in the ministers and so forth in the Message. Well that's according to the Word of God. The Son of Man said when I return, according to St. Luke 18, shall I find faith upon the earth? Meaning faith in a whole body of revealed truth.

Well a minister is in the body of truth and therefore if that's broken...break one Scripture there, there's no faith. It's not complete. So therefore, but here in there, he that believeth without seeing, see what I mean now?

If I can find somebody, no matter who they are or what they look like or where they come from, if I can find one man who will believe beside my Prophet, I'll bless him. See what I mean now? Well to prove it out in St. John, with Thomas.

Thomas had Eternal Life. Thomas was an apostle but he did not believe. Except I put my hand in His side, then he'll believe. Is that right?

And therefore Jesus said right there, “Blessed is he that believeth without seeing.”

Now we have many of His ministers who have to wait until the Third Pull start, then they’ll believe, see? We have some others who believe without seeing and who’ll just preach this Word knowing that it’s cutting and knowing that they’re hurting people. They know that because they have got to do it, but as it says in the Scriptures, the lion has roared, who can but prophesy? Is that right?

Jesus said I cannot help; I am compelled to speak these things. Peter said so. Is that right? Paul said the same thing in I Corinthians the 9th chapter...**[Blank spot on tape]**

Now during this period, the Prophet of the Lord after Seven Seals. Here’s his statements now. He said if you plant potatoes, go back home and plant potatoes. Is that right? If you want to get married, go back home and also get married. Whatever you were doing before you came to the Seven Seals, go home and do that! Don’t change it now.

But in spite of what he said, they changed that and they started selling homes and so forth and going here and there, running all over the place, running without the Message. See what I mean now? The Message is for an appointed time but though it tarry, it shall come in God’s time.

And it won’t come before that time. And then when it comes, only ordained, consecrated vessels can receive it when it comes. Now and therefore that’s this time right here. Now this time also, this time also is the time of the investigation judgment. Now from the Seventh Seal up to now, the full Word is in effect. Can you understand?

Other words, the full Word, the latter rain come down and revealed the revelation, the Book of Revelation. Therefore that Book of Revelation is the Coming of the Lord, in one phase, see? In the uncovering phase.

Other words, His Word was bound up, hidden in these denominations. Is that right? So therefore when He comes, He comes in one phase to uncover the Word. Let the sheep see it. They say, “I believe that.” And so forth, here, there and so forth. And then they come out. When the Word uncovers, they see it and they come out. Is that right?

Then because they come out, they’re on blind faith. Then they

are persecuted and mocked and scoffed at. That's all right. But as we read in I Corinthians 7, when He comes, He will confirm you, He will strengthen you. He will keep you until the end in the Day of Christ. He'll do it Himself. Is that right? He's doing it right now. Amen. I know He's doing it. Praise God.

Now notice, who's doing it? The Word, not Brother Branham. The Word in him is doing it. But the unspiritual ones are running after his flesh and they're missing it. Do you see? Now Brother Branham, he had a Christmas tree here, about three years ago when he was preaching Christianity and also idolatry.

And a brother from Texas heard him preach that message on a Sunday, I think it was, and went to his house and saw a tree in his house. Went and rang his bell and called him a false prophet. He said, "You preached against a tree and you have one in your house." And he left the Message. It happened about three years ago.

Now what the Word says about that, now God's Prophet's, He makes them do different things. One man had to marry a prostitute. Is that right? He also had children. Another one had to eat dung. Is that right? And lay upon his side for so many days.

Now if He told Brother Branham to eat dung, should you eat dung? See what I mean now? If He told him to marry a prostitute, should you do the same thing. If he's to lay upon his side for a year, are you supposed to do it? That's what He told His Prophet to do that. Therefore if this Prophet has a Christmas tree, do you have to have one? Is that right? Do what the Word says! Not what he's doing. But they are missing that. Do you see what I mean now? They missed the whole thing.

He'll make His Prophet... is a sign. Prophets are signs. They are told by God what to do, but they give you the Word and you are to do what's in the Word. And don't look at him but look at the Word, see? So therefore, we find that people don't understand this here.

Now since that time, the full Word is in effect. Now this means as we saw, that the chaff is pulling away from the corn of wheat, the grain. Is that right? The Prophet of God told us over on a tape, "The Harvest Time." We preach right here different messages, which you all know here that

was ordained of God. Well it was proven to you, it was preached.

Therefore others can't understand this now. They cannot understand that. But don't judge anything for when this Seventh Seal breaks, every man will have his praise of God. You won't have to worry. You won't have to say anything because either you will be a corn of wheat or you will not. One or...no matter what you say here, right here, means nothing to God.

When that Seven Seal breaks, either you have it or you don't have it. One or the other. So therefore in the natural now, the wheat upon the earth is laying in the presence of the S-U-N, sun. Is that right?

Now in the summertime that sun must get hotter. It gets hotter and hotter. And it is to perfect the wheat. The same sun perfects the tares also and the weeds. They all are perfected by the presence of the sun. Is that right? I see we're understanding this now.

Now the S-O-N of Man, Son of Man, when His Presence is unveiled, revealed, we the corn of wheat in His Presence of the Word, we are being perfected also, just like in the natural, the same thing.

Why? For we are laying in the Presence of the S-O-N of Man. Just as the natural wheat lays in the presence of the S-U-N, and it shines upon it, that Presence is shining out to us, of the Word being revealed! The Son of Man being revealed from Heaven. Can we understand it now? Amen.

To prove it out, Genesis 1:14, you don't have to get it, Genesis 1:14, just to...now Genesis 1:14. Now notice on the fourth day. The first day we find that God called...God separated the light from day. Is that right? On the first day. Now on the first day when you come to the Lord, God turns you around from darkness. Is that right? You repent, turn around. You are separated right there, light from day. See what I mean now?

The next thing, on the second day, waters is covering the earth. That's a type of baptism, see? Waters covering everything. He divided the waters. On the third day and only on the third day, life appears on the land. The third day is resurrection time. Is that right? The third day.

That was this here. This here, from here was the spirit of man but Christ said that, "I'll send...I'll pour out my Spirit upon all flesh. This was only the restoration of life coming back into the church. Is that right? Proving that Jesus Christ is the same yesterday, today and forever.

That was the third day. Now notice, up in the sky was the sun and the moon and the stars. But they couldn't see it because there was vapor upon the earth. Is that right? So therefore only in the fourth day, see, is that right? Justification, sanctification, Holy Ghost, Word, number four. Is that right?

That is deliverance. Now in Genesis 1:14:

And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And let them be for lights in the firmament of the heavens to give light upon the earth:

Therefore in the fourth day, God's Word is made manifest to give light upon the earth. Rise and shine for the light is come, in the fourth day, in the day of the Word of God. That's the day when the light is to shine in the day of the Word of God. Can we understand this here?

Now what is the Word made manifest? The Son was the Word made manifest. Let there be, and it was. Therefore this Scripture here needs no interpretation. It interprets its own self. Is that right?

Then Malachi 4, when that comes, it will need no interpretation for it will be the complete restoration of everything; of His Bride, and he'll just speak the Word. In other words, that Word for that hour will manifest Itself. And if we have that Word in us, we will manifest ourselves. Is that right? It's got to be. There needs no interpretation for that.

Therefore we know beyond a shadow of a doubt, even in the springtime when the sun, S-U-N, shines upon the earth and begins to bring up all life, is that right, the flowers and the plants and so forth, all botany life, when it shines upon it...is that right? When the Son of Man, when He breaks forth as the bright and Morning Star, when He shines, all the seed, the Word of God laying in us...if the seed be planted when the S-O-N shines and breaks forth as a bright and Morning Star, you will come to life. You have to! You are compelled to come to life. You can't do anything else but do that.

Then you'll be changed, changed from a worm into a butterfly. You can't help it. It'll happen. It's got to. It's the Anointing. You ain't got anything to do with it at all. It's the Anointing of God. Do you see that

now? Amen. Praise God.

Now we know that prophets are called gods. Is that right? St. John 10:34 and 35, the prophets are called gods. Now why? The Word of the Lord comes to the prophet. Is that right?

Now Moses and the different prophets, they had the Word for their own age. Then you'll understand who is about to come. Now each prophet had a portion of the Word of God for his own time. And therefore they were called gods for that hour. See? That was God right there for that hour.

That's why if you read back in the Old Testament, those men fell down and revered those prophets. They were revering God in that man. Here we have these blind, wretched, miserable gentiles who...here's God walking upon the earth in a Prophet and they just say all kind of things and this and that and run up there and say, "Give me a gift," and so forth and so on. No reverence, no understanding or nothing.

And here, and now notice the difference now, Christ was the full Word. Is that right? Of all the ages, He was the Word made flesh upon the earth. Is that right? Now that same Word is gonna be upon the earth when the Seventh Seal breaks. Not a portion, but the entire Word is upon the earth in a humble little man called Brother Branham. Can you understand what the Seventh Seal is?

Greater than all put together for it will be Christ on the earth, the Word is up upon the earth. You understand this now? Ezekiel had a portion of the Word. Jeremiah had a portion of the Word. Isaiah had a portion for his hour only. But this Prophet has the full Word of all time, for everything.

Why? You can prove that there's silence in Heaven for the space of a half an hour. It's upon the earth now. That's right. Now we're gonna prove this out. Jesus Christ was a man. Is that right? Now notice, Adam was the seed of God's Word. Other words, God's Spirit said, "Let there be Adam." His Word formed Adam. Adam was the seed from that Word.

Therefore that seed...if that seed be planted in the ground, it'll bring forth another one just like him, Abel. Is that right? Seth and so forth. See what I mean now? It was a seed of the Word. But Jesus Christ, His Word, I mean His flesh was the Word. St. John 1:14. The Word was made

flesh. Is that right?

Now we here and Brother Branham, see, we have that Word, which was made flesh in us, which is the form of an Anointing, the Holy Ghost, same Word, see? But it's in the form of the Anointing. For His corporal body, the flesh is up there in Heaven. See?

But we have that Word in us in seed form, some of us, see? Now that Word is to bring forth fruit upon the earth. It will when He sends that Anointing. He'll bring it. That's right. So therefore Jesus Christ was the Word made flesh. Now John the Baptist, he was a prophet. That Word came to John the Prophet, the full Word came to John. Is that right? While he baptized Him.

Now notice, Jesus Christ had the Holy Ghost. Is that right? He had the Holy Ghost. He was born with the Holy Ghost. Yet He did not have that full Anointing yet. Is that right? For we proved it by the Scriptures that when He stood in the water and come up out of the water, the Dove, the Pillar of Fire, the Anointing came down from Heaven. Is that right?

He stood upon the earth and said the Son of Man, which is in Heaven, what if you see Him go back up, stand here and go back up to Heaven? He was standing upon the earth and saying He was in Heaven. That's what He told Nicodemus and them.

Now notice, the Anointing, the Dove, the Pillar of Fire, that's that Anointing, which was poured out on Him without measure. It ran all over Him. See? It was the whole thing. That settled upon Christ to give Him a ministry: creating, anything He wanted to do according to His Father's will. And He walked the earth, that full Anointing.

But notice now, that full Anointing wasn't the work of flesh up in the pulpit. He would speak quietly, but His Voice would just go out, Words sharper than any two-edged sword, just cutting. Just being spoken solemnly, just the Word, that's all it was, just the Word, see, going out.

He had the full Anointing upon Him in the Temple and He sat down and folded up the Book when He read from Isaiah, I think it was, 61 there, and sat down and just closed up the Book. The Spirit of the Lord is upon me to preach and so forth. But He came to a certain verse, which is the day of vengeance.

He stopped right there, for that day of vengeance belongs to Him now. See what I mean now? He stopped there. That was from that time up to now was the acceptable, from there up to now, up to here, was the day of the acceptable year of the Lord, all the way back.

But from here, this is vengeance. That belongs to him. Now I want to prove something. The Day of the Lord in Isaiah 13, so you'll understand that it's not the Day of Christ. Isaiah 13, the Day of the Lord is not the Day of Christ. From the 6th verse:

Howl ye; for the day of the LORD is at hand; it shall come as a destruction from the Almighty.

Therefore shall all hands be faint, and every man's heart shall melt:

And they shall be afraid: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as flames.

Behold, the day of the LORD cometh, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it.

For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine.

And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible.

Now notice here, there's a change in nature. Is that right? We found out from when the Sixth Seal breaks, two prophets come on the scene, the very thing that happens there, happens when they come on the scene. Is that right? Which is over here, right here. The Day of the Lord starts right here when those prophets come on the scene and the sun don't give her light and the moon turn into blood. That's when the day of wrath of Almighty God starts.

But this time in here is the Day of Christ. And it's passing us by already, right now. That's right. One phase of it already, has almost passed

us by. That's right. Has almost passed already and they don't even know it; proving, He said, "I'll come as a thief in the night." And they didn't know it. They don't know it right now.

This here is the Day of Christ. This here, proving out by the Scriptures from the Sixth Seal and Isaiah 13 and other ones, Revelation 19, is the Day of the Lord, the end of the world, the end of everything. It's the wrath of Almighty God is poured out without mixture upon the earth here during these three and a half years here. That's the reign of the beast. That's when these two prophets strike the earth with everything, all kind of plagues and everything else.

And notice now, these prophets appear just before this time upon the earth. And they call out the 144,000. Now where are we at right now? We're right in here. See? Waiting for this here to break. Therefore don't be running to a tent because that is the end of everything.

You make sure that when you run it you're ready. Make sure that you're ready to stand before the Son of Man, in His presence. Now, so therefore, Jesus Christ at the Jordan River, the Anointing came down and anointed Him to preach the Gospel. Is that right? Heal the sick and to cast out devils and everything else. That Anointing, that was the Power of God, the full measure of the Spirit of God upon the earth. Is that right?

Now that same Anointing, now, the Seventh Seal, speaking about the Seventh Seal. Now Moses and Elijah, they are the Sixth Seal. A prophet, only a prophet can open a Seal. Therefore Moses and Elijah open up this Sixth Seal here. Is that right? Well then if Moses and Elijah can open the Sixth Seal, the Son of Man can certainly open the Seventh Seal. Is that right?

Only a prophet can open a Seal. Therefore He, the Son of Man, Malachi 4, is The Seventh Seal. Amen. The Prophet of God is The Seventh Seal. You see? Then how will you know it? It will be the Word, the Anointing made manifest. You won't have to try and interpret it, it will be right there.

If it was an eye there will be an eye. Just speak the Word. Made manifest, being revealed. See? Right before the people. That will be Malachi 4:5 and 6 to restore, take everything back to the way it was.

Now He takes your faith back there. See? And when you see that, when that Anointing strikes the seed, is the Spirit, is the Age of the Eagle, the Word of God will be flowing like water. Out of your belly shall flow rivers of living water. Is that right?

Everything will be flowing. They can't, not even a dog will be able to wag its tongue, wag his tail against you. Nothing can happen to you. Now notice now, modern reformers and called out.

Now a lot of people are waiting for this to happen over here and they'll miss it. See what I mean now? They're waiting for a lot of martyrs. It's not gonna be that way. It's only gonna be a few people anyway. Now there are some who are...they have been ordained to shed their blood. But we don't know who they are. But this is the called out age, when they receive the Word of God, humbly die out spiritually, and cross the Jordan and notice, when Joshua the type of the Holy Ghost crosses over the Jordan, who does he meet over there? The Captain of the Host. Is that right?

He meets the Captain of the Host standing up on Holy Ground. Well when that Seventh Seal breaks, that is Holy Ground. That is the Son of Man upon the earth, Malachi 4:5 and so forth. See what I mean now?

And therefore notice now, after Joshua and they cross over, that's when they have the Word, the Sword in their hands, time shall be longer. The time as you know it won't be no more. It'll be a different time now. Why, anything can happen. Joshua was fighting and asked God for more time. Sun, stand still. Is that right? The same thing can happen now.

Whatever God wants to happen, it'll happen. The time will be redeemed. Amen. I'm praying that you're getting it. Amen. So therefore we find that this Seventh Seal as we approach it is a tremendous thing. Now what is the Seventh Seal? It's God's thoughts, see, completely in His Prophet's mind. See what I mean now?

Becoming...manifesting the Word. God's thoughts in your mind is the Word spoken out. Are you following me now? Therefore if the full Anointing, Christ, is in His Prophet, then He has the Mind of Christ. See what I mean now? And he just speaks it, here, there, whatever, he speaks it. Then that's made manifest. Do you see it now?

Then the Bride will be the same way, same way. If we have the Mind of Christ, we'll do nothing except we hear from Heaven. Nothing except our Father show us. Then we will have, "Thus saith the Lord." What you say will be "Thus saith the Lord." For it's His thoughts, Word made manifest.

We know also that in those Seven Thunders, the Prophet says that God's Name is to be revealed to the Bride. Now do you know what "Name" means? Name means Presence. Name means self, very own self. Well God's very own Self will be revealed to the Bride for it will be in Her. Amen? Praise the Lord.

So now I know this is...but I've got to say these things because it's a...what can you do? Amen? Now, this Seventh Seal will be Malachi 4, St. Luke 17:30, Revelation 10:7 made manifest. See right now we are staying with the Word. They're mocking and scoffing. That's all right. But God, when the time comes, is gonna make the Word in us manifest. They all will see what is in you. It'll come out. You'll be changed from a worm into a butterfly. He'll do the changing.

Now here's how we know. Now in this Seventh Seal also, we know that there will be souls preached to that cannot be saved. There must be a ministry. Christ has the only ministry that can preach to souls that can't be saved. That's His ministry. See?

Therefore that's the ministry of Jesus Christ. Now to prove this out, we've been through it before, so as we preach here last spring here, last fall, a time for reflection. Is that right? Reflect back and understand these things.

Now when Noah preached his message, mercy, they spurned it. Then God gave them time, grace, to bring in his family. You're bringing in your families now. Bring in the family in this time right here. See? Bring them in. Lay the Token on the line. The Prophet said so, and claim your family. If you have the faith.

So therefore Noah did the same thing. The door was shut to the outside. He brought in his sons and their wives. Is that right? Then when they come in, the door to the ark was shut. But that ark sat upon the earth for seven days. Is that right? During the breaking of the Seventh Seal.

Nobody could be saved for the door was shut. But Noah and his family was in the ark, Christ, and they were up on the earth and the judgment didn't happen yet, for seven...while the Seventh Seal was broken. The seven days was on. Is that right? I hope you get it. If you get it, say amen. Amen. Praise God.

That's your type now, the ark sitting there as a witness, a testimony that the Word of God is true! Yes sir. God will interpret His own Word and He'll prove it too. Then Jesus Christ, His Third Pull, upon the Cross. The Word was crucified. Is that right? And there the Spirit of God went down and preached to souls in prison.

Now when Noah set in the ark, that was resurrection for Noah, and judgment for the people that lived upon the earth. Therefore they could not be saved. And that ark preached to them as a witness against them. Is that right?

Then Jesus Christ went down into the...He went down into Hades and so forth and preached to souls that could not be saved, sometime disobedient back in the time of Noah, according to I Peter 3. Is that right?

Notice now, He had to preach to those souls. Then He turned right around and took all the saved from Adam on down. Is that right? All of them, gave them the same Gospel and they received it. They had to. The Word. And then took them and they came up and walked around Jerusalem, Resurrection time during the Third Pull. Are you getting that? Where at? On the earth. Praise God. Up on the earth.

Therefore that's two. Three is a confirmation. Therefore when this Seventh Seal breaks, you will be resurrected here. We found out last week that two things had to happen. After God claiming human flesh, the next thing that happened after He came in human flesh, Abraham's body was turned back, resurrected back. Amen. Is that right?

Well, when God in human flesh breaks that Seventh Seal, following that will be your resurrection time upon the earth. Amen. Right here. That's in the Word of God. These are only some of the things in the Seventh Seal. Everything is in there. But that is the Seal of Redemption. That's the Redemption Seal.

That's why Paul said, "Grieve not the Holy Ghost whereby you

are sealed unto the day of your redemption.” See what I mean now? Now we want...amen. You see that now? Therefore this humble, little servant of God will walk out there and get a tent, see, go in there and all the people running back and forth and so forth. That’s all right. But we have a type of that back with Rebekah. Rebekah received gold, silver and raiment. Is that right? But her mother and father and them, they received precious things. Is that right?

Therefore when that tent comes, they’ll get healings and so forth but you, the Bride, you receive gold, silver and a white raiment. Is that right? A white robe. That’s what you want. Is that right?

Therefore they’ll run back and forth to that tent to get arms and legs or whatever it is. That’s what they’ll get. But you will have Eternal Life. Why? For you’re coming to Mount Zion, that’s why. You’re coming to Mount Zion. It’ll be the Mount Zion showdown! Is that right?

Back in Elijah’s time, it was the Mount Carmel. Then Mount Transfiguration. Now Mount Zion. And we’ll find out in the Word of God at Mount Zion, what takes place at Mount Zion. Amen? If you understand say amen. All right.

Now we find out in Noah’s time that the door was shut in their faces. They received the Word of God and therefore God will do nothing except He reveal His secrets to His Prophet. He told Noah that there was a flood coming. Noah preached it by faith, inspiration, though he didn’t see it, he moved with fear to the saving of his house. Is that right?

Any man now that has received this from the Son of Man, he’ll move with fear to the saving of his house and himself. But no, they walk around proud and going over here and this and that and they don’t...see what I mean? They’re not moving with fear!

Therefore when the Son of Man is being revealed, we are to be moving with fear. Is that right? But we’re not. See? So therefore that ark sat there as a witness, a testimony against everything. Christ went down for a witness for they were disobediently and did not receive it.

Therefore when the Seventh Seal breaks, giving you a type in the Old Testament, it’s...other words, it is damnation and resurrection to put it blunt. Damnation and resurrection. Christ went down there, they was

damned. Those that believed, He took them up with Him. Is that right?

When this Seventh Seal breaks, because you believe the Coming of the Lord right now, the unveiling, see what I mean now, that's in your heart, then He'll come down upon the earth, the Dove, the Pillar of Fire, the Anointed One. Amen? Will be in a man upon the earth. God hidden in human skins. And He will redeem His people.

He told Moses, "I am come down." The Burning Bush came down. See what I mean now? The Burning Bush, the Dove, the Fire, is all the same thing: it's Christ. The Captain of the Host; it's the same thing. God in human flesh is all the same: Jesus Christ.

Then if He came down then, why can't He come down now? What's so strange about that? See what I mean now? The lion has roared, who can but prophesy? It's in the Word of God. Let me finish off here because I don't want to hold you too long. I've been trying to get to this point so you can hold it. Now you've got to retain this, see?

So when you see...if you go down to Indiana next month, he'll just speak the Word and you'll be looking for something else, see, but it's the Word. See what I mean now? But all that is coming but you've got to receive this first. See what I mean now? That's coming. Though it tarry, it will come! Yes sir.

Now what is this Anointing like? We all want to know it. Amen? Some have ran down there, they want to know what is it all about? Let's turn to Psalms 133. We'll get an idea through the Word of God, what is it like? Amen.

Now we understand that this will be the Third Pull, see? The Anointed One upon the earth. There'll be no more blood in the sanctuary. See what I mean now? Nobody can be saved. It's the end of the world. Can we say amen?

Now here's what this Anointing is like. Behold, how good and how pleasant it is for brethren to dwell together in what? In unity. Now notice now, here's the Word of God speaking here, this unity, see, in unity. Now unity, this unity is like the precious ointment, Anointing, upon the head that ran down upon the beard, even Aaron's beard that went down to the skirts of his garments.

Now let us stop here. Aaron was the type of the high priest. Is that right? All right. The Anointing. He was anointed with oil and he was anointed without measure for it poured over his head and went down his beard and all down his skirts, his body. Is that right?

Well Christ is the Head, we are the body. Is that right? Now when this Seventh Seal breaks, this Anointing, this Eagle Anointing strikes the earth, see, it's on the Head. The Head's upon the earth. But it also pours out over His body. Amen. Glory to God. Amen?

It's the same Anointing, amen. That Anointing will change you into a butterfly. You won't have to do anything. The Anointing will change you. That's what it's like, here's what it says. But that Anointing is unity. That is the only thing that will bring us into unity of a stature of a perfect man. Is that right? It's the Anointing. That's Ephesians 4:11 through 15.

Now the devil has deceived many people who are supposed to be in this Message for knocking out the unity. No ministers. And the very five-fold ministry is to bring them into the Perfection, unto the stature of a perfect man through unveiling the Word of God. And they knocked it out, knocking out their own selves, for He said if you take out one Word from this Book here, you take your name out. Is that right?

Therefore how can you believe ninety-nine and a half percent and don't believe that He has ministers? And the Prophet of God said on a tape, "Identification With The Masterpiece," that there's a ministry upon the earth right now. He said it. It's got to be somewhere. I don't know where it's at but it's upon the earth. Amen. It's perfecting, ripening and... my, my, my.

There's a ministry somewhere. The sun, S-U-N, is shining upon the natural wheat and then the S-O-N, Son of Man is shining on people. We are in His Presence. Is that right?

Therefore this unity is like this precious ointment that just poured all over Aaron's head, all down his beard, all down his skirts, all everywhere. Now this same Anointing is also like the dew of Hermon and as the dew that descended upon the mountains of Zion.

Now notice now, at Zion. For there the Lord commanded the blessing, even life for evermore. Was commanded at Zion. And I was

reading up in one of the religious books here. It said that the dew on Hermon in Zion was very plentiful, even in dry weather. Amen?

When the sun is shining, it's dry, adverse conditions; it's dry out here. But this Anointing, see, this unity, is like the dew on Mount Hermon and Mount Zion. And these two particular mountains, the dew was very wet, even in dry weather, all the time. Amen. Amen.

I have a Scripture that I wanted to read just before I sign out. Deuteronomy 28, no Leviticus 25:21. Leviticus. The Word of God, amen. I tell you, amen. Now, amen, Leviticus 21. Leviticus 20. No, let's start at 18.

Wherefore ye shall do my statutes, and keep my judgments, and do them; and ye shall dwell in the land in safety.

And the land shall yield her fruit, and ye shall eat your fill, and dwell therein in safety.

And if ye shall say, What shall we eat the seventh year?

Behold, we shall not sow, nor gather in our increase:

Then I will command my blessing upon you in the sixth year, and it shall bring forth fruit for three years.

Now notice, in the sixth year, right now, 6000 years. One year is as a thousand years. We're in the sixth thousand year. God is commanding His blessing upon us. Is that right? Then when that Seventh One breaks, the Millennial Day, starting with the Seventh Seal, you won't sow, you won't do anything. Amen?

Why? For I'll do everything myself. You won't have to do anything. You'll finally enter into my rest, from all your labors. No more tears, no more crying, no more sorrow, no more anything, no more trials and tribulations for finally you'll enter in. You won't have to sow nothing. I'll just pour out my Anointing upon you. I'll pour out my Spirit upon all flesh. And the Son of Man will shine down and you'll come to life. Amen. Praise God. That's right.

I will command it in the sixth year and then you won't sow anything for three years, confirmation, three. God's number, confirms it all the time. Amen? Deuteronomy 28, another Scripture if you want to take it down.

There's a beautiful Scripture there, 28:4. Let's read from there.

Blessed shall be the fruit of thy body (See?) the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the clocks of thy sheep.

Blessed shall be thy basket and thy store.

Blessed shall thou be when thou comest in, and blessed shalt thou be when thou goest out.

You are Joseph. Joseph was blessed when he was in prison, in a ditch, anywhere he was at, he was blessed for it was Perfection! Therefore you have got to be blessed, for it's the Age of Perfection. Is that right? Now...

The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.

The LORD shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto: and he shall bless thee in the land which the LORD thy God giveth thee.

The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways.

And notice now:

And all people of the earth shall see that thou art called by the name of the LORD;...

(This Scripture here if you read it from the Amplified, it says, called by the name in the presence of the Lord. That's what it says)

...and they shall be afraid of thee.

Amen. That's God's Word to us. That is Perfection! Nobody can do nothing for God finally will show. Now I want to read here something from the Amplified Scripture here in I Corinthians the 7th...I want to nail that down to you so you'll understand that. I Corinthians the 1st chapter, the 7th verse again.

We want to...if we can understand that, then we can understand the

unveiling of the Book of Revelation, the Word of God. Then we can also understand that when He comes with the blessings for His saints, that is the Coming of the Lord in the air. But now He's upon the earth revealing Himself as the Son of Man on the earth. Can we understand that now? He's on the earth revealing Himself as the Son of Man.

Then at a specified time, He breaks the Seventh Seal; the Anointing comes down and runs down all over His body, all over. That is the Capping Stone. Amen? It caps the Pyramid. Amen. Think now...when Christ with that same Anointing, went to Heaven and told His disciples, "I'll send It back to you." Is that right?

And then one day in the Upper Room, there came a sound like a rushing mighty wind. The Pillar of Fire, the Dove, the Anointing, came into that room. Is that right? And parted Itself in cloven tongues of Fire.

Then He did it then, He said in Malachi 4, I will restore saith the Lord. I'll do the very same thing again for I am the same yesterday, today and forever. I'll do the same thing again. Therefore I'll send my Prophet, he'll be according to Malachi 4 and 5. Then I'll send the Anointing, It will pour all over him, all over you and all over everybody.

It'll be the Fire, the Dove, the Anointing, the Burning Bush; it'll be Jesus Christ Himself. Amen? That's what it will be. What is it? Alpha and Omega, the same in the beginning and in the end, same thing. Same thing. Can you see it? Well then that is Malachi 4 being made manifest to the Bride of Jesus Christ. That is Perfection! Amen.

That is the change of our bodies. Amen? And that is the... it'll shout, the Voice of the Archangel, to call us up on high. But before that happens, is the Resurrection, you'll see your loved ones or whoever it is right here, and gather together in families. That's Scripture.

For Israel was to possess the land, which was their inheritance. We are to possess our land. Our land is the redemption of our bodies. Amen? That's our land, see? And therefore when they possess their lands, they gathered by families. When we possess redemption of our bodies, we gather by families. Same thing. Amen?

Then when they do that, then there's a Shout, the Voice of the Archangel. And He takes you on. Amen. Amen. Then as the Prophet of the

Lord said, you get up there and there's a day of crowns up there. Amen. Praise God. Amen. Yes sir.

The day of crowning time come. Then every man will have his praise. You won't have to worry about anything. I want to read this here and then I want to finish off. Verse 7. This is reading from the Amplified version, but you can read from this one here.

...for the coming of our Lord Jesus Christ and (His) being made...

...So that ye come behind in no gift; waiting for the coming of our Lord Jesus Christ:

That's what it reads in this one. Now this is the Amplified.

...for the coming of our Lord Jesus Christ and (His) being made visible to all.

See? That's what I'm speaking about here right now. His being made...His being uncovered, the Word, see? Now when this Word is uncovered, this is what it will do.

Who shall also confirm you unto the end, that ye may be blameless (And spotless and so forth) in the day (Which is the Rapture) of our Lord Jesus Christ.

Now reading from here:

And He (The Son of Man) will establish you to the end (keep you steadfast, give you strength, and guarantee your vindication: That is your warrant against all accusation or indictment so that you will be) guiltless and irreproachable in the day of our Lord Jesus Christ (the Messiah).

Now, amen? See what I mean? There's nothing...look, God is doing this Himself. If you'll only stop sowing, trying to do your own works, God can work among you. We have women here who still are trying to break the Scriptures. We know who they are. They're still trying to break this Baptism down. They're still trying to teach and so forth and doing this here.

God...it's finished. The Bride is called. So if you, one day, make up in your mind that you'll finally, "Lord God, not my will but Your will

be done.” If God wants you to say nothing, do that. See what I mean now? If you’ll only do that because you’ll miss it if you don’t do it, you’ll miss it. You most certainly will miss it.

He wants...look, this is placing time. See what I mean now? This brother was placed in here. Brother. Nino was placed in here. Brother Frank, they were placed in here. It’s placing time.. Dennis. But you have to wait until God places you. Don’t try to run before He place you. Do you see what I mean now?

God is placing His sons of God now. He’s sitting them here and there as He can find one that He can use at that time. He has a job for every sister in here. He will use everyone. It may be for a minute or it may be for 15 minutes. I don’t know. But He will use every member of the Body of Jesus Christ.

But He can only use you when He gives you power for service. Not your own human power, which is your own mind, what you want to do. But His power for service, which is Holy Ghost power. And you’ll give out your tract and this and that. That’s wonderful, but that’s the spirit of man. That’s finished with, see?

We’re in the Spirit of the Eagle Age. And if you don’t know anything and then stop what you’re doing, your own works and come in and stop sowing, see, because He has commanded a blessing upon us. And it’ll be Perfection. Amen.

Now we understand this morning? I pray that we understand that the opening of the Seals and what it all means, the time we’re in right now from the Seventh Seal, down came the latter rain. Is that right? And up towards now, is what is called the investigation judgment and we also proved it last week that He has His fan in His hand. He’ll thoroughly purge His floor, His Church. He’s doing it right now. See what I mean now?

And the chaff is being thrown up in the air and the winds of doctrine is driving the chaff away. Is that right? You see them running to Arizona, here, there, all over the place. That’s the chaff being blown away somewhere, see? And then, but the wheat falls down to the ground right where He sows it at, right there. See what I mean now?

Right where He stirred up that wheat at, right there. And we

fall to the ground there, not over there. Right there. Amen. Praise God. Now. Praise the Lord. So we know as we approach the Seventh Seal with reverence, with understanding, see?

Brother Kurt, I tell you, you don't understand, Brother Hunte, he understands it, some of you understand what God has done through that man. I mean he has given us understanding. So I mean, I don't think you get it, see what I mean now?

He has given us the understanding of what it means to see and face a Prophet because it is...I mean, see, God, He'll hold it at your hands, you see? But how we thank God that we know how to approach the Prophet. You don't run up in his face. You stand back. See what I mean now? You don't run up to no Prophet's face. You stand back and leave him alone. See what I mean now?

So we pray this morning that something was said that will give you understanding of what we are facing. Now in your midst, you have those who talk against you, speak about you. That's all right. That's wonderful because count it joy when you fall into divers temptations. And we want to ask you to pray much for us, the ministers here and so forth. Pray for one another. We are very tired and we begin to stutter and so forth. Tired in body. We need much prayer.

So we want to say that there's a trial. There's a tremendous spiritual battle being fought here every day as elsewhere. So in other words it's this here. The devil is trying to stop this work. Now you've got to know it. You knew it before. Either he'll send in a wolf to scatter the sheep or he'll finally close you down or he'll do both. See?

Now that was "Thus saith the Lord," from God's Prophet. Therefore we're holding on to what? The Revelation of Jesus Christ. Why? For this is the hour to hold on. Now in holding on, we're ordained to hold on. See what I mean now?

There'll be others who you think, "Well he don't understand." See what I mean now? But that's all right. We have to hold on. They can do what they want to do. They can go anywhere they want to go but we are holding on right here. See what I mean now?

We're giving out meat in due season right here. Blessed is the

servant, when he comes, finds him giving out meat, not some flesh, but meat. The Word of God. See what I mean now? In due season, right now. So therefore in doing this, some get hurt and they go here and they go there. We can't help that because the very thing that he said was church order to try these spirits by the Word.

And so therefore no matter what anybody says, we see this; we can see it spiritually coming. I see this here see? So I'm standing with the Word of God. I shall not be moved by nobody. Nobody will move me here. I want to tell you one thing because most of you, you don't know this here.

The devil has sent every known spirit in here. Brother Hunte and myself have been tried by...now if you know what every spirit is, then you'll know what has come through here. From every known spirit, from sex clean on down, which is what the enemy is doing in this hour, all kind of filthy devils have come through here. That's right.

I'm talking about the spirits now - see what I mean now? - upon different people. And we've been tried by the Word of God right here, a test to hold on to this Word. Many brethren have been hurt. We can't help that because Jesus Christ, He hurt many people. Is that right?

He rebuked them and called them snakes and devils and everything else. Is that right? So therefore I want to say that many people say that they have love. Now I was speaking about a brother here this morning in the car, he's supposed to love Brother Branham so much down here in Mark Auditorium, he put his hands around him and then he wanted to take up a love offering and Brother Branham said, "Please don't do that." Brother Matson Bose. And...now he loves him so much. But he said if you love me, keep my commandments.

See what I mean now? So therefore here was one version of love. "Oh I love my brother," but refused to get baptized, see? Refused to do everything else he said but he loved him. Now what is love? Keeping the Word of God.

Therefore by this shall all men know, amen, you keep this Word. See what I mean now? That's how you know. So therefore you can talk all you want to talk. When you obey the Word of God, then I'll know that

you love Him. And then the only way that God can test whether you love is that you won't accuse your brother, you won't speak evil against him, because God is before you in your brother. And if you can't love your brother whom you see, how can you love God whom you have never seen? See what I mean now?

So therefore that shows that whatever is in their heart comes out against your brethren and so forth and those with the Word stay with that Word. Now staying with the Word means this to you sisters.

If you're on the phone, a sister calls you and wants to speak about this or that. You say, "Well my dear sister, that's against the Word of God." And she'll get mad. Then let her get mad. That's all. That's staying with the Word. That's...now you won't have no friends, no. But you'll stay with the Word! Amen?

Well that's what it means for you women to stay with God's Word. When a sister wants to talk carnal, say, "My dear sister, I will not and I refuse to do that." Why? "Because I love the Lord more than you." Amen. Let us bow our heads.

Almighty God, we thank You dear Father for Your Word this morning. And Lord, we're sorry that we took so much time and also wore out Your people. Lord, we feel by the Holy Spirit Lord, since we have no service tonight Lord, we just wanted to get this understanding over to the people, Lord God, that they might know what this Seventh Seal is all about Lord, and also who is the Son of Man.

Father, for those of us that Thou has given understanding, Lord, we know that this is the end of this world, the end of the Age, the end of everything. Lord God, this is the time when You said that You're gonna come upon the earth and You're gonna shine forth Lord. This is the hour when the Son of Man shall shine out to all the world Lord.

How thankful we are this morning Lord, to know that Thou has given us this wonderful revelation Lord God, of what You're doing in this hour Lord, when the different foolish virgins are running to and fro Lord and Thou art filing up our lamps Father. We're making ourselves ready by obeying the Word of God and washing ourselves out.

Lord, every soul in here this morning, in behalf of them and

myself Father, we lay ourselves, our wills upon the Throne of God this morning Father, upon the altar this morning and Lord like the Prophet Isaiah, Father, we say cleanse us with the hot coals of fire, clean us out Lord, that when this Seventh Seal breaks Lord, and You want to send Your sons and your daughters all over this world, Lord God, that we may be able to stand in the Presence of the Son of Man and say, "Here am I Lord, send me."

Lord God, may every soul in here this day Lord, Father, may they understand what Brother Kurt and Brother Hunte and myself are trying to do in here Lord by preaching this Word so hard. We're trying to prepare them to be ready and able to stand in the Seventh Seal, to be able to stand there and say, "Here am I Lord, send me."

Father, for we know this Gospel must go for a witness according to Matthew 24:14 throughout the whole world just before the tribulation period. It's written in You Word Lord, for a witness only to this whole world.

So Father, we pray Lord that every soul in here oh God, would be used in Your season and also in Your time, consecrated by the Anointing, the ointment coming down Aaron's skirt, his body Lord.

Father, may every soul be in that Body Lord, be consecrated and anointed with that Oil, that end time Eagle Anointing. Father we pray that every soul that's coming, that You'd bless them. For we pray in Jesus' Name. Amen.
