

**ABIDING SHEKINAH GLORY
IS NOW HERE,
NOT LONG THEN TO THE RAPTURE**

**BROTHER JOSEPH COLEMAN
SUNDAY, NOVEMBER 21, 1993
LOCAL CHRISTIAN ASSEMBLY FOREST HILLS**

ABIDING SHEKINAH GLORY IS NOW HERE, NOT LONG THEN TO THE RAPTURE

Brother Joseph Coleman
Sunday, November 21, 1993

[Singing: I Fly Away - Ed]

Oh, one more time! Everybody! [Singing: I Fly Away]

Oh, praise God. God be praised. Praise God. God be praised. God be praised. My, my! What can we say? What can anybody say? But praise the Lord. Thank you, Jesus. Are you happy that you here this morning? Were you happy you're here last night? Do you feel like traveling on? Hallelujah, praise God. Do you feel like you're in that circle? That Eternity. Well, whether you feel it or whether you don't, THUS SAITH Malachi 4, you are there. Amen. And we're getting ready to leave here. And that's what these meetings are all about. These meetings are to quicken you, to the reality that there's going to be a RAPTURE. No matter how old fashion, it's no old wives fable, praise God. God Himself was veiled in a Prophet, and he spoke that. And His Word shall not return void. And so shall there be a RAPTURE. And we are saying so. We believe it. And we say so. And we try to live it. Whether the rest of the world does not believe it, we care not. Amen. Well, praise God. God bless you. You may be seated.

Certainly, want to... don't know what to say. Well, I'll greet you with an interesting history of Forest Hills. We're in Forest Hills now, this is part of it. And our church is in another part and right up from our church is, what is called Forest Hills Gardens. So, I thought so since you're here in New York, you come from hither and yon. We tell you what, what Forest Hills is all about.

Forest Hills - Interesting History of Forest Hills

Forest Hills as such, started in early 20th century. The houses are (on the other side over there) English, Georgian and

Tudor style of architecture. The walls are very strong and fire resistant. Forest Hills was originally called White Pot. There are several theories as to how it got its name. It was named Forest Hills in 1906. Amen. Amen. It was built from six farms. One of the farms was called *Abram V. S. Lot*. Amen. And the farm next to that farm was *Sarah V. Bomer*.

So, Lot and Sarah and Abraham and everybody is in Forest Hills. Praise the Lord. Amen. Amen. On September 9th... 29th 1917, Forest Hills had Rainbow night. Twelve hundred men of the Rainbow Division, which is the New York, I think 42nd Division of the Army was transported to Forest Hills for a special program. And one of the speakers was Helen Keller, an overcomer, the natural, although she was blind and deaf, and one of the many famous people—people who lived in Forest Hills, Forest Hills Gardens. The streets and so forth to that... does not belong to the city of New York. It is a city apart. It was built as kind of a city of refuge from the crime, noise and dirt of New York City.

Well, here we are, New York City. It's not so bad, is it? Amen. Praise God. So, when you go talkin' 'bout New York, say "wait a minute now I heard Brother Coleman also said..." Amen. "Also said.." Amen. Okay, you may be seated.

Now, way back in Owensboro, Kentucky, November 9th, 1953. Amen. A Prophet was speaking, and giving a testimony about South Africa. And he said,

Africa Trip Report [53-1114]

13 ... I said "We're expecting a great meeting here in Africa. We just closed one in New York City, and..." [and... stopped.] Now there's something about New York City. Now you watch. Remember, there is something about New York City. Don't forget that you hear.

Don't you forget that you hear? I don't care what the critics say. But don't you forget that you hear. Amen. Praise God. When

the critics talk about it, it makes that much more **sure, positive**. Praise God. That's why they're talking! That's why they're criticizing! 'Cause the Prophet says it's something about it. Well, we'll find out. Or we are finding out. Amen. May be seated. I'm only introducing you about New York City since we have so many visitors here from around the world. Amen.

So on, Time-Tested Faith, New York City, May 30th, 1958.

Thank you very much. You may be seated. It just makes my heart feel real good to be back in New York tonight. I've always got such a thrill coming to New York. I like all of the states. But there's just something about New York that (...) grips me, [the Prophet said. Amen.] and the people and their hospitality. Being a Southerner, I say you have to come up here in the north, to find what Southern hospitality means. Come to the north.

We're so happy you're here this morning, that you came to the north. God bless you all the way from Russia and Czech Republic and Italy and France, Nigeria, Belgium. praise God, United Kingdom. Hallelujah. Amen. Germany, Trinidad, Puerto Rico, Canada, way across USA. God bless you. We're so happy you came north and Canada. Oh, hallelujah. Praise God. So, God bless you. You may be seated. And so, we certainly welcome one and all and to be with us here today and—and to be in fellowship with us. And for this last climax meeting.

And well, we know that many of you have spent just to come here more or less for two services is totally mind blowing, as we would say. And there was no announcements about anything and so we just felt that the Holy Spirit made you come. And amen... praise God. And the Holy Spirit made you come and you didn't come for naught. You did not come for naught. And you will get what you're looking for. Praise God. God be praised. Blessed be the name of the Lord. Alright, you may be

seated.

So, what can we say about last night's service? Brother Frank Cronkite. You appreciate Brother Frank—Frank Cronkite? Real servant of God, fearless, stands alone. Amen. I call him, a God-called man. You may be seated. Brother Branham said on God-Called Man. Before you can have a revival, you got to call men out and train them and put them through hard times. And they got to go through the floods and all kinds of trials and all through the Blood. And then when they get ready about 1993, they stayed with it. Their faith has been time tested. They know where they standing at. They know what the Holy Ghost is. They could call Jesus on the scene. Amen. And He's here. Glory. You may be seated.

I remember 1963, Mark Auditorium, Brother Branham when he was here, and believe we have a sister here Gene Smirsky. Is she here? I know she—she is here somewhere. God bless you. Sister Jean would you just stand up? They can see who you are. God bless you. Okay. God bless you, Sister Jean. Sister Jean came out of Rock Church. Huh Brother George? Rock Church. And we had the meeting in 1963. And she came to the meetings and many other people. But how she come into the Message. Out of all those people in Rock Church and all over New York and Maranatha Temple and the whole thing, God gave her a vision. And she saw the pastor, as a toy poodle, and a woman preacher that's the assistant pastor said, "Come on, boy. Come on, boy." And that's how she's here. Because God showed her vision to come into the Message of Malachi 4.

So, don't worry, if God's got His people out there, they'll hear the Thunder of God. I don't care how many man-made places they are in, intellectual covance. Praise God. When God decides to thunder to get his sheep out of there, you watch them come roaring out of there. Praise God.

These false-anointed ones they can't hold them back no longer.

Don't you go up there. You're going overboard. Amen. Brother Coleman is going to deceive you. Amen. Well, that's the schools of the prophets. And the Elisha...I am not Elisha but you are the Bride. We are following Elijah. Amen. And them old school of the prophets say, "Watch out where you going now, don't you're going to go overboard with that RAPTURE stuff and all that stuff." Keep quiet. As God's liveth and his... the soul liveth. Praise God. I will not leave thee. Tell those schools of the prophets. Amen. Well, praise God. You may be seated.

Oh, I remember the soul, mighty and powerful there. Brother Branham said, he... be seated. There's about six to seven feet, back. He stood like this here. Praise God. He says, "I got the Word and I come for the sheep." And he ran back, sat down, clapped his hands, **charged again**. Praise God. "COME OUT OF THERE." And here we are. And no man can move us. We believe what that Prophet said. Praise God. Hallelujah. If we got to stand alone and drink branch water eat soda cracky. Praise God. We are standing in New York City. No intellectual giant can move us out of here. Praise God. You may be seated.

Brother Branham said. Hallelujah. Glory to God. Brother Branham said, "there's some of the cream of the crop in here." And he came to get us out and we are out. And nobody gonna put us back in. Amen. Oh, my. How we get over there a little testimony. You may be seated. Well, everybody feeling fine? Gloria a Dios. Amen. Yes sir. My, my, yes sir. Hmm, hmm. Well, I'll say, He told me to say it. Amen. Yes.

And Brother Branham and Billy Paul, they had just come back from, Souls In Prison, up to New York. And there on Once More Lord, November 17th, 1963 [63-1117 - Once More, New York, New York, para 207–Ed.]. Brother Branham says, you believe me to be a prophet. He said, No wait a minute I never said that before. Do you believe me to be a Prophet according to Malachi 4. And brother about that time they couldn't hold

me. Hallelujah. Couldn't hold me. Glory to God. Can you imagine that Brother Branham would identify himself as Malachi 4 in New York City, for the first time? A lot of other things are going on in New York City for the first time also. Hallelujah, praise God. I'm gonna tell you today I'm gonna tell you what's on my heart. I'm not holding nothing back no more. Praise God. Why should I hold it back? It's all for the glory of God. God did it. Amen. Amen, Brother George? You were there. You may be seated.

So, I went on down to the tabernacle for What Shall I Do With Jesus Called The Christ. And so, Brother Neville told the brethren said, "Brother Neville, Brother Branham identified himself as Malachi 4 in New York." He said, "couldn't be Brother Coleman. He'd do that here." I said, "Brother Neville, I'll have to get you the tape so you can hear it." (praise God) but it's on the tape." Say what that tape says. Glory. So, there you are. Oh, my. I could stay on them things a long time here. Amen.

Anyway, was thanking the Lord for last night and Brother Frank, and he didn't know and he picked up part of my scripture there. Acts 10:44. Amen. While, Peter, yet speak these words, the Holy Ghost fell up on all those who heard the Word. And God was doing a special work on Joel Ragland last night and David Thompson. I believe you heard the testimony. What can we say? One soul **snatched** from the kingdom of Satan. Amen. Glory. Hallelujah. You may be seated.

Now, don't you worry about the devil being in New York. Because Brother Branham said that the devil is not omnipresent. He can be in only one place at one time. Amen. So, you feel you think he's gonna come in here with all this anointing? He won't 'cause he's jealous! He want it for himself. So, the devil is not here. Amen. God is here to seal you, to fill you, to deliver you Praise God. Amen. You may be seated. Now of course the demons are everywhere. But not Satan. He's in

one place at a time. But his devils is everywhere. His devils will tell you you're not gonna get the Holy Ghost right in here. But Brother Branham said that your mind is the battlefield. Come on you jellyfish. Pull your sword out. What are you a little wimp? You give in to everything the devil tells you. Huh? Fight the good fight of faith. Amen. You may be seated.

Okay, I believe. Amen. Praise God. Amen. And we—we appreciate Brother Nathaniel singing and the mighty. What's it? *The Midnight Cry*. Appreciate Brother Nathaniel? And Brother Joe ministering last night, and Jonathan's remarks and the mighty outpouring of the Holy Spirit in our midst. We appreciate all this and we give praise and thanksgiving to God for His grace and mercy to us in this hour. And the singing this morning, we're going to say, Joanne and I'm *Going Up Yonder*. She sings the way she feels. That is her testimony. She comes from God, and she's going back to God. Amen. You appreciate, Joanne? Amen. Appreciate Brother Paul? *Don't Want To Stay Here*, my God, and the choir and the musicians. We appreciate them all. Hallelujah. Okay. You may be seated.

I want to give a special thanks to my son-in-law back here, amen. Brother Fred, this my son-in-law back here, he's the Traffic Manager. Amen. And he was able to with Brother Riddle and Brother Frank Puma and all the deacons and ushers. Putting all this together all the mechanics of it with the buses and this and that and I stayed alone for twenty-one days and didn't have to bother. So, I thank God for Brother Robledo. And the deacons and everybody, amen. God bless you, Brother Jun. Amen. So, praise God. Amen.

And my, I wish you could have been in New York City the last two weeks. Did he preach a message? Amen, New York? Did he preach two messages? Amen. You may be seated. So may the Lord richly bless all that are able to come from everywhere. And we really appreciate your coming. And I believe that Brother Griffin has announced all the visitors, the ministers,

everybody from Africa and Puerto Rico, Trinidad, Russia, amen. Czech Republic, and Italy, and Germany, everywhere, Canada, so forth. And so, I don't have time to go with all the names have already done already. But we certainly want to thank you for coming.

And this is such a, you know, a short notice many of them came and just to be here for these services here. Amen. We've already been greatly blessed beyond last night. Amen. And so may God's Grace and Power be with you and bless you 100-fold for coming. And today may you go back home with both hands full of the Holy Ghost, full of blessings of God. Amen. Not sensations, praise God, with blessings. Amen. May be seated.

So now it gives me great pleasure at this time to introduce some precious brothers and sisters from down in Marion, South Carolina. And I wonder if Pastor and Sister Lynwood Gibbs would stand up from Marion. Where you at? Over here. Okay, here is Brother and Sister Gibbs. Amen. Praise God. I appreciate them. And Brother and Sister Charles Muller, he's evangelist. Amen. I mean, Fred. Okay, Charles Muller. He's a minister there and his wife. Amen. God bless you. Amen. Forgive me Fred I didn't have on my glasses, I'm getting old, you know.

Amen. And Brother Fred... Fred Melons, amen, and his wife. Amen. He's the evangelist. Amen. Praise God. Yes, sir. And Brother and Sister Bryant came with them. God bless you Brother and Sister Bryant. Amen. Yes, sir. I believe there's some—some more believers from the church somewhere around here, because they have family in New York. Amen. And to the family of these believers from South Carolina. We want to see you. Praise God in service wherever you are. Amen. Praise God. Come for a commanded, amen, come for commanded blessing. Praise God. God has called you here for a purpose. Amen. This is family time. I don't care where your family is at. Family time! Glory, amen. Praise God. Alright. You may be

seated.

And our friends. Brother George and Sister Rebecca Smith the Prophet's daughter and son in law, would you just stand up. Many people they don't know who you are. Sister Becky and Brother George. Amen. These are my friends. I call you friend because you are my friend. You don't have many of them, but I'm one of them. Amen. We are one of them. Well, you appreciate the Prophet's daughter and Prophet's son-in-law? Praise God. Amen. They wanted to be here with you. Amen. Okay.

Now Brother Gibbs and his Church has... may be seated, has done the unthinkable, mind blowing! They have invited me to come down there and minister. That's unthinkable. Me? Brother Coleman from New York? Gonna go down to South Carolina? So, he has invited me to come down and speak and minister and give my testimony and life story. My, my! That's gonna cause not ripples, I mean hurricane waves. Praise... it won't be no ripples. Amen. Praise God. It might even sink South Carolina big hurricane come up to shore there. Amen. Praise God. But if God has told us to be there, we'll be there, nothing can stop it. Praise God.

So, Brother Lynwood has a meeting there, December 3, 4 and 5. And it'd be other ministers ministering there. But I've been kind o'... he's been watching me I've been watching him since May. Amen. I'm watching you and you're watching me. Yes, siree. And then it got heated up in July and August and September and finally she popped. Amen. We got on one accord. So therefore, and here we are. The Lord told me to invite them up. So, they kind o' see, you know, what's going on here. Amen. So now they got their own testimony. When they go back. They know who you are, they know who I am. So, when I get down to South Carolina, I'm gonna just go. I'm gonna come flying into the pulpit. Praise God. Amen. Amen.

So, my life story, I don't know. Now that's another story altogether. I don't know what that's gonna be all about. Amen. But anyway, I certainly want to thank you, Brother Lynwood Gibbs and his whole entire Church for being a host to invite us down. Amen. So, we consider it a blessing and a privilege, Brother Lynwood to come down and to have fellowship with you, just before the RAPTURE. Amen. It won't be long, short, quick Message will shake the whole nation. Shake the whole nation.

Okay. So now, I thought I would just I want to kind of recap a little bit. Now I've been kind of going through comments. And I think I must have preached already about seven messages already in just about two days, two Sundays. Amen. Then today, there's so much going on in the world. I'm trying to identify it in the comments and come back and preach a little inspiration for a message. That's what I've been doing. And so, I'm come down right down to the end, and I'm finished, amen. But on July 15th, this year, the Holy Spirit quickened to me 2 Corinthians 3:18, and told me I'd see the Glory of the Lord. So, I didn't know what that meant, and so... Then he told me to have Brother Bellomo to get his brother to rent the, school here, auditorium for the 3rd Sunday of September, October and November.

So I didn't know what it was all about. So I just did that. And so here we are, with the high school meetings, and only knew that I would see the glory of God from 2 Corinthians 3:18. But I did not know the mechanics of how it would be done. So, you just do it by faith. Amen. You don't worry about it.

So anyway, a little later, I received my copy of *Only Believe*, from Brother George and Sister Rebecca, the, *Only Believe* magazine. And I saw—saw... I read it then my wife told me on Oneness, I wonder if this was in The ARK. You know, I said, “Was this in the ark? Did I see this before?” And I says, “I must have seen it before.” Now. I wanted to call back to make sure.

I always like to verify things, you know, but then Sister Coleman open it up and read it on the on the first page there. It says this on the back cover. This quote is taken from a collection of Brother Branham's handwritten Sermon Notes, which is on display in the William Branham Memorial Library in Tucson, Arizona. He titled this set of notes, '**The Glory Of The Lord**'. But Brother Branham went to be with the Lord before he could preach this message. Amen.

So brother, I really got stirred up then. Amen. Said, Brother Branham's own notes on The Glory Of The Lord? And the Holy Spirit quickened to me July 15th. Then the next week, the *Only Believe* magazine comes. And I'm looking for the mechanics of how I'm supposed to see The Glory Of The Lord. Amen. So, it must be hid here somewhere. It's got to be in the Message somewhere. Praise God. Amen.

So, I want to thank Brother Brian back, I've been looking around for translations of glory. And Brother Brian came up with a beautiful one.

GLORY means the NATURE and ACTS of God and SELF-MANIFESTATION. What He essentially IS and DOES as exhibited in whatever way He reveals Himself, particularly in the PERSON of Jesus Christ. Amen, New York? We've been preaching on it now. DIVINE SPLENDOR and PERFECTION OF THE CHARACTER and WAYS of God exhibited through Christ to and through believers. SUPERNATURAL emanating from God, as in the SHEKINAH GLORY, THE CLOUD and PILLAR OF FIRE. Praise God. My, my, huh? What's going on September 19th, October 17th? Amen.

Okay, here's the words on the back of the magazine. *Notice him Elijah in the cave -the Oneness storm; Billy Graham - earth shaking campaigns; Oral Roberts - the Pentecostal rushing wind never move the Prophet. Brother Gibbs, Brother Fred and*

that Oneness storm in Columbia never moved me. Hallelujah. Brother it only moves sparrows. Sparrows will fly away from the storms, but the Eagles fly right into the Oneness storm and bust the thing back. Praise God. Amen. Get outta that Oneness storm. I come out of there in 1961 May. Amen. Hallelujah. You may be seated. Okay. [Only Believe Magazine, Vol 6 No 2 June 1993–Ed.]

*Notice him [Elijah] in the cave
The Oneness Storm
Billy Graham - Earth Shaking Campaigns
Oral Roberts - The Pentecostal Rushing Wind
Never moved the prophet
They were only “effects” of His passing by.
But what attracted the prophet Elijah?
It was the Glory of His “Voice” Word
Revealing His Glory plan.
The prophet waited on his office.
Notice as a type - not long then to the rapture.
He was only near in wind, earthquake and fire, etc.
The man of God waited for Manifested Reality
Vindicated Word
Abiding Glory.*

And here we are, twenty-eight years later, we waited for it. And we have seen His Glory. And we have heard His Voice Word. And we shall not be moved. Hallelujah. Yes, sir. So, did you get it, New York? So, I had already... now when I looked at that, you may be seated, the Prophet waited on his office. Notice in type, not long to the RAPTURE. And that stuck with me. Because I've been waiting for nineteen years for something to take place on this little Third Phase that must hook into the Prophet's Third Pull.

It must be the Word now. I don't care what you're doing, is got to be on the Word. It's got to be in these books and things. I said, I can't make a move. But it's got to be somewhere

laying on the tapes, **RAPTURING FAITH** lays on the tapes. **Somewhere revealed, got to be revealed.** The—the—the Prophet already revealed it but we need a revelation on what he revealed, to speak it back. Amen. So, then it stuck with me.

So, I decided to have three services on September 19th, October 17th, and today dedicated to the RAPTURE. And that's why you heard '*I'm Going Up Yonder. I don't want to stay here*'. The Midnight Call has been dedicated to the RAPTURE. We are actually being changed in our atoms. We're going out of here. Make up your mind. You're... this is not your home. And God is collecting his sheep, His Subjects for the Kingdom. Oh, amen. You may be seated.

My, they looking. Said, me? Sure, it's you. Praise God. You. Me? I'm—I'm nobody. He didn't call the mighty. Amen. He called the *least in the kingdom*. Not many mighty, not many noble are called. Amen. The downtrodden; those who think they ain't nobody then He can use you. When you know that you are nothing. That's who He wants. He don't want these big guys, know everything. Amen.

Okay, so this been... now that is the why we're here dedicated to the RAPTURE. And if I hadn't looked at the—the *Only Believe* magazine, we would still have three meetings. But now when I looked at that, it changed the whole thing, into what we have been experiencing. So, we waited for manifest reality, September 19th.

Now Brother Branham had Manifested Reality in him. So all he had to do was preach, 'The Glory Of The Lord', and He told me you have to believe for it. So, speak it out there by faith and say it's going to be. Don't be afraid. It's already spoken. Amen. So that's what I had to do Manifested Reality. So, I'm looking for it September 19th. And I struck it there in **2 Chronicles 5**, and you all was here and then Shekinah come down. Hallelujah. Praise God. And Spirit of Glory come down,

the Rainbow Coat come down. Oh, my. Yes, sir.

So today what's it going to be? God is here. I don't know. But He knows. Amen. Yes, sir. Okay, now so we're looking for Abiding Glory today. Now Abiding Glory to remain with us to the RESURRECTION. So, we... with you every day on your job and your school, **Abiding Glory, Manifested Reality, Hidden Power of the Vindicated Word**. When the devil's come around you, Hidden power comes out and breaks the yoke of the devils trying to hem you in. Praise God. Amen. You may be seated. Okay.

So the inspiration came... Then the inspiration came for the message, The Manifested Reality Of The Glory Of The Lord. And then October 17th, The Vindicated Voice Word Is A More Sure Word Of Prophecy. And today the 21st, *Abiding Glory*, I'll speak on it.

Now what can we say about the anointing and the Voice Word, releasing the Shekinah glory, and the spirit of glory resting upon us, plus the supernatural being done and healings and refillings and bringing back the backslider. There was Carl Thompson on October 17th. And then there was his son last night, David Thompson. These are signs of what God is fixing to do in your church! But He only brought you together here to let you see a sign of it! Amen. Are you going to go back and the Revival will be in your church, back in Russia, in Czech Republic and France all over, you're going back but you only here to see a sign of it. But the real thing is gonna break out in your own church. Okay.

Okay, let me hurry. Well, I don't have to hurry, do I? Don't worry you make it plain now? Okay. Anyway. Okay. The anointing and the Holy Ghost outpouring has been far beyond anything that I would hope for, and in any meeting I was ever in since Malachi 4 left. And August 22nd, in Canada, *He told me I had to say, there would be a manifestation on the Third*

Phase to vindicate the Seven Thunder Inspiration. And it's here, September 19th, October 17th. And I believe that God will not fail to cap it off, right here today with a mighty, mighty, mighty blast of the Holy Spirit. Amen. Praise God. To confirm the Word with signs following. I believe that.

So, I just want to kinda recap, a lot of people wasn't here before. And so, I've been... in his recapping comments, and it kind of bringing you up to the signs of the time to let you know that you won't b of bring it back and tie it in here, amen, again here. Okay, just a few comments, I'm not preaching yet. Just—ust trying to feel the flow. Get in the groove. Then when I strike it, let her go. Five minutes, fifty... don't matter. Holy Spirit done struck the groove. Amen. Isaiah 21:11:

11 The burden of Dumah. He calleth to me out of Seir, Watchman, what of the night? Watchman, what of the night?

12 The watchman said, The morning cometh, and also the night: if ye will enquire, enquire ye: [come... I mean] return, come.

May God bless the reading of His Word. So there we are. And the watchman said excuse me,

12 [And]The watchman said, [excuse me...] The morning cometh, and also the night. If ye will enquire, enquire ye: Come.

Amen. And on just a minute before I want to read some here. Brother Michael Mcmayo here... beautiful card, he sent me encouraging words, in the mail yesterday. He gave me a quote. Thought I'll share with you, kind of fits in here, God Hidden In Simplicity, Page 19 when he was dedicating the tabernacle.

God Hiding Himself In Simplicity [63-0317M]

105 ... And now this is just a little service, that [will] blend right in with It, though.

106 So... listen to every Word. Catch it. And if you're—if you're taking it on tapes, or anything, then you stay right with that tape Teaching. Don't say nothing but what the tape says. Just say just exactly what the tape says. (...) Because some of those things, we're going to understand a whole lot about this now, why It's misunderstood. ... You be sure to say just what the tape says. Don't say nothing else. 'Cause I don't say That of my own. It's Him that says It. [Now watch, here what's going on in the message today]. So many times [of] confusion, people will raise up and say, "Well, So-and-so said It, meant so-and-so." [And then you go a group follow them]. Amen. Just leave it the way It is.

107 That's the way we want the Bible. Just the way the Bible says It, that's the way we want It, just like That. Don't put your own interpretation to It. It's already interpreted.

And the Holy Ghost, amen, Saint John 16. I have yet other things to say. And you can't bear it now. Too much for you. You need the Holy Ghost first. When you get the Holy Ghost, I'll bring all things to your remembrance. And a same Son of man that spoke to the disciples came back in our day, amen, told us also, don't worry, there's a revelation here, is too much you can't bear it now. But I'll send the dynamics, the Holy Ghost, and he'll bring all things to remembrance. How will he do it? He'll take from mine, you'll take from My Message through the Prophet and tie it back into the Spoken Word, and then you will understand what day you living in. Amen. Praise God. So, amen. Okay, you may be seated.

You know, as so, people don't want to listen to what Brother Branham saying. And he says it so plain and clear. What I'm trying to understand is this here, I just dropped this in here, thirty-one years ago, December 30th, and I was there. And, Sirs, Is This Time. You know, the people still don't believe what he said. He said, say what the tape said. And they figured out everything else about, Sirs, What Is The Time? He said it

right in front of them, knowing that there wasn't going to get it. And he said it. He said on page 44.

Is This The Sign Of The End, Sir? [62-1230E]

353 Is It plain? When the First Seal was opened, the Seals that was inside the book, these mysteries that was sounding forth: justification, sanctification, Roman Catholic Church, Protestants! And with all the little-little battles and things left those loose ends in the Word of God. The Seventh Angel comes on and gathers them up and explains them. See? And then, he finishes, [and then he finishes] Seven Thunders utter out.

354 [and] John started to write, ... 'Don't write It. But seal It.' [on the back of the book.]

Seal up Those Things that's going to explain the Bible. Hold it back. That's gonna be for Malachi 4, his Message. So don't write it out. They'll probe at it and probe at it, and probe at it. **Don't... Seal it John!** Just symbolize some of the things: a white horse rider, red horse rider, black horse rider, souls on the altar, interruption of nature, put that in the book. But that Seven Seal leave it vacant, but the space of a half an hour. And my Prophet will slide Seven Thunders under there. And that will be his Seven Thunder Message with the Anointing, with the Promises, with the outpouring of the Holy Ghost and Fire! Calling back to backsliders and everything else! And everywhere else will be dead. Praise God. *Just felt inspired to speak them words.* Amen. May be seated. Don't write it,

355 and the first seal was open of the seals on the inside of the book. It opened with a thunder [inside].

359 And if then if this is a continuation for the sounding of these last Seven Thunders as coming forth. The mysteries, the last seals, it will have to (...) compare with the rest of the Scripture. And if them first Ones in there [in the Bible] opened with a blast of thunder, the second Ones will, too, as

on the backside, [and it blasted out there in Arizona for the second ones, on the backside and is still wondering]. Watch what happens. If the vision was Scripture, then it must be interpreted by the Scripture or continue with the same Scripture.

And he goes into Revelation 3 and 4, I'll just skip on down here. He's saying that if the ministry of the min... the Ministry of the Mysteries of God is finished. Six Seal Mysteries in Bible, finish. When thunders blast goes off in December 23rd, 1962, and go out to Arizona. Therefore, the Mysteries inside will be finished. Because it's ready for this one's on the backside of blast went off, shocked the whole earth. Sirs, what time is it? Thirty-one years ago? *I'm not waiting around here.* Praise God. *I'm going up yonder.* These meetings are dedicated to the RAPTURE! Amen. Okay.

362 ...what if that is them Seven Mysteries coming forth? In a humble little church like ours? may be seated. That the Almighty has come [in] and regarded the low estate of His people. You say, “[well], I don't think so.” It might not be. [Say, with them tape say now]. But what if it is? If it is, then time has run out. Do you think be serious. It maybe later we think.

363 Those stars fall into their constellation back yonder, [which was February 1962. Because the announcing of the Infant Bride. Amen.] The angel coming and said, as John was sent to [here it is now, as John was sent to] wind up the Old Testament and to bring forth the introduction of Christ, [your] Message [watch] will wind up the loose ends, [Six Seals in the Bible].

Wind them up, in March 1963 and they are still wondering. My. What are you wondering about it? Did it wind up? John's baptism is of heaven, or is it of men? Malachi 4's Seven Thunder Message of Revelation 10. Did he deliver it? Or he

must come back? Then we have no faith. Seven Thunders give faith. Amen. Alright. You may be seated.

Your message of...will wind up of the loose ends and we'll introduce the Messiah just before His Coming — The Trump of God, the Last Trump, the Seventh Trumpet shall sound but before that, will be a—a—**Shout and a Voice, a Message to wind it up and introduce Messiah.** What's wrong with the minister? Why won't they preach that? Amen. May be seated.

Oh, I wasn't even wanna do this here. Introduce, amen brother, introduced the Messiah, just before His Coming, **His Coming is the Trump of God.** The Message of the last days. Messiah Son of man in Prophet will thunder the Message of the last days, will open the entire Bible. Oh, amen. Notice the Mighty Angel swore with an oath, time would be no more. He said ... I won't keep you too long. Page 53.

*428 Every one of you, cleanse you all your heart. Lay aside everything every weight. Keep it out of your way. Don't let nothing bother you. Don't be scared. There's nothing to be scared about. If Jesus is coming. ...It's the moment the whole world is waiting for, has groaned and cried for. If it's something breaking forth now, a new coming or a new upcoming of a new gift or something. It will be wonderful. If it's coming time at the revelation of the Seven Thunders will be revealed to the Church, **how to go.***

DID HE REVEAL IT? HOW TO GO? OF COURSE, HE REVEALS IT. THAT'S WHY WE'RE HERE. THAT'S WHY YOU'RE HERE FROM RUSSIA AND EUROPE AND AFRICA. MALACHI 4 REVEAL TO YOU HOW TO GO. AND YOU ONLY WAIT NOW FOR THE DYNAMICS TO YOUR MECHANICS, PRAISE GOD, TO SEAL UP EVERY FIBER IN YOU.

How to go. Brother Branham said, *I don't know. I have just stated what I saw.* Say what the tape saying. Don't put no

interpretation to it. Well, God bless you.

Amen. I don't ... hate taking all this time. I'll just read to you also, tie in here. One In A Million. Are you one in million? Okay, you may be seated.

In, One In A Million [65-0424]. Paragraph 20.

20 He said, "The vision is not your end time that vision, It's- is for your ministry.

In other words, the vision of the Angel with Seven Thunders and so forth, that's for your Ministry. How can he be a Prophet for this day, the Word of the Lord must vindicate the Prophet. And there was the Word sealed up Six Mysteries. Therefore, he had to open that when he opened Six Mysteries, Six Seals that vindicated William Branham, as a Prophet, because he opened the Word and then he was ready for his Ministry. Do you see it? Oh, what a faith should be in the people. Okay, you may be seated.

...The Sword is the Word. The Seven Seals will be opened, the mysteries ...

21 Two weeks after that, two months rather, I was up in the mountain with a bunch of friends when it happened. Seven Angels, just as clear as [you're] standing here, came sweeping down from Heaven. The rocks in the mountains rolling down the hills and people standing was screaming and going on, you know, dust flying everywhere. [Now watch]. And when it was [over], He said, "Return to your home. Now will be [watch] each Angel will be one of the seals of the Seven Seals."

Then who was that Seventh Angel that stood like that was swept back wings. Who was that Angel? The ONE with The Rainbow Covenant around His Head, CHRIST, MESSIAH. **And Malachi 4 introduced Messiah. Messiah has already been introduced. He is the REVEALED WORD. That's your Wedding Garment, It's full of Promises.** And he was

supposed to wrap it around you. And don't be afraid and stand your reproach. And I stood my reproach, praise God, for nineteen years. And now God's a vindicating it, pouring out the Holy Ghost. How... I'm not ashamed of the Gospel, there is the Power of God and unto salvation. Hallelujah. Praise God. Not afraid of no man. What's man? Man—man ain't nothing. Got to blow him out of here. Praise God. I don't consult ministers. I consult the Holy Ghost. Glory. Did you get it? Huh? May be seated.

Each Angel will be one of the Seals. And six Angels came March 18th, 19th, 20, 21, 22, 23. Six Angels open Six Seals. Seventh Angel told Brother Branham, he opened up **Threefold manner**. And I will speak and have spoke of a fold of it. It was them Seven Thunders banging one, two, three, four, five, six, seven right close together. But the Seal opened and the Seven Thunders under the Seventh Seal are connected to the Coming of the Lord? Is connected. Oh, Sha! Praise God. **Do you understand where you at now? You are in the Coming of The Lord. Oh, you are walking with Messiah, Revealed Word. Oh, is in your heart. Keep walking and watch REVEALED WORD reveal Itself in you.**

The Seven Thunders was a Revelation; a **Revelation on what He said to Open Up the INSIDE**. Seven Thunders back here [Brother Coleman uses the pulpit to illustrate the back of Bible—Ed.]: **Seven Voices, Seven Thunders, Seven Seals, Seven Mysteries** back here. He put IT inside because it cannot be outside. So, you slid it inside. Hallelujah. Now when he left, there was the Martyr Age, and there was the Reformers Age. And when Laodicea was finished, blind, wretched, miserable, poor, naked; the Angel comes at the end to rebuke that thing. Praise God. At the end, so Laodicea was finished, a denomination.

And Malachi 4 bought the Seven Seals. And the Pope of Rome on June the 6th on a 66th ballot of Pope Paul the 6th, had a

Vatican Council in September for the whole world. And Christ, hallelujah, He had it for His Bride. And as they call come back, my separated brethren, Christ was in the Word calling you out, His Subjects. And a Third Pull, come out of there. Oh, come out of there. Praise God. The Third Pull, the Opening of the Word of God that your Name is in The Book. *My name is in The Book. My name is in The Book.* That's the Mystery.

Oh, my God. Do you understand what we're talking about here? 1966 we entered into the Shout. The Lord Himself descended from heaven with a Shout and we walked into this Laodicea here, and we stepped into the Shout [Brother Coleman illustrate this by walking from spot on the platform, and steps into another spot with hand raised—Ed.]. Hallelujah! We on our way to the RAPTURE. We in the Shout now. Then shout. Glory to God! Shout for the Shout. I don't know how I got over here. You must want me to do this. I... amen. I didn't get started yet.

So, we are in. So, there was what the Martyr Age, the Reformer Age and Malachi 4 brought on a Bride Age. Eagle Age. And we stepped over into Bride Age. And Brother Branham said on, Myste... Christ Is The Mystery Of God Revealed, back in the Old Testament. David all of them back there. God was revealing in His First Coming. Amen. And then the Christ came. And Paul... I mean all the Prophets wrote of Christ in Mystery. And then John introduced the Mystery. And Christ was the Mystery of God revealed. Hallelujah. And the Spirit jumped from John to William Branham. Glory to God. And the Seven Church Ages was Mysteries, *little loose ends*. And when William Branham, each Angel coming and visited him and open up what their Mysteries was and vindicated It.

Then Seventh Seal swept back wings. Christ, he was to introduce Christ and Christ had them Thunders. Don't write what that was. Seal it up. And Brother Branham will release It here and there and precept upon precept here there a little bit there. But don't change it, say what the tape say and I will anoint

it. Hallelujah. So here we are. Pinch yourselves. **YOU ARE IN THE COMING OF THE LORD NOW, IT'S ALMOST OVER. IT'S ALMOST FINISH.** You made it. You're there. He's getting the backsliders. He's getting the predestinated Seeds. He's getting your children. Praise God. Hallelujah. None shall be lost. Hallelujah.

You mean, Brother Coleman for twenty-eight years, we've been in the Coming of the Lord? And Sunset Message stayed sunlit for twenty-eight minutes? Does Sunset Message as the moon is getting ready to black out next Sunday at midnight, is all finished? Watchman, watchman, what of the night, the morning cometh, but also the night. Oh, hallelujah. Praise God. The night time must be here. Gross darkness must be here. Filthy devils must be here. Why? Because at that time, Arise, shine for that Light has come.

Watchman, watchman, what of the night, the morning cometh and also the night! So—so long night I am of the Morning! I'm going out of here. I'm going up in the First Resurrection. Oh, they will be coming from the east, and they will be coming from the west, they'll be coming from the north and they be coming from the south and I'm going up in the First Resurrection. Can no demon hold me. Can no devil hold you. The world... I don't care what is, cannot hold you. Glory to God. You're free. Yes, sir. Praise God.

So, do you understand it? We are now, we are not in the Laodicea, we've been called out of three ages: Martyr, Reformer and Bride. Malachi 4 called the Bride out with a Shout. So, either we are in the Shout, Bride Age, Eagle Age, or we're not. And I am there. I'm some part of the cream of the crop. Oh, my. I don't know how I got over here. You may be seated.

Did you get it church? Huh? You understand that you part of this Coming? You have been in for twenty-eight years. Is

almost over? And then what are you hanging around for? It's— it's almost over. Oh, my. You got it. Okay. Well, let's hear what Brother Branham himself said here. Seven Seal... First Seal. Page 147.

First Seal [63-0318]

200 The last angel, earthly angel, this Angel come down from heaven. It wasn't him ... come from heaven. But he's speaking here of the voice of the seventh angel, which is an Angel means a "messenger, Anyone knows that? [In the days of the voice of the Seventh Angel].

And that word in the Greek means in the days of the blast. And a blast went off? Yes, sir.

... In the days of the blast of the Seventh Angel, when he shall begin to sound a Mystery. Watch. Seven Seal, all the mystery of God should be finished. As He have declared to His servants, the prophets.

Revelation 10: 1 through 7, the entire mystery is unfolded. Say what the tape say now. Entire Mystery is unfolded. Say what the tape say. Don't put your private interpretation to that. Praise God. We nail that one down. Praise God. Hallelujah.

201 ... That's the ministry of that angel. See, it will be so simple, people just over top of it. But yet it will be a perfectly vindicated everywhere. Just be perfectly vindicated. See? Everybody that wants to see it, can see it. That's right.

202 But those ... Jesus said, when He come, "You got eyes you can't see." Isaiah said, "You got ears you can't hear."

See, if you want to see it, you can see it. If you want to listen to man. And they rise up and say thus and so, well listen to him. When you go and listen to your Husband, your Kinsman Redeemer your Boaz, Jesus Christ veiled in the Prophet, then listen to him. Come on, Ruth. You are rewarded. You're not deciding no more. Should I go in the world, or should I become

a Christian? Come on, Ruth. You're not laboring no more with your legalism. Hey Ruth! Come on, Ruth, Pentecostal. That was great! That was good! You got sealed with a birth. But get up out of there, praise God. Boaz is here. Ruth is rewarded with a Person of Boaz. Jesus Christ, your Kinsman Redeemer. Amen. You may be seated. Amen.

466. Oh, yeah. Okay. Question And Answers On The (Seven) Seal [63-0324M]. 466, Thinking about the church ages and so forth.

And he's talking 'bout... He said [64] ...*Church Age* is the next thing and [the] message to the church ages. [Everybody get that clear now? See?]

You declare [65] *firstly got the church ages, [got the] history, laid [down] out [the] Nicaea Council, and found out that the correct interpretation of the Word was exactly with the history. And bring it on down to this [day] age in this Laodicea. And you don't have to—and you don't have a history of that; this is making history now, [see. There it is. And, then, showed what would be in this age.]*

History started for the Bride in 1966. And is twenty-eight years of history of age, a Bride Age. And you're in it. You are called out. This is making history now. There it is, and then it showed that this what would be in this Age.

Now... 473, Questions And Answers On The Seals[62-324M]. Question Eight.

112 ... *Now, Brother Branham, is it true that—that every Jew, born since Christ came, will be saved? And who are the hundred and forty-four thousand? Are they the predestinated ones to be sealed with the Holy Ghost? And what is their mission?*

113 [Now], *there is about three questions there.*

114 *No, Nothing will be saved, (now watch) only those whose*

names was put on the Lamb's book of life before the foundation of the world, Jew or Gentile. That's all. Now, watch. The book holds that mystery, (Book of Redemption) and the book is only unfolding now; not each one's name, but what the mystery of the book is, what is calling those names.

You mean MESSIAH IN THE SHOUT IS CALLING YOU. And that is the Mystery. And that's your name. That's your name, calling you because your name is in the Lamb's Book. Now, there's TWO sections, the Natural Book of every deed except the serpent seed was in there. Your mother, your father, and what you did and what you will do what you're going to do. But there's the other BLOOD SECTION. And you when you were baptized with the Holy Ghost, you were baptized into the Blood Section. And can nothing tamper with that. No devil. No nothing. Praise God. *Where was thou when the sons of God shouted for joy and the morning stars sang together.* Praise God. When they seen the *names* being put down in the Book. And His disciples was shouting because they had power over the devils. Don't you do that. Don't do that. **No, He said you rejoice because YOUR NAMES are written in Heaven.** Oh, let me finish off here. Okay, you may be seated.

But what the Mystery of the Book is what's calling those names. Do you understand that now?

115 The book doesn't say, "Now, Lee Vayle is to be saved in this time of church age or Orman Neville" or whoever. It don't say that. It just shows the mystery, unfolds the mystery of what the thing is.

And the thing of the Seven Seal is, Christ Messiah being introduced to call His Subjects because they left the mediatorial seat and He sent His REVELATION down to His Prophet, in Jeffersonville, 1963, to reveal them Seals. And then he Himself is the Seventh Seal and He stepped into the Prophet, hallelujah, in human skin. Praise God. Human

skin? sure, human skin. Genesis 18 sixteen [16 – Ed.] elements. Come on, Michael, come on, Gabriel. Let's go on down, Abraham has stayed with the Word. And Abraham we know will teach his children what to do also. And they'll stay with the Word. Amen. So come on down. And it must have been a hot day about 12 o'clock noon, come walking down a dusty road. Praise God. And walk right up the line to Abraham.

Now that human skin: buttermilk and veal chops and so forth. Making it possible in Genesis, for Revelation human skin: pinto beans and onions, and cornbread and so forth, cherry pie. Not Jesus skin in the middle of the Bible, human skin [in–Ed.] Genesis 18, human skin [in–Ed.] Revelation 10. And human skin, God, the Messiah was veiled. Sha! And reveal what it is. And that's your name. When you see it, and you come from behind those curtains back there, praise, oh, let me hurry up. Glory to God. Hallelujah. Unfolding it now. Amen. You may be seated. It just shows the mystery, unfolds the Mystery what the thing is, but we ourselves by faith, believe it, it. And that's what I said the other night. Amen. Page, Seven Seal, page 570.

The Seventh Seal [63-0324E]

408 Now each one of you in the meeting has noticed what is what a meeting has been.

409 What is it? It's been the Holy Spirit sending down these Messengers [this... these six angels that he said each would be one of the seals. He's telling you here now]. And they have been revealing it to us. Amen. You didn't notice how is dovetailed with the Word, Exactly.

Now you see friends, visions don't fail. They always perfect. Just exactly true. **Now the vision plus the Word plus the history, plus the church ages all blend together.** So, I can truly say that the best of my understanding and according to the Word of God and vision and revelation interpretation thereof is **THUS SAITH THE LORD.**

Now what about us for twenty-eight years? **Have we had a vision? Have we had the Word? Have we had history? Have we had a church age, the Bride Age? Do we have revelation?** Ah? See, oh, praise God. Anyway, I don't know how I got over there. Oh, watchman what of the night? Okay, let me strike that here. What a Former Latter Rain. Phoenix, Arizona. Amen. I think you're tired already. Okay, your mind's going out. **SEE, YOU GOTTA KNOW THAT THE MESSIAH IS HERE BEFORE YOU CAN GO INTO RESURRECTION.** I'm only trying to tell you. How can you go in the **RESURRECTION** or **RAPTURE** if you don't even know **Messiah is here. Messiah is REVEALED WORD. That's your Mate. Not no man. Christ!** Amen.

Former and Latter Rain [60-0303]

Former and Latter Rain. We find out the Light in the evening time. Zechariah 14:7.

[27] ... "There'll be a day that won't be called neither day nor night. but in the evening time it shall be light." What kind of a Light? The Light of the same sun that beginning in the east will shine the west at the last days. The last hour of the day, and the sun shall shine over here. The S-O-N shall shine over here. [And then we had a turn] we had a little evening light. But what's the order? Isaiah was perfectly in scriptural order... [spiritual order] to the morning cometh and the night also. Did you notice that the morning cometh and the night also." The morning cometh [and] "Watchman what of the night." When we see these things that Jesus said would become to pass in the last days and He predicted the last generation. We see it physically: Israel in the physical, the signs physically, the world's sinking, the atomic age, the end of the age, the end of time, and we see it in the handwriting anyway everywhere; it makes us call out Watchman, what of the night?" We have a Watchman, a Watchman has climbed the ramparts of Glory. The Holy Spirit was sent back to tower

in [a man and a woman] who would believe God. That's the watchman, the Holy Spirit sent to us a Watchman that watches over us. He is, our Guardian. The Holy Spirit was sent to lead man, to be the Watchman of our soul. Exactly right. Man wasn't to watch one another; [amen] It was the Holy Spirit to watch over us. He's our Tutor. He's our Teacher, the Holy Spirit is to teach. Then we cry out to the Holy Spirit, Looking at these things.

And the Holy Spirit with the crying out for whole year here. And we're crying out this year. 1980 and 1993, New York City is, "Watchman, Watchman, what of the night? Where are the Dynamics at? Where is the Holy Spirit, Watchman? Where is the signs and wonders and miracles, Watchman?" He's here! Cry out! Amen. "What of the night?" He says, just he just said, the morning cometh, you may be seated, and the night also. What is it? Okay. He said, now watch. He said, the morning cometh, amen, and the night at the same time. Did you get it? morning and night come at the same time. Watch what takes place then. First, you see in the daytime, I went over this October 17th.

28 ... First it begins the break day. And then before [the real break of day comes. It gets real dark]. The darkest has been all night and then it breaks day. Did you get that? Watch in the morning; It'll start breaking day, and then it'll get real dark, and then it'll break day. But first is breaking day, [first is day] breaking day, then night, and then the breaking of day. Oh, hallelujah.

We've had that first little Light, 1946. The Angel come to the Prophet. **It broke day!** First Pull, Second Pull; **Day**, little Light. It shall be light in the evening time. Praise God. Amen. And then all of a sudden, right in 1956 or so, it's getting dark; Elvis Presley, *I Love Lucy*. Everything else blacking out America, television, everything else and it got dark. And a Prophet of God said in, 1956. Either this year America will

receive or she will not. And she went into total darkness. Praise God.

And look at it now. When he opened up Seals up, demon powers came up from hell upon the Earth. Hallelujah. Walking up and down to earth in people. **AND ONLY THE THIRD PULL THE WORD OF GOD PREDESTINATED, CAN PULL YOU OUT OF THERE.** Praise God. **Hell has been created on earth now. Run for your lives, young people! You don't have time to hang around here and try to figure it out. Run for your life! Praise God.** Satan's hound is after you, the hounds or hell is on your tail. Praise God. Because they smell blood on you. The Blood of the Lamb is on you. They're trying to defile you before they can catch. **Young people, the blood is on you and the hounds of hell can smell it. Come to God! Come! Come! Come!** Don't delay. Okay. May be seated.

In the night, amen, Malachi 4 coming with the sign of discernment. That little light, the night begin to come right back in to bring in night time. 2 Timothy 3: all intellectuals and everything else in Isaiah 61: 1 and 2 at that very hour. Rise, shine Thy light has come and shall be seen upon you. Hallelujah. The light of Malachi 4 message is risen upon there. Amen. **Bride promises to be fulfilled when night time is here;** when it gets dark, when it gets demons, you can hardly figure out, you could only pray. That's when not to faint, you'll be strong giving praise to God because your blessing is almost there.

You Ministers boldly tell people, Come on, come on. You can do it, stand there. Don't give in, oh, given wishy washy gone up spirit, stand up like a man of God, full of the Holy Ghost. Call a devil a devil. Praise God. Call black, black and white, white and sin, sin. Say it, do it Amen. Praise God. Okay, alright.

Behold, may be seated, darkness shall cover the earth. Do we believe it? and gross darkness on the people and that's why you

see these people out here like that they can't do anything else. They wish they could be sitting there but there's gross darkness upon 'em, all full o' crack and dope, narcotics staggering around and darkness, gross darkness.... And here you been elected to Eternal Life. How can you give it up? Oh, alright. May be seated.

Let me hurry up here. At that time the Lord shall arise upon thee. His Glory shall be seen upon. What glory? Shekinah Glory from the backside of Only Believe, **Manifested Reality Abiding Glory Vindicated Voice Word**. Amen. Okay. There... you may be seated. There's your morning star hanging there, reflecting oncoming and S-O-N.

And the darkness is as dark and black as it's been all night. And the people in the church in total gross darkness. And that time, December, 1963, there was a total lunar eclipse, and they caught six phases of it [Six phase pictures of total lunar eclipse—Ed.]. And Brother Branham already drawn out on the blackboard. The Angel of the Lord come down and drew on the blackboard here, and the light here reflected to the back there and drew it right out. Amen.

And then 1963, the Lord permitted to be in the heavens. And it was exactly as the way he as Pillar Of Fire had drawn it out. And therefore, but the Seventh Age was a total blackout. But that Prophet, that Seventh Seal veiled in him, stood out there and do a sliver for the Seventh Age, and that's you and me. And these ministers, these Oneness storms, Brother Lynwood, Brother Fred, these bunch of Oneness, One –Oneness storms they need to be blasted out of South Carolina. Getting into God's way that Prophet stood out there and drew a sliver of light for them. If they would come to it. If you will inquire, inquire. Come ye come. But they rather hang back in the old Oneness storm. Yes, sir. Oh, amen. You are in that little sliver, that little crescent in the Seventh Age. May be seated.

Then the Pope entered into Jerusalem and the moon which is Jerusalem blacked out. Amen. I ain't got no time for it now, I was gonna get into it here. And then the moon is Jerusalem, you know that but not the New Jerusalem. Amen. And then the Pope went into Jerusalem and blacked it out looking for fellowship, amen, in the Seventh Church Ages and the whole thing. Then a shadow of the world crossed over the total eclipse of the moon. And she was blacked out in 1963. And then a Pope went into Jerusalem in January '64. Before the Pope went out, in Laodicea was blind, then darkness. And he said, "what is it?" The separation of light from the darkness of the wheat from the tares. Amen.

And then the Pope even came and went into New York. In October 9th, I believe it was, 1965. I got it somewhere here. And he went to New York. And (excuse me) and—and he did thirteen steps. Thirteen, thirteen, thirteen and everything else and... I look for my note here. Slip—slip by here somewhere. One In A Million. Amen. Okay, so anyway. Shalom. Praise God. Oh, here it is. Okay. Amen. He said on The Rapture tape, Yuma. He says, isn't a strange. Paragraph 60.

The Rapture [65-1204]

60 Isn't it a strange thing, that, not long ago, on the East Coast, the big blackout? They couldn't understand it. Texas blacked out, last week. They can't understand it. Don't you realize that that's a sign? Don't you know the nations are breaking? Israel is in her homeland. And these signs are indicating that we are at the end. The same time it's blacking out, don't you know that's a sign that the Prophet said?

Watch. When it blacks out. At that time, there shall be Light about the evening time. Do you get it? What you full of fear for? Fear not, little flock. Father's good pleasure to give you the kingdom. The Prophet is saying here. May be seated.

.... there shall be Light about the evening time," that there

will be a Light come forth in the evening time, when the blackouts and things are going the way they are now.

61 Look at just how it blacked out.

The light came because the Pope come and the moon blacked out and then here come evening Light. Oh, my.

... The pope just come over here. Remember, up at the tabernacle,

I guess you all remember here. The Church Ages, he goes over and said:

And... that Holy Spirit didn't come down in a big Pillar of Fire, and went right back there on that wall and drewed them out, Hissself, while three or four hundred people setting, ... And just as the pope started over here, the moon somehow blacked out. And they took their pictures the same way that it was drawed up there on the platform. Now he's made his trip over here on the thirteenth, walked thirteen steps, served communion to thirteen, to a nation that's number thirteen, and blackouts coming everywhere. Don't you see where we're at? We're at the end time.

And why did he die in Texas? And why did he go in the ground there? The accident down in Texas. There shall be Light in the evening time. A blackout in Texas. And there was the full Light in Texas. From the west will come forth the white horse rider Yes, sir. Praise God. Oh, my. Church. So here we are. Amen. Seven Seals. Okay.

Alright now. So we see the RAPTURE, the Pope we understand all about the blackout from the west and so forth. Isaiah... Okay, now here, the moon's have another... here it is, a total eclipse. And on... I read here last time, but some of you wasn't here. I read again to you. If is there any constellation on November 13th and 14th, Mercury will be a magnificent conjunction with dazzling Venus. That already took place last weekend. Amen.

Look on the south... southwestern sky at the sunset. But if hunting for planets and twilight glare sounds too much like work, try the total lunar eclipse on November 28th, seen from the entire United States. Earth's shadow first invades the moon, now 11:40 pm Eastern Time, and totality begins eighty minutes later. So, it'll be in the heavens next week. And we thank God for three manifestations in New York City: September 19th, October 17th, November 21st. So let them black the moon out the Church or whatever, 'cause the Dynamics is here. The darkness is here and so is the Light. Rise and shine for thy light has come, and we are declared it to be so today. Yes, sir. Amen. Glory.

And we just read here, amen. You may be seated. Thursday November 18th, New York Times and New York Daily News, the Vatican, Israel near diplomatic accord, amen, in a total lunar eclipse. And then the Pope was in Denver, Colorado for the young people. And they coming back here to New York State next year for young people again. And God already got the young people out. Hallelujah. It's going on right now in front of them. Did you see them young people last night? *Alla nase bot tierra*. Praise God. *All nations, praise God, shall worship before we enter into Jerusalem, is going on now*.

THE RAPTURE IS AT HAND! THE RESURRECTION IS HERE! Come on you, young people! Come on you, Calebs! This is your hour of thy Power. Sha!! Did you get it? The Pope come out of Denver, Colorado for the young people. And immediately next Sunday. The moon blacks out. Hallelujah. Same thing in '63, '64. Moon blacked out and the Pope entered into Jerusalem.

And now 2 Timothy 3 spirits that came after the Prophet went forth. They came to deceive, they came to say its only Six Seals, they came to say the Seventh Seal is close. You liars! It's open. I've seen my name. Banging, One-Two-Three- Four-Five- Six-Seven. You bunch of liars! Praise God. You bunch of 2

Timothy 3 spirits. Your day is finished! Finish! Finish! Amen. Now. Yes, sir.

Okay, church. **What does this mean, when the Moon blacks out? What does it mean?** Oh, hallelujah. I can hardly hold it. **It means that you will be given the MORNING STAR, hallelujah, to reflect the oncoming S-U-N, S-O-N to be a witness to the world that Jesus Christ is here. CHRIST IN ME THE HOPE OF GLORY.** At this very hour, you'll be given the Morning Star. Sha. Amen. May be... may be seated.

The Vatican Israel near diplomatic accord. The Vatican said yesterday. It is near agreement with Israel on establishing diplomatic ties, which would clear the way for a historic papal visit to the Jewish state.

Do you want to hang around? You waiting for the Seventh Seal to open? Waiting for some man to come and show it to you? Or you depending on the Tutor? The Holy Spirit. Yes, sir. Oh, my. Well, I don't know I'll never get finished with here I am. He may be seated.

Well, I'll say this to you. The Morning Star's ready to be given to you. **SHALOM. PEACE. GOOD MORNING, BRIDE MORNING STARS. GOOD MORNING.** Amen.

Brother Robledo was preaching the other day and when—when my mother passed on to go to glory. Mr. Washington, Pentecostal brother, he... I asked to give a remark. He—he gave one minute. He says, Mother Coleman was of the moaning women, the Old Testament women. He said, my God. He said, Goodbye world and Good Morning Glory.

So, I say, **Goodbye world, and Good Morning Glory. Shalom. Peace. Bright Morning Stars.** We are leaving this whole world. Hallelujah. Glory to God. Goodbye world, power. We go to Glory. Don't worry, honey. God's got a home in Glory for you. You may live in a back alley. You may not have no food. Hallelujah. You may not have no job. But God's got a

home in Glory for you. Don't you give up! Keep pressing! Keep pressing! Keep moving! Keep moving! They call me all kinda names. They say all kinda things. I don't care what they call me as long as I hear a voice, "Come up hither." That's all I want to hear a Voice. Sha! Oh, glory. You may be seated.

Man! We're going out of here. You got it. When we see darkness settling just before day, we know the morning star is hanging yonder to introduce the coming sun. That's when the morning star shines, is the going in between the real darkness and the breaking of day, that the morning star shines his brightness; is always darkest just a few minutes before day is become... is because the light is pressing the darkness.

And you brethren and watch you ministers. Watch, now when the Dynamics, the Light strikes the groups and watch that darkness of 2 Timothy 3 hiding in there. When that Light strikes in there, He's the same yesterday today forever. Watch it push the darkness to the side. And the Light take over the groups. Praise God. It shall be Light in the evening time, although gloom and dead and we all going to die out, and ain't nothing going to happen. Oh, yes, there is. **THUS SAITH THE LORD.** The Prophet said it. **THERE WILL BE A BRIDE. Amen! Amen! Praise God. Hallelujah. Glory. Sha! Glory of God. Amen. Amen. Amen. Final amen is here!** Oh, rise and shine. My God. Hallelujah. Oh, my, my, my. Yes, sir. Thank you, Jesus. Hallelujah. Glory to God. Sha. Amen. Something is moving. Amen. Oh, hallelujah. Yes, sir. We are on the beam now. That groove, that groove is here. Huh? Let's strike that groove. Yes, sir. My. Okay, may be seated.

2 Peter 1:19. Read it before. *And we have a more sure word of prophecy. Where to you do, what you take heed as until a light that shines in a dark place until the day dawn. and the day star in your hearts:*

And we have Malachi 4's Vindicated Voice Word which is

A MORE SURE WORD OF PROPHECY UNTIL THE DAY DAWN. Until the Morning Star comes when is gross darkness and darkness. We got a promise of the Morning Star. Don't fear a little sister. There's a man that can turn on that light. **We got a three-way bulb: one turn the Shout, second turn the Voice, third turn the Trump of God-the Last Trumpet.** Hallelujah. Yes, sir.

Okay. Revelation 2 as I promised there. Amen. Yes, sir. Preach it, brother. Amen. Hallelujah. Amen. 228, and I will give him the Morning Star.

The Thyatirean Church Age

And he that overcometh, and keepeth my works to the end, to him will I give power over the nations:

And He will rule with a rod of iron as the vessels of potter shall they be broken to shivers: even as I received of My Father.

And I will give him the morning star.

Oh, hallelujah. Friends do you believe that God keeps His word? Okay. The Prophet said on a Former And Latter Rain [60-0303].

32 And remember what happened just before the coming day, of day. When the dark time comes, then the morning star comes out and is the brightest stars in the heavens is the morning star. Oh, don't miss this now. The morning star comes out between that little light spell [just spoken to you] and the real breaking up day. And as soon as they get real dark just before the break of day, the morning star shines his brightest.

What a promise for this hour. As soon as they get real talk, just want to break that day the morning star shines is brightness. What's it doing? is reflecting the light of the coming sun. Do you get it?

Science says, that the reason it gets so dark is because the light is pressing the darkness. It's congealing together, [because day is coming on and darkness is finished. Yes, sir]. It makes it so dark is the oncoming light. Who is the Light of the world? Jesus. Oh, not some United Nation ... [program, something like that]. Get your mind off of it. Get your mind on the coming of Jesus. What is it? The Morning Star?

Now, here's our promise.

33 Let's go over here to Revelation [2:28 here.] (...) "He that overcometh will I give him the morning star." The Bible said that. What is it? A overcomer, one that's overcome the world, overcome self, overcome pride. I'll make him the morning star. What does it do? I'll shine him up and set him up there. by My oncoming power, will reflect My Presence. (Hallelujah.) in the darkness. He that overcomes, I will give the morning star. What's the Morning Star set there for? To reflect the sun coming. What is the morning star? Is the sun shining against it, reflecting the presence of the coming of the sun. It's a brightest thing in the heaven.

Did you get that there? When you see the first Morning Star is given to somebody who has overcome and begins to shine then you know that, that is RAPTURING GRACE, RAPTURING FAITH. And Seven Thunders give faith for RAPTURING GRACE, the Morning Star. Yes, sir.

And is one... that you're going to see, may be here in New York and may be down in Marion, South Carolina, may be in Tucson, may be anywhere. But somebody is coming forth. Let that be you my Christian brother, my Christian sister. Yes, sir. May be seated. The brightest thing in the heaven ought to be today. And today the minister or the Christian or the spirit-filled man that's so filled with the Holy Ghost till he's forsaken the world and everything. Goodbye world. Yes, sir. Hallelujah. And God has reflected His light coming through him warning the world that

the approaching S-O-N, is at hand. Oh, what an hour!

Closing I may say, watchman what of the night. The Morning Star, may be seated, will reflect it. The Morning Star will... if the Morning Star don't reflect and that moon goes off in next week, it's nothing left. Only thing we have left is Malachi 4's Message, and it stayed sunlit for Twenty-Eight Minutes.

Now twenty-eight years is got to be in somebody or just total chaos. Total chaos, finish. But Malachi 4 put that message there and somebody gonna pick it up. Yes sir. Amen. So, I'm saying to you, I haven't started preaching yet. I am just exhorting you. Amen. Amen.

So I exhort you, Brother Branham... by Brother Branham, don't turn your lights off. Don't turn your alarm off. If you getting smothered up and your eyes is dimmed out with the things of the world. Polish yourself Morning Stars. Take the sin out of your life. Get the unbelief away from you, that the Son of God in Him coming. He can... you can reflect His Presence, reflect Jesus in your neighborhood. All you Morning Stars, that's one of His Watchmen that He's put in the tower, one of them. I say this tonight of the oncoming son, S-O-N is approaching, reflecting His Coming. There you are. Believest thou this? you may be seated.

Do you believe that God keeps His Word? You believe that God keeps moving on? Huh? Yes, sir. I believe that too. And your new book, you just got it out. God Keeps His Word, April 7th. **Now remember unfolding, the mystery unfolds.** And Brother Branham unfolds the Mystery, is that correct? This unfolding and unraveling, not John Jones or Jim Johnson, but **WHAT THE MYSTERY IS, IS UNFOLDING.** Huh? Okay. Paragraph 87.

87 God's Word we're unfolding, and we must unfold as God's Word unfolds.

88 As time unfolds, signs of the natural world, this man is the

same man he was six thousand years ago, when God made him. He is the same intellectual, he's the same intelligence. He's just the same man with [five] same, five senses that it was thousands of years ago. [But] look what progress he's made in the last fifty years. Look what that fallen son of God has did. He's inventing automobiles, radio, electric lights, atomic bombs, jet planes. Look how fast. The pages are turning fast in science.

*89 But [what are] are we trying to linger back on some old church creed, [What some man said, or what their Prophet said? Those promises. Yes, sir.] **And stand there when God wants us to unfold the Word.***

The Seven Seals, Seven Thunder Word is in you. He wants you to unfold it. Minister preach it. When you preach It, you unfold It. And the people shout, say amen. Praise God. And the people are set free. And the moon was all for the Bride! And the Morning Stars begin to shine. And they begin to overcome. They begin to add to their Faith, Virtue and Knowledge and overcome and Patience and Temperance and Godliness and Brotherly Kindness. Then I'll give you the MORNING STAR, CHARITY. And down comes Charity and seals you up with the Morning Star and you're walking around in RAPTURING FAITH. **Because you UNFOLDED the Seven Seal message in you.** Hallelujah. Okay.

... We live in a time when God's beautiful Church ought to be standing on Its shining like the Lily of the Valley.

90 ... But we back, some, "Well I belong to the Presbyterian, the Methodist, the Pentecostal, or I'm in this [interpretation, that interpretation in the message. Amen.] I am this or that." Oh, what a disgrace.

You may be seated. What a disgrace. Watch. Here's why I'd stay with the Prophet,

*91 **We should be unfolding.** Watch. God Spirit pouring out.*

Not just one little gusher. [When you came to the message, you were like a dry pea now? Praise God.] *Not one little baptism; but **baptism after baptism!*** [Hallelujah, back to the book of Acts. The whole building shook when they come together. Amen. You may be seated.] *Not a revelation that “just shall live by faith” or sanctification” or “the gift of the Spirit.” **But, revelation after revelation.***

Seven Thunders give Faith. Hallelujah. The lowering Headstone reveals the Thunders, hallelujah, releases the Thunders. **And the Thunders reveals the DIVINE NATURE.** How can you get Seven Virtues unless the Seven Thunders reveals it. And they fight around the world. Brother Coleman says, Seven Virtues are Seven Thunders. Thou fool! The Bible says don't call you fool. But don't you know that, **THAT IS THE CHARACTER OF GOD.** And 2 Peter 1. Don't you know that that is a **STATUE OF A PERFECT MAN.** Don't you know that, that is the man that's gonna be an Eternal Church Age?

And how will you get The Building Materials unless it Thunders, praise God, in the Message and then you add it, hallelujah, to that Man. And you come up **A STATUE OF A PERFECT MAN** and you're sealed away with the True Baptism the Holy Ghost; the Token displayed. The Dynamics to your Mechanics, a living moving statue, idol, ??.

... Revelation after revelation. Oh, watch. You may be seated. Power after Power. Glory after glory! [changing from glory to glory to glory to glory!] (...) *And we're lingering back down in the old things and saying, “Well?” We keep going back. Let's go forward!* [He said]

94 Oh, blessed be His Name! “He's the same yesterday, today and forever. The dispensations change, times change, people change. But, God remains.

It's the good land, God give it to you. Take your land. Your

promise. My my my. God keeps His Word. Okay. I don't know whether I'm supposed to do this or not? Amen. So, I'm way past time here. Amen. I don't know. Yes sir.

Well. End Time Evangelism. You may be seated. End Time... okay, thank you, brother.

End Time Evangelism [62-0603].

Paragraph 49. *The last commission he gave to this church before he received up in the Glory. Go ye into all the world.*

Amen. I'll skip along. See, and his disciples, they had a testimony that they had seen the Lord and the others didn't believe it. So, amen, so ten disciples was there in the room when he came and they seen him. Thomas was not there. And their testimony was, we have seen the Lord. Thomas was there... not there and they gathered on Monday. That was Sunday. And Thomas... he heard about it. He said, I don't believe it. I refuse to believe it. You did not see the Lord. Tuesday, Thomas said the same thing. And Wednesday and Thursday and Friday and Saturday. But Thomas has seen that faith of those ten disciples, so he kind of sneaked around Sunday morning, Then came Jesus. Praise God. Thomas, you believe because you see! But blessed are ye who believe nineteen years ago and did not see. And now you're being blessed. Praise God. Now come on, Thomas! It's almost a little late. But come on in anyway. Come on, Thomas! Praise God. Okay, you may be seated.

So, therefore Thomas had... I mean, the ten disciples had to give their testimony. Amen. They had the testimony they have seen the Lord and the others didn't believe it. And he upbraided them because their hearts, have their heart just like the Message now. They didn't believe these people who have seen that he was not dead but alive. Raising the dead and casting out devils and pouring out the token on the young people, not dead. He is alive and they don't believe your testimony. But they will now,

‘cause that moon is ready to black out, brother. They be running, give me some oil. Praise God. You may be seated.

Okay same thing today when you see his work. Now we have already seen and in our witness in the appearing of the Lord. Now remember appearing and coming as two different words. To appear and then to come. Now It's appearing is already appearing in these last days right here with us in the last few years. Now it's a sign of His Coming. Did you get it? When God appeared in Malachi 4, 1946 through there, up to '65, that was a sign of His Coming. The Ark was a sign that it was going to rain. But Noah didn't listen to the critics. God said, **“It will rain!” Hallelujah!** And he said, **“it will rain!”** The critics that it won't rain. And a hundred and twenty years later it rained. And Malachi 4 said, there will be Dynamics to the Mechanics. There'll be Dynamics to the Mechanics, Dynamics to Mechanics. The critics said, “we got it when we believe it.” It will rain. And now it's raining. Glory.

So church, if the... I had to cut it off. If the Coming of the Lord is The Last Trump- The Trump of God, The Seventh Trumpet, Moses and Elijah coming back for 30-40 days to Israel. What is The Voice of The Archangel? Will that be His Appearing? Or will it be His Coming? I'll leave it on you. Will he appear in His Bride? The Voice in the Bride. There's quotes on it, you know?

The Voice of God will be in the Bride. Amen. And what the Spirit said the Prophet said, what the Prophet said, the Bride said. Once more the world will hear direct from God, as at Pentecost, and the Lord Himself, Saint Mark 16:20 shall go with that Bride appearing in that Bride wanting the world shining like a Morning Star, hallelujah. The Coming of The Lord is here. Come out, come out! He's here! Glory.

This is a sign of His Coming. He's appearing in the Church in the form of the Holy Spirit like you did in Malachi 4, will he

appear in is Bride. Because people cannot do these things that you see the Holy Spirit doing. So that's the appearing of the Lord. Now remember, spoke both places appearing and coming. God bless you. Oh, my. Sha. My, my, my. The Voice... Shalom, Peace. May be seated. The Bride will have the Ministry of the Morning Star. You all know that. Amen.

Watchman, What Of The Night? Okay. Watchman, What Of The Night? Lakeport, California. Amen. I'll skip on down.

53 ... God's getting His little group ready, letting the Morning Star shine upon them, as we see the approaching of the Lord Jesus. Seeing the ministry come from, "Just live by faith," Martin Luther; sanctification, Wesley; the baptism of the Holy Ghost, Pen... Pentecostals, the restoration of the gifts. And now coming into the morning, that Morning Star begin to reflect, and all the churches pulling out every church, every nation, every people, a Bride in His name.

O, God, their hearts are filled with joy; they're happy. They are set in hot buildings; they walk in cold weather; they walk through rain, sleet, snow, anywhere; "For where the carcass is, the eagles will be gathered. My sheep know my voice."

The Voice of God. The Holy Spirit. You have to... **we have to blend into the Holy Spirit which is here now.** And we ought to be Jesus Christ in action. Amen. So, friends, you may be seated.

So, we have to overcome. Overcome what? Overcome unbelief, overcoming anything within ourselves, that we might overcome ourselves, that Christ might live in us. Overcome yourself, your thoughts, your ideas, your thinking, overcome the world, overcome all things and then I will give him the Morning Star to reflect that Light. What light? the light of approaching sun. And what... when does that bright morning star shine? not through the night, just at daybreak just before the day that approaching sun brings forth

that light. And we are here.

Oh church, make your calling and election sure, that you become part of that Seven Thunder revival to put you into the RESURRECTION and then into the glorious RAPTURE. Ay! ... A-men. Hah! Sha! Would you like to hear what it sounds like to be over on the other side. Huh? And I get a chance to get a cup of cold water. Brother Norman. God's Provided A Place Of Worship. Shreveport, 1965. Brother Branham will take you to heaven.

[Extract from God's Only Provided Place Of Worship [65-1128M]. Shreveport - Ed.]

20 And as I see all of us, the three of us, getting, creeping up towards the aged, the end. It'll be a very sad thing if we didn't have placed within us that great thing, what we know is Truth. We're just fixing to turn back one of these days, back to our young manhood again, to never...our bodies transformed, made into His likeness to stand. "For when this earthly tabernacle of our habitation be dissolved, there's one already waiting."

21 And the thankful part of it, dear friend, that the dear Lord Jesus...You who trust me to tell you the Truth; the dear Lord Jesus, one morning about eight o'clock, let me see that Land. Now, it wasn't—it wasn't a vision; but I don't want to say that. Ever what it was, it was just as real as I'm speaking to you here. Now, I seen the faces of those people, and I couldn't recognize them, they had turned back young again. And they was just real as...I'd hold their hands and things. Just as real...

22 And it helped me, because I used to have an idea: when a person died, just their soul went off. But then when He quoted that to me, that "If this earthly tabernacle of our habitation be...we already have one." See? And we got to have everything in threes, to make a perfection. See? And there's

one body here, then that body there which is the—the celestial body, and then the glorified body in the resurrection. See, that makes it complete. See? So it's a...It's not a myth, it's not an idea, it's not a spirit. It is a man and a woman like you are, just exactly.

23 And then, years ago, I seen the regions of the lost, and was there. I tell you, friend, as an old man, let me persuade you this, across the nation this morning, don't never want to view that place. There's no way at all that I could...if I was an artist with a brush I couldn't paint the picture. As a minister, I couldn't describe to you. Talk about hell being a burning place, it's a million times worse than that, the horrors that goes with it.

24 And Heaven...or this place, wherever it was, I don't know what to call it. He referred to it there as "souls under the altar." But when it was, I have never...There's no way to explain how great that is. There is...Now, you just have to take my word, I'm just a man. See? But these visions that's always come to pass just as I have told you, and you know they everyone has been true, that is true also. Whatever you do, if you miss everything else (health, strength, your eyesight, whatever it is), don't miss That. There's nothing can compare with it. It's...There's no—there's no word in the English language, that I know, that could express it. If you'd say "perfect," it's beyond that; "superb," it—it's beyond that; "sublime," ...There's no—there's no words that I know that could express it, because it was so...And then, to think, that isn't the end of it yet. I thought, "Me be afraid to come to this?"

25 I said, "Do you eat?"

26 Said, "Not here. We don't eat here, but when we go back to earth we'll receive a body we eat in."

27 Well, I could feel them. They was just like that. See? And

they...I said, "Well, you have..." Oh, yes, they have a body. It's just not a myth, it's a body. We know one another. They all knowed me, were hugging me, millions of them.

28 And I said, "Well, I want to see Him Who brought me here."

29 He said, "You can't see Him now, you have to wait."

30 I said, "Why did you put me on...up here?"

31 Said, "You were a leader in life."

32 And I said, "Do You mean all them's Branhams?"

33 He said, "No! That's your converts to Christ." See?

34 I looked around, and then all the hard nights, and the trials, passed away, when I could see their faces. A young woman run up there, one of the most beautiful women, and she just threw her arms around me, and said, "Precious Brother." And when she passed by...Now, she was a woman. So...But in there, there'll never be sin. See, our glands are changed there. They won't raise children no more, there. See? See, all the same

35 What makes the difference, the sensation. That's the reason I don't believe in dancing on the floor. No man...I, before God and my Bible, I've lived clean, as that way through my life when I was a little boy, all through my young manhood. Any girl I ever went out with, I can walk right back to the Judgment with her. See? But there's no man, I don't care who you are, can let a woman (in the make of a woman) hug herself up close to you; if you're a true healthy man, there's a sensation. But it wasn't there; there's no glands. You're all the same gland. See? Just pure, unadulterated sisterly and brotherly love, more than it would be for your...even for your...hug your own little daughter. See? Your own daughter, yet she's made...she's female and you're a male. See, it could create something; but There it can't, sin

is done, it's all over. See? Real...just real, holy Love.

36 And I looked at that woman. There was...looked like millions of them there, and they all long hair, and white garments down. And—and this One that was talking to me, said, “Don't you recognize her?”

37 I said, “No.”

38 Said, “She was in her ninety's when you led her to Christ.”

39 “Amazing grace, how sweet the sound.” See? Just no way of ever explaining what it is. Just take my word if you believe me. Be sure to make...burn every bridge of the world behind you.

40 I believe the church is beginning to hear the Message, and begin to understand. But, friends, listen, we've got to lay in the Presence of the Son, we've got to be ripened. Our—our faith isn't ripe. Intellectually we're hearing the Message that God has give us, and seeing the signs that He showed us, and proving it by the Bible, it's there, but, oh, how the church needs to lay in His Presence till it tenders up, you know, and gets sweet in the Spirit so that it can bathe down. Sometimes in speaking the Message, you get harsh, have to break it in like that, because you've got to clinch a nail to make it hold. But when the Church once gets It, the Elected is called out and separated, then in the Presence of God, I know it'll be something like the people was There when It takes Its Rapture.

[Extract Ends. Brother Coleman continues with the message.
– Ed.]

Church say, Amen. Believest thou this? You want to take the RAPTURE? Oh hallelujah. Praise God. God be praise. You may be seated. May I just bring this back. I believe the Church has begin to hear the message and begin to understand but friends listen, we've got to lay in the presence of the Son.

And that's why we've been preaching here in New York City, the Holy Ghost Himself the Holy Ghost Itself. The Token displayed, the Dynamics and Mechanics that is the presence that we have to lay in to be ripened. Amen. We've got to be ripened. Our faith isn't ripe, intellectually we are hearing the message that God has given us. That's why we all broken up. It's got to be a Faith come forth, The Revelation. Amen. And seeing the science He showed us and proven by the Bible as then. But, oh, how the church needs to lay in His Presence till it tenders up, and gets sweet in the Spirit so that it can bathe down. Sometimes in speaking the Message, you get harsh, have to break it in like that, because you've got to clinch a nail to make it hold. (Watch) But when the Church once gets It.

Is it now? Well, they will get it now. Amen. When it once gets it, a Revelation, the Elected is called out (from those church members, everybody else in there) and separated, then in the Presence of God, the Morning Star which will be here and put in there to overcome. Amen. I know it'll be something like the people was there. Which you just heard, don't miss it. Don't miss it. That's my exhortation to you.

Okay. Paradox. You know about the Divine love and so forth. On, Paradox [61-1210].

306 ... Because thou has chosen the narrow path, the harder way, [because that has chosen a narrow path, the harder way,] thou has made... thou has walked of your own choosing.

307 ... [That] has picked the correct and precise decision, is MY WAY.

308 ... Because of this momentous decision, a huge portion of Heaven awaits thee.

309 ... What a glorious decision thou has made! This in itself is that which will give and may come to pass the tremendous victory in the love Divine.

Excuse me. And then he says now, paragraph 311 on, Paradox.

1961.

Now you see what coming down to the Jordan meant? We're down here. Now let's cross over. Let's quit playing. Let's cross the other side now, because it all belongs to us, is ours. Them Visions has never failed. They can't fail because they come from God. I believe it with all this within me. We are not the hireling that will run back into the wilderness. We'll cross the Jordan, the separation. Now watch, God break to us the Seals that's on the back of The Book! [The Seals on the back of The Book God break it to us. It's our land back here. Holy Spirit Promised Land. Seven Thunders on the backside. Let's enter into them now. What are you waiting for? Praise God. Hallelujah. Break to us the Seal on the back of The Book.] Let us enter to this great place now for Joshua divided to the people their inheritance that God had left for them.

Oh, Fourth Seal [63-0321], Page 304.

180 ... Wait till them Seven Thunders utter Their voices to that group who can really take the Word of God and hand it there. It'll slice and cut. And they can close to heavens. They can shut this or that whatever they want to.

May the Lord richly bless you. Shall we stand. Glory? Hallelujah. I know you're tired. Give me a key for, *Amazing Grace*. Amen. Are we finally here? Praise God. A portion of the Bride gathered here in New York City, where just as the moon begin the blackout on November 28th. And the church and the world is in darkness and gross darkness and the Bride morning stars are ready to shine, saying, Shalom. Peace. Peace. Hallelujah.

[Singing: *Amazing Grace* - Ed.]

I won't be long with you. Oh, one more time. Glory. Oh, glory. Oh, every head bowed as they keep playing. We have a prayer request here. Brother Rudy Dalton. Please pray for my wife, Sister Dalton for refilling of the Holy Spirit and healing in

body. And then Brother Henry Andrews from Czech Republic, his mother-in-law has... a situation her hip bone condition and a swollen leg condition it will not heal.

And we would like to pray personally for Brother Branham's Brother, Donnie Branham. Sister Rebecca and Brother George are going to drop off and see him. We want to pray for him. He's about 50 pounds. He's Brother Branham's youngest brother. He has one more brother left and one sister, Dolores. So, would you pray for Brother Branham's brother? Amen. He's in a dying condition, Brother Donnie. Every head bowed.

Almighty God. Father, I stood up here over way over an hour with these comments, trying to exhort the people that you gathered, I'm here Lord, I'm trying to get to them. It's finish, is over. I don't know how to do it. Amen. I have tried my best, Lord, that they will get the reality of God of the coming of the Lord. So, Father for a few moments now I can't go through all this message. But I'll just cut off Lord where you cut me off. Amen. Now Father may You freshly anoint me. May the Holy Spirit sweep down now. Oh, hallelujah. Praise God. And Father as we feel your presence come up now. May it out to Sister Emma Dalton for refilling of the Holy Spirit and a healing in her body. May the Angel of God touch here now. Amen. Praise God. And Lord, may You go way over to Czech Republic, Brother Henry Andrews, mother-in-law and his handkerchief here. Lord God may You anoint it. May his wife take it back and place it on her. And he take it back and, amen, . place it. Sha. Amen. Anoint this handkerchief, Father, may he go back and place it on her and may that hipbone condition be totally healed and a leg swollen may that be healed.

And, Lord God, also, praise God upon this handkerchief here. May Sister Rebecca take it back to her uncle Donnie Branham. Yeah, my God, may You anoint it. I wouldn't care if he weighed five pounds. Lord God, with GOD, nothing

shall be impossible. Hallelujah. And Lord God, his brother labored for you, Lord for years on the field to bring us and now Lord God, may You have mercy and grace upon his youngest brother, Donny. Hallelujah. Hallelujah. We curse and condemn that cancer in his body. We don't look at his condition. But we look at what the Word of God says hallelujah, praise God. May he be totally completely healed as Rebecca lays this cloth upon his body. We commit it to Thy hands now. Amen. Praise God. May You anoint it.

May You anoint the people now. May You anoint me. May You anoint the Word for a few moments. Hallelujah. Lord, God, we pray and ask the blessing that you would pour out the Holy Spirit, for healing, for sealing, for refilling, for signs and wonders and miracles. And we'll be careful to give You all the praise and glory for we ask it in Jesus name and His sake, amen and amen and amen.

And the Church say, amen. Glory to God. Amen. Amen. I invite your attention to Romans 8, 1 Corinthians 15. Amen. For a few moments, I know you're tired, but you're not as tired as me. Amen. Praise God. Alright. Brother Coleman, what in the world are you doing? I don't know. I'm gonna find out now. We find out what he's doing. Amen. Romans 8:28:

28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.

30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.

31 [And] What shall we then say to these things? If God be for us, who can be against us?

Hallelujah. 1 Corinthians 15: 51:

51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,

52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

53 For this corruptible must put on incorruption, and this mortal must put on immortality.

1 Thessalonians 4. Amen. Praise God. Yes, sir. And for the 14th verse.

14 For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.

15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

18 Wherefore comfort one another with these words.

May God add a blessing to the reading of the Word. You may be seated.

Alright, for a few moments. Praise God. So, you can go home and catch your planes and so forth. Have a little something to eat. Amen. Okay. Are you alright? Are you ready? Are you ready for the battle? Hallelujah. Okay. Brother Norman, I got a title. You may be seated. Abiding, Shekinah Glory Is Now Here, Not Long Then To The Rapture. This concludes the messages from the backside of, *Only Believe*. You may be

seated. Amen. Praise God. My subject is, *Changing From Mortal To Immortality*. Now we are reflecting on the RAPTURE at hand. And—and Revelations 16:15.

15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

Amen. 2 Timothy 4:8:

8 Henceforth there is laid up for me a crown of righteousness, [Amen. A crown of righteousness,] which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.

Amen. Now you love His Appearance. He's appearing now, He wants to appear as a Holy Ghost, just before the coming of the Lord. The Last Trump, the Trump of God, the Seventh Trumpet shall sound. He said, I could almost see that Angel. Page 4 or 5, Six Seals, standing there with his hand, raised up at the last of the Seventh Angel's message, *Time Shall Be No More*. Do you love His Appearing? Hallelujah. Okay. May be seated.

It will be a sudden secret coming, going of the Bride into The RAPTURE. Amen. **So, we must be sealed up with the True Baptism of the Holy Spirit. We must be adopted, placed positionally and have The Token on display. It will be like the last Act or the final Act of the great drama. THE VINDICATED VOICE WORD WILL REVEAL THE GLORY PLANS FOR THE RAPTURE OF THE BRIDE.** Hallelujah. Amen. It can come in almost any time. And we're there now. We already in the Coming. The SHOUT, The VOICE, almost time for that Angel to Thunder out. TIME SHALL BE NO MORE. Hallelujah. Amen. It will be a SPECIAL TIME called, **The RAPTURING TIME**. May be seated.

And the RAPTURING TIME is the ADOPTION TIME. RAPTURING TIME is a SEVEN THUNDER

MANIFESTATION TIME. I didn't say, Seven Thunder Inspiration. I say, Seven Thunder Manifestation. Hallelujah. So, therefore ministers understand what I've been saying for nineteen years. Seven Thunder inspiration, not manifestation, but they will be a manifestation, hallelujah, of the inspiration and the manifestation will vindicate the inspiration. Yes, sir. So, I'm free. I'm exonerated. I'm clear. I'm finished. What Thunders you're preaching? I am preaching Malachi 4's Thunders. Which ones are you preaching? Yes, sir. Praise, there's only one Amen. May be seated.

RAPTURING TIME is the time when the latter rain pours out. Hallelujah. And he said on, *Exploits Of Faith*.

[Faith, 53-1213E]

*We on the verge. Chicago, '53. Brother, somebody's come back from Canaan. Didn't the Prophet tell you, we down here now quit playing. **God break to us The Seals on the Backside.** Somebody has come back from Canaan. *The grapes look good.* Hallelujah.*

The land... we can take the land, it's flowing with milk and honey. There's a bunch of giants walking up and down. But I see them as grasshoppers and I step on them. Ya! Praise God! And I walk on the giants. Hallelujah. I am a giant, and they are grasshoppers. But ten ministers, ten 2 Timothy 3, say we can't take it. We see it. We even tasted it. But we can't do it. And Caleb had another spirit with him. He says, shut up. Praise God. We can take the land! We are more than able to take the land! God give us this land way back before the foundation of the world! God gave it to us! Let's take the land! Praise God! Bunch of old unbelieving Ministers. Get out of here, away with you! Praise God. Sha. It's our land. You may be seated.

God give it to us. We can take it. God so said so, didn't He? He's God. Say, we had it, it's ours. And we live in the last days. Don't you believe it?

In the last days I was send down the rain in abundance like that. Both former and latter rain, will fall in this day. Watch what it is. What they had back there (amen, day of Pentecost) plus, what God is going to give us is right now at hand. What they had back there plus latter rain here. And we... and the latter... the former rain, the original baptism, signs, wonders and miracles and the apostles. That's former rain. That's coming back over in the latter rain.

And the latter rain... you don't need no nothing there. You don't have to take a—a—a wine from water. Amen. You just speak and the wine is there. You don't have to take bread from bread, fish from fish. Let there be a squirrel. Praise God! Sun, come out and shine four days, get back storm! WHAT THEY HAD BACK THERE PLUS WHAT HE'S GIVING US NOW! When the Morning Star comes out, glory to God, hallelujah, praise God, you'll see what I'm talking about? There'll be no more unbelief. Hallelujah. Here will come your children. Lord God, give me my son. Give me my daughter. He said, why cry? Speak. Come back this day. Hallelujah. Glory to God.

We are here. Here's the Anointing, here it is. Hallelujah. We laid in the quotes. But here it is, here's the Dynamics to your Mechanics. You can be sealed, healed, oh, whatever it is. Sha! Oh, hallelujah. Glory, glory glory! Hallelujah. You may be seated. I ain't got much left here but I am... I'll pass out here.

Discernment Of Spirit, Phoenix, 1960. *What is it? The former rains coming over and a latter rain is past due.* And a latter rain is inspiration rain. Amen. There was doctrines back there, former rain. But latter rain is, you need a revelation of what the Prophet said. So, when it falls upon you, THUS SAITH THE LORD, the testimony of Jesus is the Spirit of Prophecy. Prophecy. Latter rain. Praise God. Hallelujah. The Lord God has spoken. The Lion has roared, who can but prophesy? Prophet Jesus, prophesying in you. The Spirit of Prophecy is the testimony of Jesus. And we are getting ... you Morning

Stars are getting ready to give your testimony of Jesus before you leave this earth, in your church, in your neighborhood to the Minister. I don't care who they are. Praise God. **Give your testimony. Take your stand. Hallelujah. Don't let no devil push you into a corner. That Hidden Power come out and smash them, left and right. Amen, amen. Amen.** Hallelujah. Praise God. It won't be long. I'm just waiting for the right spot to sweep you away. Hallelujah. Amen. Okay. May be seated.

Discernment of Spirit [60-0308].

*97 ... What is it? The former rain is coming over. The latter rain is past due. Then it's lapped over, is together. The former and latter rain together, [What is it?] **The Holy Spirit made manifest by the power and the resurrection of Jesus Christ.** There you are.*

That's what the rain is. The rain is the Holy Spirit. **The PERSON of Jesus Christ, the Dynamics to your Mechanics, the display of the TOKEN that is latter rain, that is former rain by the power of the RESURRECTION.** And 2 Timothy 3, deny the power of RESURRECTION, deny the power of shouting, deny the power of revelation, deny the power of anything to do with anything to do with God. They deny it, they hate it, because they're from Satan. But you're from God, and you kick them out of heaven long time ago. Yes, sir. **And they're getting ready to be booted out of the Heavenly Places. They don't belong in your Heavenly Places.** They're full of unbelief. But the Bride says, Amen.

What David Thompson prays ... Come here, Brother. *Almighty God, may You baptize David Thompson with the baptism of the Holy Ghost and fire. Seal him away into the kingdom of God.* Glory to God Hallelujah! Glory to God! Lord don't stop there, there, there. There, there. God is here. You know the quotes, slain on the schoolhouse floor. Oh, hallelujah. Praise God. Glory to God. My God. The latter rain would be the Holy Spirit.

And the Holy Spirit would be the harve... may be seated, would be the harvest rains. The RAPTURING FAITH and the Seven Thunder Revelation gives faith for RAPTURING GRACE. **LATTER RAIN IS RAPTURING GRACE WHICH IS HOLY SPIRIT. OH, AND SEVEN THUNDERS GIVE FAITH FOR THAT.** Seven Thunders can stand out there, Lord, for 19 years I declare your Prophet's word. Now Father send down the rain Lord. Send down the latter rain. Hallelujah. Glory to God.

We stay with this Message and the meal in the barrel is still here. Are we eating? And the oil is still in the cruse. How long? How long? How long? until God send rain upon the earth. And the rain is here now upon the earth. Sha! Former and latter rain has come over together. Oh, Andrew Wicker you can be sealed now. Come here my brother. Praise God. *Lord God, seal my Brother Andrew Wicker away into the kingdom of God. Hallelujah, glory!*

There is a sound. There is abundance of rain. Get you up to eat. But I don't see nothing. You don't see nothing. Elijah servant say he don't see nothing. The Seven Seal sacrifice was received by fire. All of false prophets was slain. He said, there was a sound of abundance of rain.

And he went down to pray. And his disciple, he said, Go look for the rain. He said, I don't see nothing. **He said, Go look again seven times. And the seventh time, I see a Cloud like a man's hand. I see a Cloud.** And I see a Cloud like a man's hand here today. *Little fishy, I'll give you your life.* Huh? Sister Hattie Wright, hallelujah, what do you want? *The salvation of my two boys.* **THUS SAITH THE LORD.** Oh, sha. Glory to God. *Before the doctor's hand touches my wife, Meda, let that tumor be dissolved.* I see a Cloud like a man's hand. *Sun come out and shine four days. Let there be a squirrel over there.* I see a Cloud like a man's hand. That's your latter rain coming up. Come on you, morning stars. Halle... don't you stop now.

You, young people, you young girls and boys. God has called you out. Don't you ever go back in the world again. Up in the balcony. I don't care where you are. You're free, free, free. Sha. Oh, hallelujah. My God. My God. Oh.

Brother Branham said, maybe seated, on The Maniac Of Gadara, Chicago, 1954.

81 Jesus said, these signs shall follow them that believe. In my name they shall cast out devils; speak with new tongues, take up serpents (...) deadly things shall not harm them.

You'd be so full of the Holy Ghost. You reach your hand in the fire, a viper jump you, which you'd be so full of faith and fire. You shake them off. Shake them off. Praise God. Shake the devils away from you. You may be seated.

*... Oh, my [brothers and] sisters, be encouraged, straighten up. We're nearing something. You hear a sound of an abundance of rain. But one of these days the curtains will be drawn back from the heavens. **And God will pour out His Spirit without measure upon that group of people that's fought to win the prize and sail through bloody seas. And what a meeting we will have.** [huh?]*

What a meeting we will have or we are beginning to have it now. Can we have it today? Yes, sir. Yes, sir. Oh, hallelujah. Amen.

Then when that meeting comes, is it going on? is it started? If it has, **NOT LONG THEN TO THE RAPTURE.** Glory to God. Oh, we are here. Start rejoicing. Start shouting, singing. **So RAPTURNING TIME is ADOPTION TIME.** Well, I don't get no time to go into it. So, the RAPTURNING TIME, you may be seated, is Adoption Time. And—and we know that what he said there, a power will come into the church. It won't last long. **If God can't get it from a group in the Message, he'll take individuals.** Amen. So, I don't have to worry about a group. So, **THE RAPTURNING TIME IS ADOPTION TIME.**

RAPTURING TIME IS A TIME WHEN THE HOLY SPIRIT GATHERS UP THE SEED. RAPTURING TIME IS THE TIME OF THE COUNTDOWN. ZERO HOUR REVEAL BY MALACHI 4. RAPTURING TIME, COUNTDOWN IS ON. PRAISE GOD. AMEN. RAPTURING TIME IS THE TIME WHEN A POWER BEGINS TO BRING THE BRETHREN.

RAPTURING TIME is when Ham and Shem and Japhet, black, white, yellow, red, orange, different begin to come together by a Message from a prophet. And that was God in the Prophet calling black, white, yellow, red or indifferent. Praise God. They're uniting. Uniting for what? Uniting under the Word for the RAPTURE and back to the Bible by the Baptism of the Holy Ghost and fire. So, here's Ham, and Shem and Japheth right here in Forest Hills. Hallelujah. Praise God. Glory Yes, siree. Hallelujah. You may be seated.

RAPTURE TIME IS WHEN THE LAST ACT OF THE DRAMA BEGINS. RAPTURING TIME IS A TIME OF A LAST TRUMP. FOR THE TRUMP OF GOD, THE SEVENTH TRUMPET SHALL SOUND. MY GOD. RAPTURING TIME IS A TIME WHEN THE GREAT INTELLIGENCE BEGINS TO CONTROL HIS BRIDE... BRIDE BODY. YOU SAY, INTELLIGENCE, BROTHER COLEMAN? I SAY, INTELLIGENCE. HALLELUJAH. Amen. Oh, let me dig it out here somewhere. Praise God. Holy Spirit said, go down and get it picked it up out of there. Yes, siree. Christ Is Revealed In His Word. Amen. I thank God. Testimony. I'm not bragging for the testimony. Say it. Amen. I'm saying it now. Yes, sir.

In June 1965. I was up in Vermont. I was all stressed out. Tommy Dillard was over in Ghana, somewhere over there. And Fritz Verzmatt from Holland. He sent me a picture of Elijah going up and the picture hangs in the Branham Tabernacle in

the office. And one day I hung it. And I walk through there one day and a glow was around it. And the Holy Voice Word said, "give that to my prophet, It'd be a sign to him." Praise God. I said, "Elaine come here, there's something strange here." Give it to the Prophet. Took it down, gave it to Billy Paul here. Thank you, Brother Coleman. Boom.

On this tape here, Christ Is Revealed In His Word. And then I wrote Brother Tommy Dillard. Brother Tommy where you at? Amen. I wrote him two ten-page letters. He was in Africa, but I knew Brother Branham was leaving, but I couldn't tell him to come home come. I am not his boss. He's his boss. Not me. Amen. I'm his brother trying to help along the road. Amen. I wrote him two ten-page letter. He caught the vision. And he came back, and he caught Brother Branham in Yuma for The Rapture. And a few other messages, he came back. Amen.

And on this tape here, Brother Branham said, he said that "thank you for that picture it's hanging in my study." That was me. Amen. Thank you, Brother Branham. I don't need my name called out, and ... well Brother Branham. I gave you that picture you know. You know I gave you that picture. You know? You don't have to do all that. Praise God. Just hide somewhere, amen, because as long as you have the revelation that he was leaving. If you see me go, you can have what you asked for and your church also. And you can break the shackles around the lives of the people that you associate with. You can take the Word of God and bust every shackle around them if they want to receive it. Yes, sir. Oh. RAPTURING TIME, you may be seated, is a time when the great... Oh, intelligence here.

See it was, page... paragraph 77. Christ Revealed In His Word. See down... we start off in the foundation. Come on the feet and it goes down the Pentecostals tongues. See now is in the eye, prophetic of Malachi 4 and so forth. Now there's nothing else left for it to come, but **HIM HIMSELF TO STEP INTO THAT**, 'cause that's the last thing there is. **The NEXT is the**

INTELLIGENCE and we have no intelligence of our own is His, see, we have no sight of our own. How can a man foresee those things he can't do it, is God. And He—He govern the body all the way. Paragraph 89. Just skipping here time. And he said here, the thing... Oh, paragraph 152 He is speaking about the light and ears. He said, what good would God want to put eyes out here. I mean Light out here now in this total darkness if there's no predestinated eyes to see the Light. So, God put the eyes here. Don't worry about what happened. The eyes are there they see it. Amen. Yes, siree. So, he said,

Christ Is The Mystery revealed In His Own Word [65-0822M]

152... you can't see what the lips what it speaks, that was Pentecostal. But now it's the eye time the seeing. Now there isn't one moving faculty left beyond the eyes. Is that right? The next is the Intelligence which is Christ Himself. [Amen.] Who controls the whole Body. No moving motion beyond that. Everything else has—has moved.

Say what the tape say. I just said it. Will this be Christ? Who's that, is it promise. And There is Spoken Word is Original Seed. Okay. SUPER RACE, SUPER BRIDE. WHAT A HARMONY BETWEEN CHRIST AND THE BRIDE. HERE'S THE SECRET. **THE WORD IS IN THE BRIDE AND THE MIND OF CHRIST, INTELLIGENCE, TO KNOW WHAT TO DO WITH THE WORD.** She has **THUS SAITH THE LORD**, or she keeps still. You talk about a morning star shinning. Did you receive your promise? Or say, are you hung up on some man in New York preaching Thunders? Or can you move on to the **INTELLIGENCE-CHRIST**, the Holy Ghost Himself, come right down in Perfection, Joseph Perfection. And Joseph Perfection...Luther released Justification, Wesley released Sanctification, Pentecostals released the Baptism for a birth and gifts, but **JOSEPH PERFECTION, THE CAPSTONE WORD RELEASES THE HOLY GHOST ITSELF; THE SEVEN-COLOR RAINBOW COAT.** And they curse that. Oh, sha. You

may be seated.

RAPTURING TIME IS WHEN ABIDING SHEKINAH GLORY BEGINS TO CHANGE. You're being baptized according to 1 Corinthians 12:13. From glory to glory to glory to glory, right on to be changed from mortal to immortality. Oh, hallelujah. Prophecy concerning this special time. Israel at Kadesh Barnea 153.

Israel And The Church #4 [53-0328]

73 ... I truly believe before the church can have the Rapture, it's got to have Rapturing Faith. We can't even have faith for divine healing, let alone Rapturing Faith. I've got to have a faith that they'll change and quicken this body and be taken away. I believe there is a Church on its road tonight. A power of the living God that men will speak the Word here and there, it'll flash like lightning. And the Church is coming out; not a psychologist, not somebody is put-on, make-belief but the real true genuine call Holy Ghost called-out Church. Amen. Yes, sir.

Brother Branham said on, Influence, Chicago series. Amen. Hallelujah. Now he's speaking about being influenced by the Holy Ghost and the ones in the upper room, they were influenced by the Holy Ghost. And they went into action. Page 18 and 19.

Influence [63-0803E]

132 ... They [got] into action because they had seen a promise of God made manifest. It was vindicated to them, the promise of God and it put them into action. When His promise was being fulfilled, put them in action.

And what's going to happen the Seven Thunders break out the promise of God? It would put you in action. It should make people, make a Church. Praise God. Amen.

133 Friends, [I've] seen this here in the kingdom of God. (...)

[He said,] *But the thing of it is, we don't respect it, to realize it's God. We just kind of little curious, we'd like to see little things and give us sensation. We'd like to feel good. We like to do these things. But when it really comes to really respecting it, and believing it with all our heart, it puts us into action.*

And that's what these New York City is all about. It put us into action. And that's why we're here today, we in action. Prophet said it, Action, say it, believe it. Amen. Now, coming to speaking with all the heart, puts in action.

*134 Well, [okay,] when the Angel met Mary that morning, [that morning] on the road to the well, and told her she was "going to have a Baby knowing no man," [it put her into action.] She went quickly telling everybody that she was "going to have a Baby. [She didn't wait, amen, until she got sick. You know, I mean, she's gonna have a baby... Amen.] She's gonna have a baby knowing no man. She didn't care what it meant to what the people said. She had actually met an Angel of God and it put her into action. **She was conscious that the Holy Spirit was upon her creating in her a Life, [Jesus Christ.]***

Are you conscious that a Holy Spirit has come upon you creating in you a life? And you met who? the Seventh Angel. Mary met the angel. You met the Seventh Angel, and A Holy Spirit come upon you. And what's he doing? creating a life in you. Oh. Nine months is almost here for some of you. Amen. You may be seated. Okay, maybe you believe what he said here.

135 Oh, if we only realize that the Holy Ghost is upon us, creating in us a faith, trying to present himself in so many different ways and gifts to create a faith for a rapturing Church.

Creating in us now, what this meeting is all about. **He brought**

you here to create in you a faith to believe that you're going to be RAPTURED. The Seventh Angel, not me, it should put us into action. You may be seated.

... But wonder if we're going to do it the way he wanted it to be done with reverence and humility.

136 The Pillar Of Fire in the last days are to put the whole church into action, being vindicated with signs of His Coming.

And God is sending gifts to try to create in us a faith that will move us out of here someday into a RAPTURE, healing the sick, opening eyes of the blind, raising the dead. Oh, my, Church, where are we at? Oh, hallelujah. Brother Branham said 1959, When a Syrophoenician woman ask Him for some bread. He said, it is not right to give you the children's bread. Well, even the dogs licked the crumbs, and therefore for this saying, your daughter is healed. She said, the right words. And a daughter was healed, then he breaks right into Hattie Wright and the spoken word, right into the RAPTURING TIME. He said, don't worry, don't worry, it'll be there.

He said, now when the power of this church, when the power of Marion, South Carolina, it'll bring the brethren. The power in Russia the power here, the power in Nigeria it will bring the brethren. It will bring the brethren here, it will bring the brethren... the power. Acts 1: 8, And you shall receive power; after the Holy Ghost is come upon you, you shall receive power. And now the powers is here coming in here now. And then after the power brings all the brethren and they look all around the world. Then there'll be a GENERAL RESURRECTION. Hallelujah.

God's people begin to gather back there is unity that... you may be seated. There is power, it'd be a RAPTURING TIME. This is a 12/23/59. When the Holy Spirit begins to gathered up, it'll be in the minority of course, but it will be a great gathering.

Amen. And remember Seven Thunders of Revelation 10 gathers the people together. Now The Rapture... on The Rapture, tape itself. Amen.

Brother Branham said (excuse me) he said,

65 But, to the Church, the Bride, the Rapture is a revelation to Her. It's revealed to Her. That the revelation of true Bride of Christ will be waiting for the revelation of the Rapture.

66 Now, it is a revelation, for the revelation is faith. And you cannot have a revelation without it being faith.

And we know on, page 27, page 29. He went into 1 Thessalonians 4:16. I don't have time. He said, there'll be three things that Jesus does before he appears in his corporal body. He will do the Shout. He will do the Voice. He will do the Trump Amen. Can you say amen to that? Then before we see Christ corporal body. We stand behind Brother Branham and Brother Branham point scream into the sky. BEHOLD THE LAMB OF GOD. Hallelujah. Oh, Church. He does all three of 'em. Amen. The Seven Thunder... I had to skip long. I am—I am time is in RAPTURING TIME You shall receive power. Amen.

Now after two thousand years on, Feast Of Trumpets. Yes, sir. On, page 35, is loose. The Holy Spirit is loose by the Seven Seal message of Malachi 4. Amen. On page 39. He said, Now as soon as this church is drawed together and the Seven Thunders gathers her together, she is taken up in that Mystery of the Seventh Seal. And the Seven Thunders is the mystery of the Seventh Seal and the Bride is brought together by the Seven Thunders and she's taken up in that Mystery of the Seventh Seal.

So, you Ministers, what are you waiting for? Praise God. Page 39. Feast Of Trumpets. Maybe seated. Shall I say it again? Now as soon as this Church is brought together, Seven Thunders gathering her together, Shout gathers her together. Must be the

same thing. She's taken up in that Mystery of the Seventh Seal. And the Seven **Thunders holds the Mystery of the Seventh Seal**. What is it? What is it? Seven Thunder holds the mystery. He's unfolding it now; not John Jones, Jim Johnson, but your name. **Christ is being unfolded. And that is your name. Every word, every jot, every tittle in the book is mine.** Oh, hallelujah. Glory.

You shall receive power. And the RAPTURING TIME, you shall receive power. Amen. Oh, praise God. The Last Trump, the Trump of God. I have to skip it here. The Last Trump, the Breach, 105. We got to skip it, the mediator. It comes fourth day on the Breach. Page 105. The Last Seal is no more mediator, he's king now to collect the subject for His kingdom. And in the Breach, how will it be? For the Trumpet Of God shall sound at the Last Trumpet. Watch. When the Last Seal broke, Seventh Seal and watch and when the Seventh Angel has (past tense) given his Message, then the Last Trumpet shall sound and the dead in Christ shall arise.

Now what are you waiting for? Has the Seventh Angel given that last Message? That's on the Breach, page 111. What happened? what a Jubilee going on in heaven. The Lamb leaves a mediatorial seat talk about a Jubilee, is my name is there. Is my name there. Is my name there.

He took the Book, glory, open the Book and tore off the seal and sent it down to the earth to his Seventh Angel to reveal it to the people. There you are. The screams, the shouts, the hallelujahs, when in the time of the revelation of these things being made known. If the Last Trump, the Trump of God, the Seventh Trumpet is 1 Thessalonians 4:16, The Coming of the Lord. Question - what is the Voice of the Archangel? or who is the Voice of the Archangel?

And he tells you in, Revelation Chapter Four, that 1 Thessalonians 4:16, the Voice that Voice, that Voice was the

VOICE OF CHRIST. Is that right? The Voice of Christ. The Trump shall sound and the dead in Christ shall rise. Also, the same VOICE that summoned John to come up, is the same VOICE that summoned dead Lazarus out of the grave. THAT SAME VOICE OF THE ARCHANGEL. CHRIST IS THE VOICE OF THE ARCHANGEL, VOICE OF THE ARCHANGEL. Oh, what a time where CHRIST THE INTELLIGENCE, the MIND OF CHRIST be in you. Oh, what a harmony. You'll be able to play for the Last Act of the Great Drama. You'll be in harmony. Hallelujah. You'll be able to know how to play, *do re mi fa so la ti do!* Praise God. Amen.

The Spirit and the Bride say, Come. The Bride will be the Final Voice to the Final Age. That Voice is in Bride. The Spirit in the Prophet and the Bride will be saying the same thing from the VOICE WORD for MANIFESTED REALITY VINDICATED WORD ABIDING GLORY. ABIDING SHEKINAH GLORY IS NOW HERE, NOT LONG THEN TO THE RAPTURE. 2 Corinthians 3:18 changes from glory to glory to glory, to glory to glory. Oh, hallelujah. My, my, my. What a reflection. I got to skip all through here now. Amen. Shekinah; it will be reflected Shekinah Glory. Yes, sir.

Perseverance. Let us skip through here. Amen. Now Brother Branham said, **you must find the Word for the Anointing to get the people in Anointing for healing, or give me Anointing for the Holy Ghost or whatever.** And we must find Anointing in these meetings to get you into the spirit for the RAPTURE. That's why we're here. See, we're expecting something in this RAPTURING FAITH TIME and puts... put you on an expectation for the Vindicated Voice Word Promise. Oh my. I gotta cut it off here. Yes, sir. Let me skip over here. Strike it. Praise God. Okay, I'll try wouldn't be too long. Amen.

How we thank God for the Vindicated Voice Word Promises... promising Dynamics. RAPTURING TIME is when Abiding Shekinah Glory begins to change you as you are being baptized

into the Body of Christ. 1 Corinthians 12:13. You believe that? Okay, praise God. Had to skip around here and move past here and there. Amen. So, okay, I want to invite your attention over here to about 10-15 minutes, and I am finished. Okay. I had to skip a lot of things here.

Okay, I want to pick up where I left off on September 19th. Page 23.

The Mighty God Unveiled Before Us [64-0629]

159 ... [And went through it will change] *from Glory to Glory, back to the original Seed, with the baptism the Holy Ghost with the same signs, same wonders, same baptism; same kind of people acting the same way with the same power, same sensation. It's from Glory to Glory. And the next will be, "Changed from this Glory into a body like his Own glorious body, where we shall see Him. [as He is.] Abraham saw [It].*

160 *Now we see how he was changed, says Calvary, we are invited to share His Glory. First Corinthians 12, "We are baptized into His body. By one Spirit, we all baptized not by one "water". "One Spirit, we're all baptized." That's right. And now then we become Him.*

161 *I'm hoping not keeping too long. [That's what he said, I hope not here also.]*

162 *It's just like a great symphony is playing, or acting out of drama.*

163 *I don't know too much about symphonies or drama. But I was watching this play, I was talking about Carmen with when my daughter and them was in it. And she said, they were playing in a symphony in Carmen. And they were acting out. The music was acting out the same thing.*

164 *That's the way it is, when you're baptized by the Holy Spirit into Christ.*

You begin to act out Christ, every word of it. And the WORD IS THE RHYTHM. And you get into the rhythm of the sheet music. And you begin to play it just right. Praise God. And impersonators cannot do that. Huh? Amen. Okay. You must be baptized into Christ. And then you are in the symphony. Amen.

165 Now we see, many of you have read or heard the story of the great Russian composer, (...) Peter And The Wolf. And then when cymbals and everything. Anyone [that] knows the story, that's the reading it off paper, and you can hear the symphony, now how it's acting out, the drama, playing it out, why, they know every change. They can look at it here and see the change.

166 But, now, what happens if the composer writes something, and we find out it isn't just acted out right. [Huh?] We find out then that there's something that happens. There's something a lacking, He who composed it made it up and wrote it out. And then the symphony is a playing it, hits the wrong note. There's something wrong, the director gave the wrong motion.

The direct... the composer is Christ. The director is the ministers. And when... and they got in the symphony, they got the sheet music. And a certain time he's supposed to the—the dead shall be raised and the Symphony is ready to play it out. And the director says, days of miracle are passed. *It shall be Dynamics to your Mechanics.* The directors in the group say, “no such a thing.” *Seven Thunders give faith.* “No such a thing.” Directors. I don't wanna hurt nobody's feelings. There is something wrong somewhere. The director gave the wrong motion. Hallelujah. Oh, my, my, my, my! We are into something now. Yes, sir.

THE COMPOSER IS CHRIST THE HOLY SPIRIT. Amen. Now the RAPTURING FAITH, amen. Amen. Okay. The RAPTURING TIME is when we are—we—we are playing out

the LAST ACT of the Drama, accompanied by a symphony. That's the way is when you're baptized by the Holy Spirit into Christ. Composer is Christ, the Holy Spirit. Director is the ministers, the symphony is the believers, and THE SHEET MUSIC IS THE WORD FOR THIS DAY. Amen.

So, we find here the symphony, director gave the wrong motion. And on, The First Seal, I don't have time to read it, page 125. So, **we are now in the Final Act of this Great Seven Seal Drama**, Brother Branham said, and about the actors and changing and so forth. I can't read it right now. But that's where you find that. Amen. So, on page 24, here, he said,

167 And that's what's the matter today, my Lutheran brethren, my Baptist brethren, my Pentecostal brethren, All my brethren from all different denominations, that's what it is. See? You trying to give a... hit a note way back in the days of Luther, Wesley, when actually the-the music Sheet here shows us another day. [Watch,] We can't live in the light of Luther; he was a reformer. We appreciate it his part, but we played that out. We are way over here at the back of the Book now.

Get over in the back of the Book. The Prophet, 1964 say, WE ARE HERE NOW AT THE BACKSIDE OF THE BOOK. And a Minister won't preach it, the—the directors then how can you have the Holy Ghost? Sha! Praise God. We can't play it out like that. Oh, that's what's the matter, he said. Today Lutheran brother and so forth. The sheet music is shown in over here. We way over here the backside of the book. There you are directors and believers of the symphony in the message, make your calling and election sure. It's RAPTURING TIME and we are in the FINAL ACT. Oh, hallelujah.

Shalom Phoenix, Arizona 1964.

239 I'm poor of speech, mispronounce my words. I want to say this because I felt constrained to do it. How many here

will raise your hand, that you understood what I meant by "God's Symphony"? Raise your hands.

240 Then, it's a Symphony, see. You'll find It comes to a junction everybody is all wondering. I call it a junction. I don't know music; a musician in here. You forgive me of my rude way. But they're beating out, and have something to act. It'll go [watch now] it will go real low, way down, you wonder what it is; see, but if you get into the rhythm of it, you understand It. That's the only way you will ever understand God, is to get into the rhythm of it.

241 "What is it? How will I, Brother Branham, I am just as true Methodist, Baptist, Pentecostal." That's not the rhythm.

242 The rhythm is God. God is the Word. The Word is God. And God's rhythm, is, obeying His Word. [The director with the Holy Ghost strikes it, the symphony obeys it. And they're playing music. Yes, sir. Hallelujah. Don't worry about it. My God. That's... may be seated. That's the rhythm. The rhythm is God. God is the Word. The Word is God. God's rhythm is obeying His Word. Then when you obey His [voice], He beats the rhythm right to you, [Sha! Amen] then you take your place. Whenever It goes down, down, down, up, whatever it is, you know the junctions. Sometimes you say [headaches] heartaches, trials!

My son, my daughter! This is going on! That's going on! All things work together. The rhythm is beating out. Don't you worry. I'll bring them back. I'll bring that drunken sot, that wine-head, praise God! The rhythm is beating it out. Oh, hallelujah. Praise God. Get in the rhythm! Hallelujah.

243 Didn't God say, "All things work together for good, [may be seated] to them that love Him, while I'm beating out My Symphony"? And you find that when you're afflicted, [like I am today; diabetes and everything else] struck down and persecuted, made fun of.

Made fun of for nineteen years for preaching the Word of God. Blast me all over the country for preaching the word of God saying, Seven Thunders give faith. I'm a demon. Because I've said, Seven Thunders give faith. And God in the Prophet said that. And I said what he said, what's on the tape. So, I'm not ashamed of the gospel power of God unto salvation. I'm glad I said it. If it is His will, I will be for nineteen years more saying it but we don't have to. Because the church is blacking out, the morning stars are ready to be given out. We ready to go home. praise God. NOT LONG TO THE RAPTURE. Yes, sir. Glory. Hallelujah. May be seated.

If you are sick, you weary, you get trials. You don't have the Holy Ghost, don't you worry. The rhythm is beating out. You just obey every Word of God. God will bring your children. God will bring you. Hallelujah. Praise God. Glory to God. He's beating that Symphony out in you. Amen. You may be seated.

After you are afflicted, struck down, persecuted and made fun of, remember, that's the part that goes that way.

Oh 1974, He told me, don't fight back. Don't say nothing. *And On Some Have Compassion*. He said, when they curse you and revile you and say all evil manner of things about you, cast you out of their presence, don't say nothing. The time will come. You're sowing seed in tears, but you shall reap in joy. Hallelujah. I'm reaping the joy, shout time, man. Praise God. Yes, sir. Hallelujah. I'll put every enemy under your feet. Hallelujah. Okay. Persecute, may be seated.

243 ...remember, that's the part that goes that way. If that isn't like that, then the Symphony is out of tune.

And we don't bear reproach and suffer something wrong with the sheet music. You are reading wrong sheet music. But you better read Hebrews 11 that's the sheet music. Praise God. The Heroes of Faith. Amen. Praise God. Suffer reproach, cast out, curse, spit on, reviled. That's the sheet music, but it all works

together. Hallelujah. Shadrach and Meshach, and Abednego took a stand for God. And they said, "Oh, King," you're going into the fiery furnace. That's alright, oh, king. Our God is able to deliver but if He don't deliver, let me give you my testimony on November 21st, 1993. I know the world counselors moving in. Hallel... I know that. I know what's going on. But if my God don't deliver. I will still not serve your World Council of Churches. I'm going into fire and they went into fire.

Get into fire where you find God. Get in a trial that's where He'd you meet at, and then one... and they said, Well, that okay. Let's heat it seven times hotter. And that's when He come. That's His Number. Come riding in there. And he said, Gabriel, and Michael. I'm going down there. And cool that fire off. My boy has stood for me. Praise God. Amen. Yes, siree.

Oh, Daniel in lions' den. Hallelujah. There was a ferocious lion roaring, Daniel stood there. The Pillar Of Fire come down, and lions are afraid of fire. Praise God. Oh, hallelujah. Alright, may be seated. I'm almost finished. Amen.

The Symphony is out of tune.

244 The great composer knows exactly what's in it. He knows. He knowed you from the beginning. He puts you on the Lamb's Book of Life before the foundation of the world. Do you believe that? [Congregation says, "Amen. He knows what you're supposed to do. No matter how low it goes, how dark it looks. It's got to be that way.

245 But remember, if it goes plumb into the shadows of death, I am the Resurrection And Life. [Oh, there's nothing to worry about. I rise up again.] And when the great Director comes down and [beats] that stick down. Listen. Then "time shall be no more."

Oh, did you hear me? When the great director come in beats that stick down. He stands up there, gross darkness and darkness, morning star shining, time when the last one is... sha!

WHEN THE LAST ONE IS ADOPTED WITH THE MORNING STAR, TIME SHALL BE NO MORE. Did you get it? **The Symphony plays right down till he says, Time shall be no more.** Did you get that? Oh, Time shall be no more. You may be seated. When that time comes, you rise up from among the dead. While the rest of lay there, you go in.

246 Stay in a Symphony, Stay in God's Word. No matter how hard it is, stay right with It, wherever God's beating.

Find... You eagles find a way, he's beating that Symphony down, the rhythm of it, find your place.

247 Sometimes He causes trouble to break the bands to set you free. He does that. [Amen. Brother Carl and Kathy.] ... Well, I don't know what I'd do. He does What's- what difference. You're just playing the part. He's the One that's got you in His hand. He directs you.

248 Remember, is all done by a sign. We see the time we are living in, by the sign we are living in, so we know... the Symphony does today. Watch. Its separating time taken light from darkness.

*249 Let's say it together the Prophet's said, so you won't forget it. Because I feel to say this here, **It's taken Light from darkness.** "It's taken light from darkness." Let's say it again. "It's taken light from darkness." Amen.*

250 That's God's Symphony [obeying the word]. He's showing it in the heavens. He showed it on the blackboard. He showed it by Himself. He promised it in the Word, we see it vindicated. [Watch.] He separating the wheat from the chaff. He's taken the Light from the dark.

251 Do you believe (...) with all your heart? Hallelujah. Praise God.

That's what's going on right now. The chaff are being separated. Hallelujah. The latter rain Holy Spirit is falling. Go again seven

times. The Holy Spirit is the Seven Thunders revealing every mystery to the Bride. Amen.

Oh, we are on the backside of the Book, Revelation 5 and Revelation 10 to give a RAPTURING FAITH in this RAPTURING TIME. There will be a RESURRECTION and RAPTURE when the Symphony is over. And the Symphony is the music scale and the harmony, and the rhythm and the tones and the chords and so forth. Amen.

Well, anyway, I'm finish... I'm finish here. Yes, sir. Then this is over here. A little testimony here and finish up. Try to get it set down here to testify here in a minute. Amen. Okay, I think I got it here, First Seal. Amen. Okay. Where am I? You're with me. Amen. Okay.

Now, Sister Elizabeth over here helped me out in 1991 in Macon, Georgia, and gave me these music notes. Amen. So, I thought I'd bring it back and drop it into the symphony here. And the diatonic scale since medieval times in Europe, musicians have used seven-note scales, which divides the octave into seven pitches. A key—a key is a family of tones closely related to each other.

The first tone tonic is the basic tone from which musical action springs into which it ultimately returns. Number 3, next to the first tone tonic of the key, the fifth tone dominant is of next greatest importance. The seventh tone of a scale is called the leading tone, and it resolves back to the first tone-tonic... tonic, one octave higher such as DO, RE, MI, FA, SO, LA, TI, **DO**. Faith right back Charity back to Faith. Faith, Charity. Huh? Though you know all mysteries, though, you know the revelation of the RAPTURE. But do you have charity? **D-O** back to faith. So that's what you want. **And CHARITY come upon you, Faith will come out.** Amen. You may be seated. Did you get it? Alright. That's the musical tune-up. Then what about the spiritual tuning; Faith, Virtue, Knowledge,

Temperance, Patience, Godliness, Brotherly Kindness, Charity. There you are, DO - Charity. This is a spirit of the composer. Amen. Praise God.

We have to get it ministers. And when we get the composer's spirit. Page 25. Mighty God unveiled original power of God.

The Mighty God Unveiled Before Us [64-629]

172 ... And the Bible said, Man of old was moved by the Holy Ghost to write this Bible. You see them two Chinese pieces of [ticket] come together. It's like God's Bible and a believer will come together because they both in the same Spirit. They're both the same thing. They dovetail right together. What we need today is directors, that's right, back to the Word back and believe it just as It's said. Then you see God himself. That's the unveiling. The drama is made real.

173 Today, they say, "Well, He's a historical God. We know he crossed the Red Sea. Did this. And he was in the fiery furnace with the Hebrew [boys]." What good is the God of history? if He isn't the same today? Man is wherever glorifying God of what He did, thinking of what He will do ignoring what He's doing. Amen. That's just in man to do that. It's the same thing today, my brethren and I said very same... Oh, my!

174 Let's get back and get the Symphony playing right where the world can see. Jesus said, "If I be lifted up from this earth, I'll draw all men on to Me." And, He's the same yesterday, today and forever."

And just like when Brother Branham way back, praise God, in early 30s. When you walk into Brother Smith's Church down in Jeffersonville, when he came in the door and say, Elder Branham is here. *O, lift Him up; O lift Him up; O lift Him up.* And Brother Branham began to get happy, praise God, and walked in there and began to preach the Word of God. Then they went outside and testified. Brother Branham was

preaching and Elder Smith and them singing, and Brother Branham and them begin to run around the car shouting and praising God. Oh yes, the Prophet did that. Maybe you don't want to do it, get in the rhythm of the Word. Hallelujah. Do the same thing? Amen. Hallelujah. Glory.

[Blank spot on the tape- Ed.]

Something strange happened down in Georgia. And I looked at this again, and said I'll bring it back. Brother Branham by the Holy Spirit broke into this *Amen Cadence* here while he was preaching in Philadelphia. Amen. And it was right here. It was over five hundred years and that was ah this one, the *Amen Cadence*. It's been called that for five hundred years plus. Then the seventh chord that resolves back and all these chords are not enough in themselves. See, the rhythm also plays an important part.

If the rhythm is not correct, which is the Word, see, the harmony has no specific direction. Then what are you going to get it in harmony with, if the rhythm is not right. Harmony with what? Some false anointed or what. Some interpretation. **What if that Word is preached the rhythm of it. And you obey it and then it comes harmony between you and Christ.** Yes, sir. Okay. When you get the rhythm and harmony right, then when all is study through, this is an unexplainable element.

The inspiration and anointing is a certain groove, that the musician falls into, a certain surrender and relax assurance when the Lord takes over and takes the music to wherever He wants to. So that the Holy Spirit falls and you say I'm not going to shout. I never shouted. I don't want to fall on the floor. Oh, come on. Will you let the Lord get into it. Praise God. What do you mean you're not going to shout, you never shouted? My grandfather never shouted. They, where he come from, they don't shout. What do you mean they don't sing they don't move? Get into the rhythm of it. Its unexplainable. Praise God. Get

into *Amen Cadence*. Hallelujah. Glory to... Your grandfather. Who care about your grandfather Amen.

170 ... [And then when they] say that "*The days of miracles never passed,*" [And] *the Symphony cries out, "Amen!"* [Here's Brother Branham broke into it,] *When we hit that "Jesus Christ same yesterday today forever," The Symphony cries out, "Amen!" "You shall receive power after the day of Holy Ghost come upon you." The Symphony cries [out], "Amen!"*. [You in the, Amen Cadence now. Praise. I got it. There's no more guess work about It.] *The whole Symphony is right in harmony with the Word.*

Just goes Brother Branham claps his hands together, it'll say a continuous motion of movement. That's it. Always a magnificent thing.

The director and a composer must be in the same Spirit. And so must the musicians be in the same Spirit to act it out. And the world is a wondering what's going on.

And I say today, the Holy Ghost is here. The composer, the Original Spirit of the composer is here. And Malachi 4 has written out the sheet music for us for today, way over here on the backside of the Bible. Now you believe when you begin to receive the Holy Ghost. You, young people, begin to receive the Holy Ghost and we're breaking into the *AMEN CADENCE*. Days of miracle never pass. Amen! You shall be sealed. Amen! You shall be healed. Amen! The blind eyes shall open, the cripple shall walk. Amen! Diabetes shall be healed. Amen! Ulcer stomach shall be gone today. Amen! Hallelujah. Glory of God.

Oh, we staggered around, hallel... in the *Amen Cadence*. Something is going on. We're connect to the right Spirit of the composer, well, hey! amen, staggering around. Glory to God! Praise His wonderful name. Amen. Oh, my. Okay, I'm finished here now. May be seated.

Concerning the Inspiration Part of music, after the melody line, harmonys and rhythm are just right. We add a tonal shading, which is the Loud and Soft parts. These parts are noted by the composer and written down music. The musician must be in tune with how to express the music to make it music. But did you notice there is a tonal shading, which is loud and soft. Some like it just soft. [Brother Coleman sings to demonstrate the soft tone—Ed.]. Hallelu-jah, Hallelu-jah. They don't like the loud part. **Glory to God! Hallelujah! Is still the same sheet music. Get in the rhythm of it. Praise God.** Don't make up your mind about you only want the soft shading. Get the loud part too.

When Mary comes out of the Upper Room. Praise God. Bless God I know the Holy Ghost is upon me. Hosanna! Hosanna! Hosanna in the highest! Glory. Okay, I am finish. My God. Watch. The musician must be in tune with how to express the music to make the music. That's what they're doing over here. They're making music. May be seated. Now, watch. May be seated.

The technical term for the musicians that make music by inspiration anointing, the technical term for this is, Dynamics. Without Dynamics, watch, the music sheet is only black dots on paper. What good is your Mechanics of Malachi 4 without the dynamics, is only black dots on paper. But, oh, God, in the last days, I'll pour out the Holy Spirit upon all flesh, that there will be no more black dots. Praise God. That Bride will make the same music that they made on the day of Pentecost. Glory of God. Hallelujah. Oh, my, my, my, my, my. Glory. Hallelujah. Oh, my. Glory. Yes, sir. The Holy Ghost. Oh, I'm finished. My God. Yes, sir. Okay. Testimony. I am finished. I can go no further. May be seated.

Okay, talking about New York City. Now, you watch, remember there is something about New York City. Don't forget that you hear. Okay. Brother Dillard phoned me November 7th, Sunday morning. He told me the Lord spoke to

him. November 6th, Saturday night at 9:30. He shared something with me, like to blow my mind out. He said the Holy Spirit told him to look up dynamics on the computer. So, he went back to what '46, '47. He searched and searched and searched, and he couldn't find, no way through the '50s. He couldn't find it until 1963. And I had Brother Norman, check it also. And he searched and searched and searched. And he couldn't find it '63.

And Brother Dillard told me, the first place that he saw it was in New York City, Sirs, We Would See Jesus. Hallelujah, thine the glory... And we was there. And what happened on October 17? What did I do in the comment? Sirs, We Would See Jesus. Not a pulpit clown. Not an entertainer. But take you to Jesus. And Jesus came down. Praise God.

And that was the first time the Prophet ever mentioned Dynamics was in New York City, 1963. And on sign at a time, and once more, and then you check. And I was in a message, may be seated. And I was so excited. And I went to the tabernacle back and forth, and wondering what's going on, and then 1964 was kind of dry. I saw this... Where's the dynamics. I know Brother Branham has it. And then we went to, Marriage And Divorce. Everybody shouting, screaming... still something wrong. And then he says, Easter, Is The Rising Of The Sun. I say oh, Hallelujah, thine the glory. There was our promise. Where was it at? In the Seals. In the Seals! Then, praise God.

He said, once more... Malachi 4 identified in New York first time. "but do you believe me to be His Prophet? I'll say it plain tonight. I'm leaving, Do you believe me? Do you believe that we're promised that the last days according to Malachi 4 that would turn the hearts of the children back to the Father." He said that the first time. I'm not bragging, I just said something about New York City that he hadn't mentioned dynamics for the first time in New York City. And you Ministers can check

it out right on down through '65. There's some powerful quotes he said about it, amen, in there. Amen.

And we know what he said on, Dyna... Rising Of The Sun. What good is your dyna... your Mechanics without the Dynamics? You got to have they both work when they come together. So, therefore if one to one who has the mechanics and the dynamics is preaching it and receives it. Amen. They'll go up. The ones who hold on to the mechanics from these last thirty years or whatever it is, they'll sit still. That's all there is to it. Amen. Brother Branham said out there. He said, and What Shall We Do With This Jesus Called Christ [64-0126], in Phoenix. He says,

72 ... Satan's got his big machine up there ready to move that's, right, to crush down; but, remember, God's little flock, that's believes the Word, its mechanics is ready too. It's ready for the Dynamics to set it afire with the Holy Ghost. "Fear not, little flock, is your Father's will to give you the Kingdom." The Holy Ghost will strike a little church that's come out of the world, women that wears long hair or Nazareth to prove that they separate themselves from [all]. Amen.

75 [And] all tis written in a Book will escape it. [And] we find out the little flock is ready for the Dynamics to move it up into the sky to escape all this tribulation.

Oh, hallelujah. Well, praise God. We are finished. Amen. Okay. Have a testimony here. October 17th, Brother Tommy Dillard told me that Brother Bob Summers is so over here somewhere from Fort Wayne was coming up. And he was coming up by faith. He was in excruciating pain and painkillers, everything else had to have operation and whatever, and so forth. And he wanted to come up. You believe that if he got here, that he that he would be healed. So, Brother Tommy he told me, and so I didn't tell about the Tommy nor Brother

Summers. But the Lord spoke to me on October 13th. And told me you will pray for him here. And then I had to quote, Then Came Jesus. He said, You pray for him over there.

And I told the three of them, you go over there, so I don't like it. You know, now who's got the oil? Who's got this? I don't like that. See, told him beforehand. Stand there. Amen. And then I looked for Bob Summers. I guess I scared him... scared the life out... Bob Summers come up here! And he came up. And Lord told me put my hand on his back as a sign, and walked over there and laid my hand on his back. He said walk back to the pulpit and read this quote, and I read it.

Then Jesus Came [57-0407E]

13 ... I was just inspired to speak word to say some glorious day that all the gifts that's in the church will be just set aside, on the mantle as it was. And the Holy Spirit Himself will just take the Church in such a divine control of Divine love until the sick will be healed, the blind will see, the lame will walk, without hands being laid on them. It'd be just one great unity.

He said, "Then pray for everybody in here." And I did that.

And then I got the testimony back from Brother Bob Summers. Brother Bob where he at? I don't know where he is at now. Oh, in the back? Oh, here he is, standing back here. Brother Bob Summers, there he is. And you saw him prayer here. Here's his testimony.

On October 4th, I cancelled surgery for-for the 11th to remove a disc in my lower back. On Wednesday, the 6th of the same week, I found out we could come to the meeting on Sept 17th, I began to make things right. Asking the Lord to help me to have the right attitude and atmosphere for the music for the promise of healing. And for God to have His will. When Brother Coleman called me to come forward, I was gratefully surprised at the same time under expectation. When I walked on the platform, I suddenly walk into a substance that was full of

power and strength. The first thought that came to my mind was so, this is how Brother Coleman can stand to minister being so sick is by this Virtue. Thank you, Brother Summers.

First person to say that all these years I'm about half dead. But the Virtue of God left me stand here and minister to November 21st. And today I am finish. Praise God. I gave my testimony right or wrong. I stood there and said what he said. God be God, let the God that wrote that Word, praise God, come forth and prove that Word again today. Yes, sir. So... may be seated, by his Virtue.

Brother Coleman asked me, "if you believe what we preach?" I said, "yes." Then he said, "God told me to pray for you." Then he laid hands on me and unexplainable heat came down over my head. And when it reached my lower back pain left. I stopped taking muscle relaxers and pain medication, came home went back to work and know that had no pain since. I'm a witness and my Lord Jesus Christ the same yesterday, today and forever.

Amen. Praise God. Brother Bob Summers healed! Yes, sir. Give glory to God! Not me, God! Amen. You beating out the rhythm. Praise God.

Okay, may be seated. Last testimony: testimony of healing. And here I am standing up here with ulcer, diabetes, everything else and wondering, amen. And Brother Andre, he called, then he ... got back to him. Andre Street. Brother Andre Street where you're from Baltimore. Brother Andre, over here in the back. God bless you, Brother Andre. Okay.

Brother Coleman on Sunday, October 17th, 1993 at Forest Hills High School. The Holy Spirit poured out in such a way in such a mighty way. At the end of the service. I was caught up in the spirit from the powerful preaching and mighty anointing that was all over me until I was so engulfed in the Spirit of God. When I arrived home, the anointing was still upon me. On

Monday, October 18th, 1993, I was scheduled see my family physician, I've been suffering with a stomach condition. While being examined by the doctor, he asked me, "What can I help you with today?" I reply for two and a half months I've been suffering frequent with severe stomach pains with burning and bubbling sensations. Then the doctor asked me, "How are you feeling now?" I said to be honest with you, sir. I have not noticed any pain. He asked me. When did you know that the pain and symptoms were gone? I started to think and when I did, I noticed the change with my stomach.

Then the Holy Spirit spoke to me said, "I healed you. When Brother Coleman was preaching, doing a service on Sunday, October 17th."

They was healed. So, without hands being laid on him. Hands was laid over there and no hands was laid back there. Jesus Christ the same yesterday, today and forever. God can do anything He wants to do. He can pour out the Holy Ghost right now. Lord, is your will. What do you want to do? I don't know. But I'll give you the testimony.

Therefore, I say the Countdown is on. Do you understand, Church, what's—what's going on here? Brother Branham said on, Spiritual Food In Due Season [65-0718E].

70 Now you see what I'm trying to get you to? I spoke to you pretty plain this morning. Don't you see the authority of the living God in living Church, the Bride. The sick are healed, the dead are raised up, the cripples walk, the blind see, the Gospel goes forth in Its power for the Message and the messenger are the same. The Word is in the Church in the Person.

Amen. Glory. Okay, Church I am finish. Musicians you already over there. Now why have you been so diligent to speak, may be seated, bout the Holy Ghost itself is here now. When Brother Branham on the, Countdown. He was going along there in the

Spirit. And he is saying about the astronaut and the countdown. Ten, nine, eight, seven, six, five, four, three, two, one. If you hear the tape, he changed his voice. He changed the tape right there. And he broke in there in paragraph 107,

Countdown [62-0909M]

107 Seven is God's perfect number. And now he's giving us the correct countdown. His countdown is not ten but seven. [So, he re-did that. Amen.] We just been through to Seven Church Ages. Now we find that in Revelation, the first countdown was the First Age. [And he goes on. He said,] (...) Then the seventh was Laodicea the last church age. Then it's zero time for the Church to leave, after church has served [its] time. Now we know that Thyatira has come and gone, (...) at the end of the Laodicea Age. And that is the countdown.

Do you understand? He says here.

109 Now we in the seventh age, the [last] church age. And we are looking for the great message of the second appearance of [Elisha...] Elijah on a countdown. As soon as that appears, then is zero time and the Church takes us way home goes out into space into the heavens on beyond the moon, the stars everything else to meet Jesus.

Friends, it's over. Did you hear what he said? **When Elijah would appear in the last days, it'd be zero time. Zero is Eternity.** Adam and Eve was an Eternity and disobedience broke it and they stepped into Time. Now Elijah has come and put us into zero. And we entered into the tubes... to the tube, Jesus Christ. And we sit in there waiting and all fire is beginning to spread. The fires begin to move and the Holy Ghost began to come among the people. Amen. And it's very, very important.

Brother Branham, he said, **THE HOLY GHOST HIMSELF GIVES US RAPTURING FAITH, AS WE MOVE UP.** On

the Countdown in Bakersfield.

Now look, [Paragraph 175,] I think some pretty rough things about airplane automobile. Remember they're horsepower. All of it is horsepower. The church is moving up, Holy Ghost power: Is the Holy Ghost that we're justified by. You ministers know that, don't you? The Holy Ghost sanctifies. The Holy Ghost fills us. The Holy Ghost gives us Rapturing faith as we move up.

Well, how can we stay here, **when the Holy Ghost is all over the place for us to move up into it, to give us RAPTURING FAITH which is former and latter rain.** Oh, hallelujah. Glory to God. Abiding Shekinah Glory Is Here Now Not Long To The Rapture. You believe that? Well, that's it, brother. Praise God. Now the PERSON, the Holy Ghost Himself, the Restoration is here. So may the Lord richly bless you. Praise God. Hallelujah. The Dynamics is here in New York City. And we change it from mortal immortality. I had to chop it all up. Amen.

What's the importance of the Holy Spirit himself, Charity Dynamics, Token displayed being here and it's RAPTURING TIME. **The countdown came when Elijah brought the message, the Shout and we are in it.** So may the Lord richly bless you. Pray for me. Praise God. I am finished.

I know you got to get away, somebody's got to rush out of here. So those who have to go over here, we have some meals over here for—for those who are leaving early to me, South Carolina and so forth and the next group and so forth. And deacons will come down to you and tell you what's going on here. So, I don't know what they're doing here. Amen.

You have announcements to make fine? Okay, Brother Paul. Give us a key here for something brother. Amen. Oh, fine. Okay, you feel like flying away? Amen. May God richly bless you. I thank you for coming. Are you ready for the RAPTURE?

Do you have your promises? You going back to your church and bring your fire! Preach the Word! Amen. And get into the spirit! May God richly bless you! Hallelujah! Glory! Amen, Brother Paul?

[Singing: I'll Fly Away]
